STEWART PREDICTS GAME WILL BE CLOSE

Nebraska Coach Thinks Kansas Will Put Up Excellent Article of Ball.

DOBSON MAY NOT PLAY

Lincoln, Neb., Nov. 16.—(Special.)—There will not be a margin of seven points, Dr. E. J. Stewart, Husker coach, declared here today in discussing the Nebraska-Kansas foot ball game next Saturday afternoon at a "pen" rally at the university this morning.

Stewart, Vic Halligan, Johnny Cook and Ted Riddell were the speakers at the rally, which was interrupted long enough to permit a bloody class scrap between freshmen and sophomores to be pulled off.

Owen Frank, who for three years starred as a Cornhusker, was back and said a few words of encouragement to the squad.

Varsity Going Good.

The losing scrimmage of the week before the big game found the varsity going in splendid shape. Johnny Cook provided a few thrillers by eluding the scrubs on four long runs, which netted touchdowns each time. Jimmy Gardiner was back in the line-up for the first time in three weeks and played a great game. He and Cook promised to provide the most virile offense seen by the Cornhuskers this season if they measure up to anywhere near the form shown last night.

The practice this afternoon amounted to a dummy scrimmage, with a long drill on signals and new formations. Fumbling has been a big sin with the Huskers all season and Stewart feels that it must be reduced to the minimum next Saturday afternoon if the Huskers are to win.

No Odds Offered.

None of the Husker boosters is offering odds on Nebraska's chances and if Kansas wants to bet any money it will have to be put up on an even basis to win.

The Jayhawkers are due to arrive in Lincoln Friday afternoon unless Olcott changes his plans again, and Nebraska field will be turned over to them for a short workout. The Huskers will follow a light program Friday with only a brief signal practice Friday afternoon.

Gardiner for Dobson.

It has been definitely determined that Paul Dobson will not be able to play the entire game, if at all, Saturday afternoon and Jimmy Gardiner will take his place. Dobson was more severely bruised in practice Tuesday night than was first thought likely.

The loss of Dobson will seriously handicap Nebraska in the kicking department, as the David City lad loomed up as one of the best punters developed at Nebraska in recent years. He has averaged better than forty yards in his punting and in a tight battle kicking is a very material factor.

The remainder of the squad is in splendid physical condition and should get through the battle with little trouble.

Seat Sale Heavy.

Guy Reed said the sale of seats indicated every available space would be filled with the hundreds of homecoming grads. There are arrangements on tap to show the graduates a merry time during their visit, with social features at all of the fraternity houses Friday night, the annual class scrap of the freshman and sophomore classes Saturday morning and a big university mixer Saturday evening after the game.

Asks Injunction Against Morris

Kansas City, Mo., Nov. 16.—A petition for an injunction to prevent Carl Morris, Oklahoma heavyweight, from boxing fifteen rounds with Bled Lovinsky here tonight was filed today in the circuit court by M. Newman, former manager of Morris.

The petition declares Morris has violated the terms of a five-year contract with Newman.

William H. Moore Wins The Preliminary Event

New York, Nov. 16.—William H. Moore, with his four prize grays for which he is credited with having paid nearly \$100,000 in the hope of winning the Vanderbilt challenge cup at the Horse show here, took the preliminary event tonight by winning first place in the class for road teams shown before coaches. One of the entries against him was J. Campbell Tompson, who showed almost the same four which won him the Vanderbilt trophy last year.

YALE PLAYERS HAVE THEIR FINAL DRILL

Secret Practice to Be Followed by Demonstration by Students in Bowl.

PRINCETON CHANGES PLAN

New Haven, Conn., Nov. 16.—Yale's last hard fought battle practice before the Princeton game will be held in the bowl this afternoon. The first and second teams will have a drill in secret for half an hour, after which the gates will be thrown open to enable students to see the remainder of the work. The entire student body, headed by a band, planned to march to the field to practice cheers and songs.

The physical condition of a number of players still causes the coaches considerable anxiety. Legore, the star back, is believed to be trained down too fine, and he will do nothing except run through signals and practice punting for the remainder of the week.

While Yale men generally are optimistic over the outcome, they are demanding odds from Princeton. Betting so far has been light.

Princeton Changes Plan.

Princeton, N. J., Nov. 16.—Changing his plans in order to get a better line on his back field men, Coach John Rush planned to send the Princeton varsity eleven through another scrimmage late today in preparation for the Yale foot ball game on Saturday. Yesterday's hard drive in scrimmage left the men in a much improved condition, both physically and in their knowledge of the new variations in formations to be used in the contest against the New Haven eleven. The cold, crisp weather today helped to put the men on edge.

All of the injured players are rounding into condition rapidly and Coach Rush will have plenty of good men on hand to be put into the game if regulars become disabled. There is still some doubt whether Dave Tibbott will get into the contest. He is practicing goal kicking, but is not yet in condition to get into scrimmage.

South High Looks For Victory Over University Place

South High school foot ball will take a jump for the better if a victory results over University Place this afternoon when the two teams meet on Luxus field. Coach Patton has built up a powerful team, after a slow start, and every rooster on the South Side expects a decisive score. University Place held Nebraska City to a tie game two weeks ago, while South High was beaten by the latter the week before by a touchdown.

Omaha Uni Practices In Snow for Peru Fray

The University of Omaha warriors have been practicing all week in the snow. Deep snow or cold weather means nothing to them. They intend to participate in a lively foot ball battle Friday at Peru and staying in because of climatic conditions is not the best kind of training for that end. Coach DeLamatre will say nothing about the game, but the way he talks to his men does not show that he is losing sleep over the result.

The boys are a little chapped in the face and hands as a result of the practice in the cold fields. While the snow has its disadvantages it also has its advantages. When the tackled gladiator falls he gets a few cold crystals down his neck, but at the same time the white blanket acts as an admirable stopping device.

Leonard Gains Popular Decision Over Dundee

Philadelphia, Nov. 16.—Benny Leonard, with his superior ring generalship, gained the popular decision over Johnny Dundee of the same city in a six-round bout here tonight. The fight was fast throughout, with Leonard having the better of four of the six rounds. Leonard weighed 136 and Dundee 132½ pounds.

Chamberlain's Tablets

Chamberlain's Tablets are intended especially for stomach troubles, biliousness and constipation, and have met with much success in the treatment of those diseases. People who have suffered for years with stomach trouble and have been unable to obtain any permanent relief, have been completely cured by the use of these tablets. Chamberlain's Tablets are also of great value for biliousness. Chronic constipation may be permanently cured by taking Chamberlain's Tablets and observing the plain printed direction with each bottle.—Advertisement.

Penn. college against Grinnell, college, at Grinnell, Ia. Iowa State Teachers' against Central, at Falls, Ia.

TRIBUTE IS PAID TO SHEVLIN'S MEMORY

Booster for Yale Remembered at Great New Haven Mass Meeting.

ELIS AND TIGERS TO MEET

New Haven, Conn., Nov. 16.—Tribute to the memory of Thomas L. Shevlin, former Yale foot ball captain and coach, who died last winter, was paid by 2,500 Yale students at a mass meeting tonight. At the mention of Shevlin's name by one of the speakers, the students rose in a body and gave the university cheer with nine "Shevlins" at the end.

A year ago Shevlin came to New Haven from the west and developed what seemed to be a hopelessly beaten team into one that won over Princeton.

Head Coach "Tad" Jones, principal speaker at the meeting, said the two greatest Yale captains, in his opinion, were Shevlin and Black, present leader of the eleven. Jones spoke optimistically of Yale's chances in the Princeton game on Saturday.

Everybody, Rich or Poor, in Germany Must Do Labor Now

Berlin (Monday), Nov. 13.—(By Wire) to the Associated Press to Sayville.)—New York, Nov. 15.—The finishing touches are now being given to the "Man Power bill," providing for universal labor for all able bodied Germans behind the front. The exact details of the measure have not been given out, but the newspapers indicate it will apply to all classes, rich and poor alike, affecting particularly the idle classes, living on private incomes and those engaged in activities not connected with prosecuting the war, which may be discontinued without injury to the body politic.

Omaha Nationals Ready for the Fray

The Omaha National bank basket ball team reorganized for the coming season at a meeting held last night. H. H. Hawkins was chosen to pilot the team as manager, F. J. Bender as captain and O. P. Beck as secretary.

Practically the same lineup which has won the Commercial league pennant the last two years will take the floor in their first practice Thursday evening. The lineup will comprise Bender, Suchart and Lee, forwards; Hawkins, Brewick, Price and Morrison, centers.

Mediators May Reach An Agreement Soon

Atlantic City, N. J., Nov. 16.—Unless new and unexpected opposition develops, members of the Mexican-American joint commission believed tonight, an agreement covering the withdrawal of the American punitive expedition and a method of border control will be ready by the end of the week for submission to the two governments. Announcements that an agreement was in sight was made by Ignacio Bonillas, one of the Mexican representatives, at the close of a session that had lasted until night.

FOUR DEMANDS OF PLAYERS REJECTED

Association of Base Ball Leagues Considers Proposed Changes.

NIGHT SESSION IS HELD

New Orleans, La., Nov. 16.—Proposed amendments to the constitution of the National Association of Professional Base Ball Leagues were considered at tonight's session of the fifteenth annual meeting here. Among the amendments were proposals to reduce the membership of the National board from nine to five, providing for representation by the minor leagues on the National Base Ball commission, changes in rulings of the National board, reclassification of leagues and other matters involving relations between players and clubs.

The minor clubs at the afternoon session voted unanimously to table four demands of the Base Ball Players' fraternity submitted in writing by President David L. Fultz. The demands were as follows:

Elimination of alleged contracts permitting clubs to suspend injured players; giving players the right to sign new contracts immediately after their unconditional release; allowance to minor league players of traveling expenses from their home clubs to the club's city or its spring training camp, and changes in the procedure of the National board in players' claims cases so as to give the fraternity notice of the club's defense and opportunity to reply.

The convention acted upon the fraternity's demands after Secretary Farrell of the association had argued against them. There was no argument in support of them. Almost all the leagues which are members of the association held conferences today, but no important action was announced by any of them.

Everybody, Rich or Poor, in Germany Must Do Labor Now

Berlin (Monday), Nov. 13.—(By Wire) to the Associated Press to Sayville.)—New York, Nov. 15.—The finishing touches are now being given to the "Man Power bill," providing for universal labor for all able bodied Germans behind the front. ZIM READY TO PLAY GREAT BALL FOR M'GRAW

HENRY ZIMMERMAN

Henry Zimmerman, better known as "Heinie" Zimmerman, is taking base ball much more seriously now than he is situated with the manager he always wanted to play under and with a club that it was his greatest ambition to be a member of.

"Heinie" too, will play ball under McGraw and as a Giant better than he ever did before, as his great work last season, after he joined the New York club, indicated.

PLANS OF ATHLETIC CLUB ARE APPROVED

Gym and Pool to Be On Fourth Floor and Lounging and Grill Rooms On Second.

BED ROOMS IN UPPER PART

The general scheme of construction of the club house for the new Omaha Athletic club was approved by the board of directors at a meeting held Wednesday.

The building will be eight stories high, with four floors, a mezzanine and basement for the club proper and the three upper stories for bedrooms. The gymnasium and pool will be located on the fourth floor, while the lounging room, billiard room and grill room will be on the second floor. These two floors will practically constitute the life of the club.

The directors suggested no alterations in the building plans, but will insist that the cost be confined to a certain limit, which will be determined at another meeting this week. The plans of construction approved are as follows:

Basement—Shooting gallery, bowling alley, boys' lockers and dressing room, machinery room, etc.

First Floor—Six store rooms for rent, women's rest-room and retiring room, lobby for men, writing room, barber shop, check room, office for manager, office for athletic club, receiving department for supplies, and women's elevator up to women's department, two gentlemen's elevators, one freight elevator, small service elevator.

Second Floor—Large lounging room, large billiard room, large grill room.

Third Floor—Large dining room, women's dining room, women's retiring room, private dining room, kitchen.

Fourth Floor—Gymnasium, pool, Turkish bath, hot room, etc., locker rooms, three athletic rooms.

Mezzanine Floor—Between Fourth and Fifth Floors—Women's athletic room, women's retiring room and rest room, women's locker room, locker room for men.

Fifth Floor—Bedrooms, five hand ball rooms in rear over pool room.

Sixth, Seventh and Eighth Floors—Bedrooms.

Huge Oil Booty Captured By Marshal von Mackensen

Berlin, Nov. 16.—(By Wire) to Sayville.)—The Cologne Volks Zeitung says that the supplies captured by Field Marshal von Mackensen's army in the Romanian seaport of Constanza, the counting of which has been nearly completed, include 30,000 tons of petroleum, 27,000 tons of benzine, 17,000 tons of other oils, and large stores of corn, sugar and coffee, which were expected to sustain the people and soldiers for several months.

Wrestling Matches at Lindsay

Lindsay, Neb., Nov. 16.—(Special.)—Lindsay is to have two wrestling matches in the near future. George Kinney and Rudy Warner, two lightweight wrestlers, will wrestle at the Piremen's hall Friday. What is creating more interest in the bout is the fact that Rudy Warner, who is a member of the St. Bernard, is a 20 year old, weighs 125 pounds and in impromptu tussles has thrown every man who has presented himself.

SOPHS AND FRESHIES HAVE BLOODY BATTLE

Bitter Class Feud Among Students at University of Nebraska.

PROMISE MORE TO COME

Lincoln, Nov. 16.—(Special.)—A bitter class feud broke out again today among the freshmen and sophomores of the state university, following the kidnapping of the second year president, Paul Harnsburger, of Ashland.

Harnsburger was captured by freshmen yesterday afternoon and taken to a deserted house in northeast Lincoln, where he was held captive until the upper classmen wrung from an unwilling first year man the secret hiding place. Then Harnsburger was rescued and peace regained again today when Munn, a gigantic freshman foot ball player, attempted to take Harnsburger captive single-handed.

The second year men rushed to the support of their president and a merry little mill was staged during the foot ball rally, with bloody noses and black eyes on both sides. Juniors and seniors and members of the faculty finally succeeded in separating the belligerents. Munn failed to take his captive.

The members of the two classes will be given a broad field next Saturday morning to fight it out to their heart's content in the annual Olympics. In addition to the big free-for-all event, there will be boxing, wrestling, long distance running and push ball contests.

No Lapse March 4; President Will Take The Oath on Sunday

Washington, Nov. 16.—There will be no lapse in the service of President Wilson because of the fact that March 4, next inauguration day, falls on Sunday, according to an opinion reached at the State department. It became known today that on account of reports that a lapse would occur and that Secretary Lansing would be acting president on March 4, a formal letter explaining the law has been prepared by the State department to be sent out in answer to inquiries on the question. While it is not expected that the formal inauguration of Mr. Wilson will be held until Monday, March 5, he will be advised by Secretary Lansing to take the oath of office on Sunday.

If Charles E. Hughes concedes the re-election of President Wilson by next Friday, Vance McCormick, chairman of the democratic national committee, probably will discuss plans for the president's inauguration with local democratic leaders when he comes to Washington on that day. Usually the chairman of the inaugural committee, which has charge of the parade and other civic ceremonies, is selected soon after the election.

It is taken for granted by officials that the president, following out his plan of 1913, will have no inaugural ball.

Escapes Massacres And Fevers and War To Fall Off Trolley

New York, Nov. 16.—Dr. Clarence D. Ussher, a medical missionary of the American Board of Foreign Missions, was seriously injured here today when he fell while attempting to board a street car. His collar bone and three ribs were broken and his spine was injured, it was said, at the hospital to which he was taken.

During nineteen years of service in Turkey, Dr. Ussher twice was believed to be dying of typhus fever and escaped death in three massacres of Armenians and came unhurt through bombardments by the heavy guns of Russian and Turkish armies.

And Still Deutschland Has Not Sailed Away

New London, Conn., Nov. 16.—Eighty negro stevedores from Baltimore, who loaded the cargo of the German submarine Deutschland last week, have been ordered to return here on January 5, it was learned tonight. While officials of the Eastern Forwarding company declined to offer any explanation of the order, the belief prevails that another German submarine may be expected about that time or that the Deutschland may make another trip.

RESTA WINS CUP RACE FROM AITKEN

Italian Pilot Sweeps to Victory When Hoosier Breaks Crank Shaft.

EARL COOPER IS SECOND

Santa Monica, Cal., Nov. 16.—Dario Resta won today the eleventh Vanderbilt cup race in the record time of 3:22:48 2-5, an average speed of 86.99 miles an hour, more than eleven miles faster than the previous Vanderbilt record set by Ralph De Palma on the same track two years ago.

Earl Cooper was second. His time was 3:30:40 2-5, more than four miles an hour slower. William Weightman was third. His time was 3:54:45 1-4. Vail, Paterson and Follen were flagged. Bolden skidded out in the thirty-first lap. Aitken was out with a broken crank shaft. When he failed to appear an ambulance was sent out and Aitken was found sitting on the fence, directing repairs.

It was announced that Price, Carleton, Moosie and Buzane were out of the race.

Rotarians Hear Rees Talk of the Lithograph Business

Omaha Rotarians at their weekly meeting and luncheon at the Henshaw rathskellar heard a talk by Samuel Rees, Jr., on "The Art of Lithography." Mr. Rees traced the history of lithography from its discovery, or rather, invention, up to the present time.

In line with the campaign of organization being waged in the interests of the Boy Scouts, in which the Rotary club and civic organizations are taking part, C. H. English, superintendent of public recreation, called for volunteers from the club to lead Scout teams.

The membership of the Rotary club has decided to leave with the board of directors the question whether the organization shall have permanent quarters in the new Athletic club building or continue with the present system of meeting each week at one of two hotels. The directors are to decide the matter at the next meeting.

Rotarians are making plans for the 1917 convention at Atlanta, Ga., a committee meeting yesterday to discuss the part the locals are to play at the annual international session in the southern city next year.

In honor of the birthday anniversary of W. W. Carmichael, 44 years old, members of the club toasted the lumber salesman.

N. J. Baker was chairman of the meeting.

Universal Manhood Suffrage Provided For in Netherlands

The Hague (Via London), Nov. 16.—By unanimous vote, Parliament has passed a resolution providing for the amendment of Article 29 of the constitution, so that henceforth there will be universal manhood suffrage and no plural votes or compulsory voting.

The sex disability of women also is removed by the resolution. The actual granting of the vote to women, however, is still distant, as it depends on the passing of an electoral bill, which at present is unlikely.

Early in the present year, Premier Cort Vander Linden of The Netherlands introduced a bill in Parliament under the provisions of which the constitutional obstacles in the way of woman's right to vote would be removed. The bill also included a provision giving women the right to be elected to office.
