

TIGERS TO MEET THE BLUE TODAY Eli Supporters Look for Men to Display Old-Time Fighting Spirit.

PRINCETON AWAITS FRAY Princeton, N. J., Nov. 17.—The first of the eastern foot ball classics will be played here tomorrow afternoon when the veteran Princeton eleven faces Yale in the forty-second annual contest between these ancient gridiron rivals. Teams from the two universities first met in 1873 when American foot ball was in the making and each season since 1876 has seen a renewal of the struggle. Tonight the series stands twenty-two games to ten in Yale's favor with nine contests a tie and the total point score: Yale, 245; Princeton, 179.

Regardless of the overwhelming margin of past victories piled up by the Blue, the Princeton town and gown is just as enthusiastic and confident in the ability of the Tiger to overthrow the Bulldog as though the series had always resulted in defeat for Yale. With a squad of veterans at his disposal Coach "Speedy" Rush has built up a powerful eleven which has been specially groomed and pointed for this particular contest, the closing one of the Princeton season.

Blue System Unsettled. The fighting spirit of the Blue is not, however, underestimated by the Orange and Black for even the present undergraduates remember that within their time Yale has wrested victory from the Tiger when the game seemed won. In some respects Princeton holds the advantage over Yale for the Rush coaching system is now firmly established in Nassau Land while the New Haven institution is still experimenting with the latest methods introduced by Tad Jones.

Judged in the light of preceding games this season it is difficult to compare with accuracy the power of the two systems. Princeton this year has shown a disposition to play a waiting game; swooping down upon the opponent's goal line after a break in the play had given the Tiger the opening he sought.

Fumbling at critical moments has also been noted, but the defense of the team has been better than usual this autumn. There have been certain flashes in the Tigers' play that lead to the belief that the eleven has more at its command than it has revealed to date and its ardent adherents are counting upon the team to close its year with a surprising revelation in the way of a scoring attack.

Slow Moving Yale. The Yale eleven did not move as smoothly early in the fall as the Orange and Black, but the Blue has been gathering momentum rapidly the last few weeks and is a formidable foe at the present moment. The Blue has demonstrated that it has both a strong offense and defense and are capable of coping with either the ground or aerial system of advancing the ball. The play has shown improvement. The Princeton combination appears to be a better foot ball machine, but it is doubtful if it has the potential strength of Yale, and should the play enable the Blue to find itself early in the game it will prove a hard team to defeat.

have been working together for two or three years. The Yale line, as it has gone into the more important games of the season, averages close to 200 pounds, while the Princeton forwards range between 175 and 180 pounds, in average. There is not the same marked difference in the back fields, the averages being less than two pounds apart, but here again Yale is the heavier.

NO BOAST MADE IN CAMP OF HUSKERS

Riddell and Dobson Out of Line and Jayhawkers Are Heavier.

WILL PROTEST WOODWARD (From a Staff Correspondent.) Lincoln, Nov. 17.—(Special.)—On the eve of the historic Kansas-Nebraska game, Lincoln has gone foot ball mad again. With the arrival of the Jayhawkers' foot ball squad this morning, twenty-three strong, under the direction of Coach Olcott and Assistant Coach "Patsy" Clark, there was a speeding up in the demand for seats and Athletic Manager Guy E. Reed said late this afternoon that every available seat would be taken.

A crowd, rivaled only by that expected on Thanksgiving day when the Huskers and Notre Dame meet, will see the two old-time rivals for Missouri valley laurels battle here tomorrow. Indirectly there is a Missouri Valley crown at stake, although Kansas had previously suffered defeat at the hands of Ames. The Husker record is clear so far and a victory over the Jayhawkers would leave Nebraska an undisputed champion for the eighth consecutive year.

Bets at Even Money. With the approach of the game, the apprehension of the Nebraska coaches and rooters heightened and no money was offered heretofore at better than even odds, although Kansas backers were holding out for 2-to-1 bets.

The Jayhawkers reached Lincoln early this morning over the Missouri Pacific and immediately took up quarters at the Lincoln hotel. Olcott's squad had a short workout on the university field early this morning and then rested. The Jayhawkers saw the first half of the game between Lincoln and Beatrice High schools, and then hied to Wesleyan university, where the eleven went through another signal drill.

Nebraska's only workout came early in the afternoon on Nebraska field, prior to the Lincoln High-Beatrice High game and behind closed gates. The Huskers went through the formations smoothly and rapidly—by far the most satisfactory drill of the week.

Riddell "Off Watch." There was gloom in the Husker camp today when it became known that "Ted" Riddell, Husker end, was suffering from an infected foot and stood little chance of getting into the game. He was rushed to the hospital and the coaches are hoping he will be able to take his place, although the chances are slim. With Dobson on the hospital list, the Huskers will enter the game minus the services of two regulars.

Dr. Stewart has not definitely determined how he will line his squad up for the game. Maloney and Corey are likely to play ends, with Kositzky and Shaw shifted to tackles.

Omaha Bowlers Will Shoot Early In Midwest Fray

St. Louis, Nov. 17.—(Special Telegram.)—St. Louis bowlers occupied the center of the stage tonight, the first night of the tenth annual Middle West Bowling tournament, which is to continue for ten days, on the Washington Avenue alleys here. Visiting knights of the drives were banneted early in the evening and officially welcomed by Mayor Henry W. Kiel of St. Louis.

Tomorrow Omaha will be shunted to the foreground, doubles and singles being carded to occupy almost the entire afternoon and evening. The Omaha bowlers who will shoot for their places in the finish are E. L. Schoenman, Haarman, E. M. Tracy, F. Karr, Fritscher, Fitzgerald and C. L. Weekes and Frank Jarosh. The latter two whose partners have not been chosen and all of whom are from Omaha, are scheduled to roll in the doubles at noon Saturday.

The Omaha individual contingent also will be given their first roll Saturday afternoon at 2 o'clock. E. L. Schoenman, Haarman, E. M. Tracy, F. Karr, C. L. Weekes, Frank Jarosh, Learn and Goff are carded while Fritscher and Fitzgerald will take the alleys in the singles at 2:30 tomorrow afternoon. Following these events the Omaha bowlers will be idle until Saturday, November 25, at 2:30, when G. Toman, J. M. McMartin, H. McCoy and L. Kieny will appear in the individual events.

Hinchey Quits the Central High Team; Haller Takes Place

Hinchey, star guard on the Central High school foot ball eleven, has been compelled to quit the team, because of parental objection. Hinchey was one of Mulligan's strongest linemen and his absence will hurt. Hinchey will not play when the Omaha farriers lineup against Sioux Falls at Rourke park this afternoon. Haller will probably occupy his position.

Central High followers have hopes of seeing Mulligan's men run up a heavy count against the Dakotans, because Lincoln High put the figures of victory over Sioux Falls into the sixties and Omaha hopes to do better. Mulligan is expected to give his eleven orders to open up for this reason and if they open up like they did in the final half against Lincoln a week ago, local gridiron fans are going to see some big league foot ball.

Carl Morris Bests Battling Levinsky

Kansas City, Mo., Nov. 17.—Carl Morris of Sapulpa, Okla., won a decision over Battling Levinsky of New York at the end of their fifteen-round match here tonight. The men are heavyweights.

Holmes Buys Two Players and Sells One

Lincoln, Neb., Nov. 17.—"Ducky" Holmes, manager and owner of the Lincoln Western league base ball club, has purchased players East and Schmidt from the St. Louis Browns, and released to Bloomington, Ill., Harry Williams, according to a message from New Orleans today, where Holmes is attending the National Association meeting. East was with Lincoln last season and was one of the star pitchers of the Western league.

SOUTH STARS WIN OVER UNI PLACE

Packers Get Long End of Fourteen to Nothing Score by Hard Work.

South High, 14; University Place, 0. Little Jimmie Nestor, Coach Patton's 140 pound fullback at South High had a lot to do with the victory the Packers won over University Place yesterday afternoon. Along with indomitable Joe Dworak and Lyman Corr, the miniature line plunger pounded the University Place defense for long and repeated gains. Estimated in figures, about a third of the yardage piled up by the Pattonies were counted to Nestor.

South High plunged an uphill game from the start—and won. Dworak started the slaughter immediately after the locals took possession of the ball for the first time and smashed eight yards through the entire visiting eleven. Nestor and Emigh followed in close procession with the result that before five minutes was up the Souths were set fast on the Uni three-foot line. The visitors held and took the ball to midfield.

Fight for Two Periods. Through two quarters the players progressed with neither team gaining consistently. The second quarter was a punting duel between Dworak and Boney, star end and quarterback of the visitors. The first half ended with the ball on the south fifteen-yard line in their own possession. Slugging marked this period and at least three of the men in suits walked off the field with bloody faces.

The South score came in the first part of the third quarter. Securing the ball on their own thirty-five yard line by a series of line smashes, the locals carried the ball to the Uni place forty-five yard line. Here the team lined up on a formation and as the play unfolded, big Joe Dworak rose from the backfield and hurled one of his beautiful forward passes. The ball dropped prettily into the arms of Corr, Patton's all-star end, who raced fifteen yards to goal. The pass easily covered twenty yards. A short time later, the Packers worked the ball to the visitor's ten-yard line and Nestor shot over for the next counter. Dworak kicked goal in both instances.

Uphill Work. Considering that both the local touchdowns were made going uphill, the work of the South team was excellent. Patton had developed a formidable calibre of offense which should be felt at West Point next Friday, where the team will go to play for honors in western Nebraska. Church, tackle, Boney, end, and quarterback and Harper, captain and fullback, were the stars of the University Place team. Ruggie, local tackle, played in stellar fashion, while Captain William Graham got away with several good tackles and broke up a couple of forward passes.

The lineup: SOUTH HIGH, UNIVERSITY PLACE. Carr, L.E.H.; Premble, L.T.R.T.; Hasegiri, L.G.R.O.; McCann, Peterson, L.G.R.O.; McCann, Hedgren, R.D.L.O.; Hodge, Helm, R.D.L.O.; Church, Ruggie, R.T.L.T.; Church, Graham (c), R.E.L.B.; Adon, Eitor, R.E.L.B.; Boney, Dworak, L.H.B.R.H.B. (c); Harper, Emigh, R.H.B.L.H.B.; Cummings, Nestor, P.L.H.B. H. Harv. Substitutes: Banner for Nestor, Hunter for Emigh, B. Church for Trouble. Touchdowns: Corr, Nestor. Goal Kicks: Dworak (2). Forward Passes: South High, one complete for twenty yards. University Place, two complete for twenty-four yards.

CLASSY GAMES ON EASTERN FIELDS

Several Important Battles Besides Yale-Princeton Fray to Be Fought.

Cadets Face Springfield. The Army and Navy teams will face opponents of only moderate strength in the final contests prior to the meeting of the two service elevens. The Cadets will oppose the Springfield Young Men's Christian association training school at West Point. The Middies will find Villa Nova strong defensively, but should outmatch that team in attack.

Both Dartmouth and Pittsburgh are likely to prove too powerful for West Virginia and Carnegie Tech, respectively, but will have to work hard for every point scored. Other games which will bring together teams, where the rivalry and series are of long standing, included Lehigh vs. Franklin and Marshall, Holy Cross vs. Fordham and Bucknell vs. Gettysburg.

Effect of Disapproval. An aged mother was scolding her eldest son for some of his bad habits. "Ain't you 'shamed of yourself," she exclaimed, "to be chawin' tobacco and smokin' that old pipe. You 're ruinin' your health." "But listen, ma," replied her son, "I am 19 years old, ain't I?" "Yes, you is," admitted the mother, "but maybe if you didn't chaw an' smoke you'd be 89 now."—Youngstown Telegram.

Both Teams Defeated. This is especially true of the Yale-Princeton game, one of the oldest gridiron clashes of the country. Both teams will hold nothing in reserve when they meet in the Palmer Memorial stadium at Princeton, and the struggle should prove both close and spectacular. No championship is involved as both Princeton and Yale have been defeated this season.

The Harvard-Brown contest presents uncertainty. Brown has eleven of unusual strength. The attack is both powerful and deceptive. If Harvard were to send its best team

against Brown, the Crimson probably would be a slight favorite. Another game of interest will be the contest between Syracuse and Colgate. Both elevens are fast and powerful scoring machines, but the Hamilton team has shown greater consistency in its play than Syracuse.

The Greatest Blood Tonic Ever Discovered

Known for 50 Years As the Best Remedy for Rheumatism, Catarrh, Scrofula, Skin Diseases. Scientists know that the forest and the field are abundantly supplied with vegetation of various kinds, that furnish the ingredients for making a remedy for practically every ill and ailment of mankind. Medicines made from roots, herbs and barks which Nature has placed at the disposal of man, are better than strong mineral mixtures and concoctions. Mineral medicines work dangerously on the delicate parts of the system, especially the stomach and bowels, by eating out the lining membrane, producing chronic dyspepsia and often entirely ruining the health.

S. S. S. is guaranteed to be a purely vegetable remedy. It is made entirely of gentle-acting, healing, purifying roots, herbs and barks, possessing properties that build up all parts of the system, in addition to removing all impurities and poisons from the blood. S. S. S. is a safe treatment for Rheumatism, Catarrh, Scrofula, Sores and Ulcers, Skin Diseases, Congestive Blood Poison, and all disorders of the blood. It cleanses the entire system and it's permanent. Get S. S. S. at any drug store. S. S. S. is a standard remedy recognized everywhere as the greatest blood antiseptic ever discovered.
