The old saying. "There is plonly of room at the tup," is just as true today as it was when it was first written. Men who can DO THINGS form superior service are always WANTED; men who are TRAINED never beg for a JOB.

In the same issues of the sam paper was an advertisement fo freight handlers at \$2.15 per day three hundred side to men an swored the latter advertisement.

A good business education pro-motes efficiency mightly: right now we have hundreds of young people sarning good salaries, who never, before coming to us, held even a fairly good position. The demand for TRAINED buys and girls is far greater than the supply.

Our free catalogue gives much valuable information about our work. Write for it.
