kicked to Kansas' twenty-yard mark. Lindsey immediately returned the punt to Kansas' forty-seven yard line. Gardner gained four yards off tackle. Otupalik hit the line for two and Rhodes for three yards and first downs. After short gains by Cook and Gardner, the Jayhawkers made a stand and Nebraska couldn't go.

Lands Only Score.
So Johnny Cook signalled for Captain Corey to attempt a place kick. Cook received the ball from Moser and held it for his captain's toe. Cook held the pigskin in perfect position. Corey's toe met the ball perfectly, and one of the prettiest place kicks ever seen on Nebraska field sailed over the crossbar and gave the Cornhuskers a three-point margin on their hated rivals. The kick was forty yards and was sufficiently long and high to have been made from the fifty-yard line.

After the goal Lindsey kicked off over the goal line twice and the ball was carried out to Nebraska's twenty-yard mark. The Cornhuskers, being a long way from the goal, started another of their drives. Gardner made five yards and followed this gain up by another one of two yards. Otupalik plunged for four yards and first downs. Cook scampered seven yards off tackle and Rhodes ripped his way through the Kansas line for eight yards and first downs. Otupalik made two yards. Nebraska was penalized five yards, but Johnny Cook made this up by running ten. Kansas was then penalized five yards. Jimmy Gardner made a five-yard gain just as the quarter ended.

Second Quarter.
As the second quarter opened, however, Nebraska could not gain further and Gardner kicked. He booted the ball to Kansas' twenty-yard line. Kansas at this point made its first attempt to carry the ball and Lindsey gained two yards. The Jayhawkers gave it up as a bad job, though, and Lindsey punted again. He booted the pigskin sixty-five yards and it rolled the rest of the way over the goal line. This was only one example of Lindsey's effective punting.

Taking the ball on their own twenty-yard line the Cornhuskers started off again as though they meant business. Gardner put eleven yards behind him on an end run. Cook made four, Gardner four more and Rhodes plunged through for six and first downs. Gardner slid off tackle for five yards and Rhodes plowed through for four after which Cook made five and first downs. A six-yard gain by Cook followed by one of one-yard by Rhodes, one of two yards by Otupalik and another one of one-yard by Rhodes gave Nebraska first downs again. But once more the Cornhusker drive stopped as they got in striking distance of the Jayhawk goal and Corey essayed another place kick. The kick this time fell wide of the posts.

AITKEN WINNER OF SANTA MONICA RUN

Cooper Second in Race, With Patterson Third and Roads Fourth.

NEW RECORD ESTABLISHED

Santa Monica, Cal., Nov. 18.—Johnny Aitken won today the grand prize automobile road race, after dropping out in the first lap with his car disabled and substituting for Wilcox in the latter's car in the twenty-first lap. Aitken's time was 4:42:47, an average of 85.55 miles an hour.

Cooper was second, time 4:48:59. Patterson was three laps in the rear, running third, and Roads four laps behind him.

A new grand prize time record was set, even if the joint winning time of Wilcox and Aitken in Wilcox's car should not be allowed. Cooper's average of 83.74 miles an hour bettered the previous record of 77.25 made by Eddie Pullen on the same course in 1914.

An accident on the course resulted in the death of five persons.

Frank Bancroft to Do Monologue Stunt

Business Manager Frank Bancroft of Cincinnati is going to take a flier at the monologue stuff on the small-time circuit through the middle west. Banny is the best story teller in the business and he has a world of good things to spring on the fans around the country. He will carry moving pictures of star players and also of important scenes in championship games, which he will describe in his inimitable manner. He is being booked by Bill Gorman, a well known theatrical manager, and formerly a scout for the Reds.

Walter Schaller Plays Every Game for Three Years

For Walter (Biff) Schaller, the San Francisco outfielder, the end of the Coast league season completed the remarkable record of having played in every game for three straight seasons.

Schaller was married the day before the season closed, but for the sake of his record postponed his honeymoon and played in the final game, which he helped to win by making three hits.

down as the third period started. Mosley recovered Yale's kick-off when it grounded on Princeton's twenty-yard line, and on the third lineup Braden went back to the twenty-five-yard line and kicked a fine field goal. Score: Yale, 3; Princeton, 0.

After the kick-off by Yale, a fifteen-yard penalty for tackling a punter, a fine forward pass, Driggs to Brown took the ball to Princeton's forty-three-yard line. Baldrige intercepted the next forward pass, and it was Yale's ball on the Tigers' thirty-two-yard line. Braden broke through the line for eight yards. Legore went to the fifteen-yard mark, and Braden tried for another field goal, but he kicked wide. On the first lineup Princeton punted to Yale's forty-five-yard mark. McGraw replaced Laroche. They exchanged punts twice. Legore meanwhile losing thirteen yards on an end play. Brown and Eddy hit the Yale forwards for twenty yards, putting the ball thirty-four yards from the visitors' goal. A forward pass was blocked, and after some punting, the period ended with Yale holding the ball on its own thirty-eight-yard line. Score: Yale, 3; Princeton, 0.

GOPHERS RUN OVER WISCONSIN ELEVEN

Minnesota Humbles Badger Crew by Beating Them 54 to 0.

HOLDS BALL MOST OF TIME

Minneapolis, Nov. 18.—The University of Minnesota, with powerful line drives, spectacular forward passes and puzzling criss-cross plays, humbled the University of Wisconsin, 54 to 0, in their annual foot ball game here today.

From the very outset, Minnesota made deep thrusts in the Wisconsin line and by the third period, in which Minnesota scored twenty-one points, the warring Badgers' defense had all but crumbled. The ball was in Minnesota's possession for the greater part of the game.

Ohio State Team Overwhelms Case

Cleveland, O., Nov. 18.—Ohio State university clinched the Big Four championship in Ohio today by trouncing Case School of Applied Science, the final score being 28 to 0. Ohio State outplayed Case in every department of the game.

Chief Meyers May Lose His Job with Robins

Chief Meyers may not wear a Brooklyn uniform next season. The famous Indian backdrop is said to be in disfavor with the powers that be over at Ebbets field. He slowed down in his play this year and was frequently injured. Furthermore, it is said, the chief did not make a hit with his employers when he openly found fault with the sale of world's series tickets in Boston and Brooklyn.

Meyers was accused of being the ringleader in leveling criticisms at the business managers of the series, which the Red Sox won with comparative ease.

If Meyers remains with the Robins, he will have to accept a large cut in his salary. As a matter of fact, officials of the Brooklyn club will not make a strenuous attempt to sign him to another contract. It will not be surprising if the chief is offered to some other National league club in a trade for a younger catcher. Uncle Robbie needs at least two good backstops to help Otto Miller.

Canada Will Hold Big Handicap Trap Shoot

Trapshooters are invited to take part in the Canadian grand international handicap shoot at St. Thomas, Ontario, December 4 to 8. Robert D. Emslie, the base ball umpire, is president, and information may be obtained from W. J. McCance, manager, 475 Talbot street, St. Thomas, Ontario. The club has arranged with the customs officials to pass guns of American shooters and there is no duty on ammunition.

Larry Doyle is Still Hobbling On Crutches

Larry Doyle, former second baseman of the Giants, but now of the Cubs, has gone to Jacksonville, Fla., to spend the winter. Larry is still carrying around a pair of crutches as the result of the broken leg he received in one of the games in the Windy City.

Suit of Baltimore Feds To Start First of Year

The \$900,000 suit of the backers of the Baltimore Federals against organized base ball, will be tried shortly after the new year. The Terrapins say they were double-crossed in the peace negotiations.

Hope Springs Eternal

In politics there is always a man willing to enter the race in the opposition's strongest hold with nary a chance of winning out. And in the National league there is the Cincinnati Reds.

AMES COLORS DROP BEFORE HAWKEYES

Breaks Against Aggies of Iowa and Costly Fumbles Add to Woes.

UNI WINS NINETEEN-SIXTE

Ames, Ia., Nov. 18.—(Special Telegram.)—The Hawkeyes won from Ames today, 19 to 16, but the game was not played that close, nor was the difference between the teams that clashed in the struggle for the state's gridiron supremacy that far apart. Both elevens played foot ball, but every break in the luck was in Iowa's favor. The third quarter and a fumble of an end run was the undoing of Ames. When an Ames back dropped the leather on an end run it was then that Ames saw its state championship go to Iowa City.

Fumble Turns Trick.
The ball was close to the middle of the field, somewhat over in Iowa territory, when the Cyclone back committed his fumble. The ball was left lying in a funny way behind the scrimmage pile, where the Ames back, Tucker, was downed. Duncan, walking around for his health, put his peepers on the lonesome ball and went over about forty yards for a touchdown. He was half way to the goal before the Cyclones tumbled where the ball was.

In the fourth period Iowa had some more luck, which was worth noting on the blackboard. Ames was punting out from behind goal, and the attempted punt was blocked. The ball bounded back into the Ames stands at the end of the field and an Ames man and an Iowa man trampled over the poor, helpless spectators to find the said ball. The Hawkeye had the best part of eyes. Becker, Hawkeye right tackle, squirmed down and saw the ball on the ground. It counted as a safety.

Action Taken by Base Ball Loops

New Orleans, Nov. 18.—After a day devoted to hearing and considering evidence in disputed cases involving players and minor leagues, the Board of Arbitration of the National Association of Professional Base Ball leagues tonight announced the following:

Among claims allowed: Sioux City, \$200 from South Bend, in re Hensling; Oakland, Cal., against Great Falls, Mont., in re Kallio, each club allowed \$750; Ward Clemens granted release from Oklahoma City club. Among claims disallowed: C. Mike Flanagan refused release from Muscatine, Ia. team; Umpir G. V. Bush against Northwestern league. A number of the delegates to the convention of the minor leagues, which adjourned last night, remained over to appear before the board.

Following the action of the minor leagues' convention in deciding to permit each league to fix its own salary and player limits, representatives of several minor clubs who declined to be quoted, have stated efforts will be made at the annual meeting of their leagues to increase both the salary and the player limits. Among these is the Southern association, several members of which have admitted privately that a movement is on foot to induce the league at its annual meeting, next month in Nashville, to raise the salary limit from \$2,800 to \$3,200 or 3,500, and to increase the player limit for each team from fourteen to fifteen men.

Michigan Beaten By Pennsylvania

Ann Arbor, Mich., Nov. 18.—Pennsylvania university foot ball eleven, by taking sharp advantage of opportunities and holding firm at critical moments, defeated Michigan, 10 to 7, here today. The Wolverines had half a dozen chances to put over the winning touchdown, but their efforts lacked the finishing ounce.

Smith went over for touchdown for Michigan on the first play in the last period, and Maulbetsch goal.

Ames Wins Missouri Valley Conference Cross-Country Run

Ames, Ia., Nov. 18.—(Special Telegram.)—Ames won the Missouri Valley conference cross-country race today over the Hawking Ames' five-mile course. Husted of Ames was the first man to finish. His time was 27:44, fast, considering condition of the course. Kansas was second and Missouri third. Rodkey, the Kansas university star, was far behind. He was doped to be first individual to finish, but all Kansas but Steteler, who finished third, followed the Ames team. Nebraska university and Kansas Aggie team failed to arrive for the run.

Yale Crew to Compete Against Quakers Again

Coach Guy Nickalls of the Yale crews plans to enter his varsity and freshmen eights against Penn on the Schuylkill river again next spring. In addition the Elis will meet Cornell and Princeton in a three-cornered race, crews will compete in the American Henley at Philadelphia and the annual feature events with Harvard will be rowed on the Thames at New London June 22, 1917.

Germany Plans New Census To Gauge Food Supply

Cologne, Germany, Nov. 18.—A new census of the population of the German empire is to begin on December 1, according to the Cologne Gazette. The last one was taken in 1910, but it is regarded now as insufficient for the regulation of economic conditions within the empire, particularly for food distribution.

PURPLE CRUSHES PURDUE WARRIORS

Sweeping End Runs and Forward Passes Enable Northwestern to Win.

BUSY TIME IN THIRD SPELL

Chicago, Nov. 18.—Sweeping end runs and forward passes enabled Northwestern to defeat Purdue, 38 to 6, today and win the right to play Ohio State at Columbia next Saturday for the Big Nine foot ball championship.

Coming from behind Northwestern scored four touchdowns in the third period after Purdue had led in the first two periods. Purdue's scores were the result of field goals booted by Huffine, the first from the eighteen-yard line and the second from Northwestern's twenty-two-yard line. Captain Driscoll started Northwestern's scoring by kicking a field goal in the first period.

Williams Furnishes Thrill.
Williams thrilled the crowd in the fourth period by intercepting a forward pass back of his own goal line and raced 100 yards for Northwestern's final score.

Northwestern scored three points in the first period when Driscoll booted field goal from the twenty-yard line. Purdue put up a stubborn defense, holding Northwestern twice on the eighteen-yard line.

Huffine registered six points for Purdue in the second period, getting two field goals, the first from the eighteen-yard line and the second from Northwestern's twenty-two-yard line.

Busy in the Third.
Northwestern piled up twenty-eight points in the third period. Kohler went over from a touchdown on the first five plays. Four minutes later Driscoll scored the second. Underhill and Brumbach also registered the touchdown. Putnam kicked four goals.

Williams added a thrill to the final period when he intercepted a forward pass on his own goal line and ran 100 yards for Northwestern's final touchdown. Putnam kicked goal.

Mushroom Prices Keep Moving Upward

(Correspondence of The Associated Press.)

Berlin, Nov. 10.—For no explainable reason except speculation mushrooms have soared in price to such a height that the authorities are being called on to step in, establish maximum prices, or take some similar measure to keep them within the reach of the common people.

This season mushrooms are so plentiful that the price paid by the wholesaler to those who gather them ranges from 30 to 40 pfennigs a pound. Even at this low rate families during the summer made from 80 to 100 marks a day by making excursions into the country and picking up as many mushrooms as they could carry.

Notwithstanding, this superabundance of the plants has not tended in the slightest to keep the retail prices down. Today mushrooms sell at retail for from 110 to 125 pfennigs a pound.

Cleanliness Is Next to Impossible in Russia

(Correspondence of The Associated Press.)

Vilna, Russia, Nov. 1.—Because the price of soaps and such necessities for washing as starch, borax and the like, has increased beyond the reach of the poor people, it is proposed to establish in Vilna a number of "communal laundries" for patronage by those who cannot afford to pay dearly for cleanliness.

Just how much the local inhabitants have been able to do for themselves, through the agency of twenty-five "Achiester Societies," or institutions of brotherly help, is indicated by the six months' report of the main organization, just issued.

According to this report the twenty-five branch societies in all the portions of Vilna took in during the last half year just over \$15,000 and expended a little more than \$16,000 in helping a total of 50,000 persons.

Encke Comet Appears Long Before It Is Due

(Correspondence of The Associated Press.)

Heidelberg, Germany, Nov. 1.—About a year and a half before its time, the Encke comet, due to appear again in the spring of 1918, has made its appearance dimly, and has been photographed by Prof. Wolf from the observatory at Koenigsstuhl, near here. The comet is at present very far removed from the sun, which it ordinarily encircles in three and a half years. It is just about where it was reckoned it should be, but is unexpectedly visible.

Ireland Faces Potato Shortage Once Again

(Correspondence of The Associated Press.)

Dublin, Ireland, Nov. 1.—Ireland is faced with partial failure of its all-important potato crop. The official estimates indicate a yield of at least a third and probably a half less than last year. The loss to farmers through damage to potatoes is figured at \$15,000,000.
