### ONE OF SOLON BORGLUM'S TRIUMPHS—"The Rough Rider," a statue of Captain "Bucky" O'Neil of Colonel Roosevelt's regiment, made for Phoenix, Ariz. Replica on exhibition at the Omaha Fine Arts Society show now.

A steady stream of art lovers viewed the Fine Arts society exhibit of contemporary paintings and sculptures of Gutzon and Solon Borglum at the Hotel Fontenelle for the free exhibit Sunday. Following the popular concert at the Auditorium for the Associated Charities benefit, the gallery was crowded.

The Borglum bronzes prove the special drawing card, since this is the first opportunity most Omahans have had to view the works which have made these two native sons famous. The Lincoln seated figure and the head of Lincoln are prime favorites. Children flocked to the exhibit in great numbers and proved themselves keenly observant art critics.

One young Omahian, son of a man now resident at Edgely, Mr. Heveland says his son went to Alberta, Canada, about two years ago to visit his sister who resided there with her husband. He went to work for his brother-in-law and has lived there ever since. He claims he is still an American citizen, but the Canadian authorities have pressed him into service anyway.

Attorney General Reed will take the matter up at once with the authorities at Washington through Senator Hitchcock, who is a member of the senate committee on foreign relations.

Plattsmouth Saloon Men Will Enter Other Lines  
Plattsmouth, Neb., Nov. 20.—(Special.)—Plattsmouth has seven saloons at this time and since the election which will put Nebraska dry after May 1 next year, those engaged in the traffic have been casting about them glances for other lines. One firm has determined to engage in the drygoods lines and will carry ladies' furnishings, including tailored suits, frocks and cloaks. Another man has decided to establish a book bindery here, a line which Plattsmouth never did have, and having been in that business for the greater portion of his business career and knowing the business thoroughly, he will no doubt succeed. Another one will engage in the confectionery business and will carry a line of soft drinks to sell. Another has said that he intended to operate a pool hall. Another will enter into business in Omaha and the other two have as yet not decided as to what they will do although one will enter some line here in Plattsmouth.

He was 62 years of age and a Mason and commander of the Elks lodge of this place, also a member of the Episcopal church. No arrangements for the funeral have been made. He has children in California and brothers in the eastern states.

Five Shots Are Fired At Farmer and Woman  
Beatrice, Neb., Nov. 20.—(Special Telegram.)—An unidentified man fired five shots at Charles Bicker, a Barneston farmer, as he was riding in a top buggy last night near Barneston with a young woman. The bullets pierced the top of the buggy, but the occupants escaped unhurt. Bloodhounds were used in trying to catch the would-be assassin, but without result.

### Flush Kidneys With Salts If Back Is Aching

Noted authority says we eat too much meat, which clogs Kidneys.

Take glass of Salts when Kidneys hurt or Bladder bothers you.

No man or woman who eats meat regularly can make a mistake flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which excites the kidneys, they become overworked from the strain, get sluggish and fail to filter the waste and poisons from the blood, then we get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, dizziness, sleeplessness and urinary disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, stop eating meat and get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast and in a few days your kidneys will act fine.

This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate the kidneys, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder weakness.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active and the blood pure, thereby avoiding serious kidney complications.—Adv.

NEW POPULAR SONG WITH QUAIN IDEA

CATCHY LOVE BALLAD WHICH IS LATEST CRAZE.

A new song has just appeared which has no frivolous flavor to it. It seems to chiefly appeal to the loyalty of the girl who finds in the man of her choice the counterpart of her dad and mother. The idea is original.

The music is particularly catchy. Here is a part of the chorus cut from a copy just received:

In The Sweet Long Ago CHORUS  
Can't you bring back the olden love days, the golden love days of long ago, Can't you bring back all the old-fashioned melodies mother and dad used to know, Can't you bring back the beautiful misses, the tender kisses by moonlight glow, Oh, I wish I could find some

Although the range is only an octave, without high notes, the harmony affords a very striking effect and brings out the voice most effectively.

The song is said to be the quickest hit written in some time, having only been published recently.

RHEUMATISM AFTER HIS DAY'S OUTING

Hunting Trip On a Wet Day Brings Painful Results.

Once upon a time Charles Mullen of Philadelphia went gunning. It was a dismal rainy day, and long exposure to cold and wet brought on a severe attack of rheumatism. He was confined to his home.

A friend recommended Sloan's Liniment, citing his own case as evidence of its effectiveness. Mullen bought a bottle and applied it to his aching limbs. Soon improvement was noticed and he was able to return to business.

Mr. Mullen writes: "Since that experience I have never been without Sloan's Liniment in the medicine chest." You will find it soothes bruises, sprains, toothache and relieves lame back, neuralgia; in fact, all external pains. At all druggists, 25c, 50c, and \$1.00 a bottle.
