

What is Going On in Society Circles

Series of Lectures.

Mrs. Anthony Merrill of Chicago, who has given two series of lectures to the women of Omaha in seasons past, will arrive Saturday morning in time to deliver her first lecture for this year at the Blackstone at 10 o'clock. Her subject will be "Current Events and Literary Reviews." The work of "predigesting" literary news and current events and interpreting for the busy society woman is becoming a great field. Such lectures are interesting and highly instructive. It is this work to which Mrs. Harry Payne of Brooklyn, who visited her cousin, Mrs. Charles T. Kountze, the middle of last June, is devoting her time. Mrs. Merrill's second lecture will be given Friday, December 8, and her third, Tuesday, December 12.

Mrs. Merrill during her stay in Omaha will visit relatives, Mrs. C. E. Martin and Mrs. E. Wakeley, and renew acquaintance with many old friends.

Foot Ball Prom.

Keeps dancing academy will be the scene of a pretty dancing party on Tuesday evening. The occasion will be the annual foot ball prom given by the University Mixer club in honor of the Creighton foot ball team. The hall will resemble a foot ball field with illuminated goal posts. The four corners of the hall will be decorated by the fraternities Xi Psi Phi, Delta Sigma Delta, Phi Chi and Gamma Eta Gamma, and in the lounging room Phi Beta Pi and Delta Theta Phi will be represented. The chaperones will be: Dr. J. R. Clemens, Dr. J. A. Graham, Dr. and Mrs. E. H. Breuninger, Messrs. and Mesdames Paul Martin and W. C. Fraser.

Betrothal Announcements.

Mr. James A. Keller of Council Bluffs announces the engagement of his daughter, Eldora, to Mr. Frederick Kohl of Walnut, Ia. The marriage will take place about January 1.

Mr. and Mrs. J. W. Dudley announce the engagement and approaching marriage on Thanksgiving day of their daughter, Grace Marie, to Mr. George Milton Scott. Both young people are well known in local church circles. A surprise party in honor of Miss Dudley was given by Mayme Plummer Thursday.

Mr. and Mrs. Ernest Meyer announce the engagement of their daughter, Tibb Hazel, to Mr. Jacob Blank. No date has been set for the wedding. The announcement was made Saturday on the bride-elect's birthday.

Friday Night Dancing Club.

The Friday Night dancing club gave its third party Friday evening at Druid hall with fifty-five couples present. Among the most victims of the high cost of living were Mr. and Mrs. "Gunnysack" Gordon, little "Danny" Murphy and "Simple Simon" Conley. During the evening several unique stunts were staged.

The club's next party will be given Friday evening, December 2, at Druid hall, when it is rumored that Mr. George Garner will put on his latest creation, the Firefly waltz.

Wedding Thanksgiving Day.

The marriage of Miss Gladys E. Elliott, daughter of Mrs. M. A. Elliott, formerly of Kansas City, and Mr. Paul Bradley, son of Mr. and Mrs. G. L. Bradley of Omaha, will take place at Lawrence, Kan., on Thanksgiving day. After a brief wedding trip, the young couple will make their home in Omaha.

Miss Elliott is an Alpha Delta Pi sorority member from the University of Kansas and has been teaching in the university at Lawrence. Mr. Bradley went to school at Ames after graduating from Central High. He is a Delta Tau Delta fraternity brother.

Mr. Bradley and his parents leave for Lawrence Wednesday.

Bellevue Girls Attend Game.

A party of Bellevue college young women, chaperoned by Coach and Mrs. Faye E. Benjamin, accompanied the foot ball team on its trip to Doane Friday. The party left in a special car at 9:30 Friday for Crete and reached Doane at 2:30 Saturday morning. Before the game the young women visited the girls' dormitory at Doane and were informally received by the girls of that school. One of their number, Miss Anna Buck, stayed over in Crete as a guest at the home-coming banquet which Doane alumni held Friday evening. The young women included in the party were:

TODAY'S BEAUTY HINT

It is not necessary to shampoo quite so frequently if your hair is properly cleansed each time by use of a really good shampoo. The easiest to use and quickest drying shampoo that we can recommend to our readers may be prepared very cheaply by dissolving a teaspoonful of canthrox, obtained from your druggist, in a cup of hot water. This rubbed into the scalp creates a thick lather, soothing and cooling in its action, as well as beneficial to scalp and hair. After rinsing the scalp is fresh and clean, while the hair dries quickly and evenly, developing a bright luster and a soft fluffiness that makes it seem very heavy.—Advertisement.
