

EAT LESS MEAT IF BACK HURTS

Take a Glass of Salts to Flush Kidneys if Bladder bothers you—Drink lots of Water.

Eating meat regularly eventually produces kidney trouble in some form or other, says a well-known authority, because the uric acid in meat excites the kidneys, they become overworked, get sluggish; clog up and cause all sorts of distress, particularly backache and misery in the kidney region; rheumatic twinges, severe headaches, acid stomach, constipation, torpid liver, sleeplessness, bladder and urinary irritation. The moment your back hurts or kidneys aren't acting right, or if bladder bothers you, get about four ounces of Jad Salts from any good pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush kidneys and stimulate them to normal activity; also to neutralize the acids in the urine so it no longer irritates, thus ending bladder disorders. Jad Salts cannot injure anyone; makes a delightful effervescent lithia-water drink which millions of men and women take now and then to keep the kidneys and urinary organs clean, thus avoiding serious kidney disease.—Advertisement.

YOU WOULD NOT KNOW THEY HAD EVER HAD CATARRH

Two People—One in Evansville and One in Richmond, Cured Long Ago, But Still Praise S. S. S. for What it Did for Them.

Mr. J. R. Bellan of 2122 Chaffin Street, Richmond, Virginia, was cured of Catarrh several years ago and wrote us recently: "You would not know I had ever had Catarrh at all now. I know there is no remedy like S. S. S."

Mr. Geo. D. Carr, of 209 Edgar Street, Evansville, Indiana, was likewise cured of Catarrh many years ago and he recently wrote us: "I am well and all right and feel just fine. Still take from one to two bottles of S. S. S. each Spring for the blood and I don't know anything better than S. S. S. I don't have any more pimples either. Am well and O. K. and still at work."

A host of other people have been cured by the same method, purifying and strengthening their blood with S. S. S., and thereby enabling the blood to drive out the Catarrh germs. Catarrh is a blood disease, and to get rid of it permanently you have got to strengthen and purify your blood.

The reason for Catarrh is here. Look out for colds. Don't take any chances with bad air. Stay in the open air as much as possible. Sleep in the open, and keep your system up to par by taking S. S. S. Don't take chances with Catarrh. It is dangerous.

What many people believe to be the disease Catarrh, is really only a symptom. The most common symptom of this disease in the system is an inflamed and tender condition of the breathing passages and the blocking of the nasal and nostrils with mucous. But this is only the symptom—the cause is deeper. The cause is in the blood, and to permanently rid yourself of the disease take S. S. S. and purify your blood.

S. S. S. is a scientific blending of the extracts of certain native roots and herbs which act directly on the blood. Its action is to cleanse and purify and strengthen the blood corpuscles so they fight off disease. S. S. S. contains no mineral ingredients and besides being the best blood purifier and builder is a wonderful tonic. Write for our specially prepared booklet on Catarrh. Also write us for Medical advice. It is free. Address: Medical Department, 11 Swift Building, Swift Specific Company, Atlanta, Georgia.

ACHING TEETH RELIEVED AT HOME

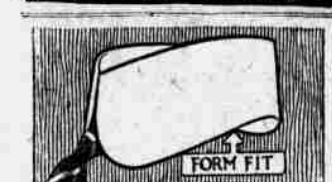

Sloan's Liniment Robs Toothache of Its Torments. Pain Vanishes in a Few Minutes.

No need to pace the floor all night with the agony of a throbbing tooth. Sloan's Liniment will quickly relieve the pain and give you rest.

A single application and the pain usually disappears. Sloan's Liniment gets right to the root of the trouble. Like a warming balm, it relieves congestion, and in a few minutes toothache is reduced.

To soothe the throb of a tooth that pains with neuralgia, apply Sloan's Liniment externally. Aching muscles, rheumatism, gout, bruises, sprains, lumbago, chilblains, sprains and stiff neck can also be most effectively treated with Sloan's Liniment. Cleaner than mussy plasters or poultices.

Sloan's Liniment at all drug stores in 25c, 50c and \$1.00 bottles.

LAWMAKERS STILL TALK ABOUT SAFETY

Cost of Holding Sessions in City Auditorium at Lincoln Discussed.

WOULD CHARGE RENTAL

(From a Staff Correspondent.) Lincoln, Nov. 27.—(Special.)—The controversy over holding the next session of the lower branch of the Nebraska legislature in the city auditorium is still unsettled.

The cost of such a move has not been entered into, and because of extensive changes which will have to be made in the auditorium if the house meets there, little is known of a definite nature. It had been intimated that the Commercial club, which controls the auditorium, might donate the use of it to the state, but to The Bee this morning Secretary Whitten said that was a mistake. "We will have to go to a great deal of expense to make the building habitable for a session of that kind, and while I have no authority to speak for the club," said the secretary, "I am sure that a rental would have to be paid."

The building now rents by the week at something like \$250 and if the legislature holds as long as it generally does, with the time required to get the furniture in place and get it out again, it is likely to cost the state several thousand dollars in rental.

In addition to this, the building has already been rented for several entertainments for the coming winter and the parties holding contracts might not want to vacate.

It is thought, however, that as soon as the "safety first" plans have been perfected for holding up the walls of the east wing and the members observe how securely these plans will retain the walls, that they will be willing to take a chance on the old hall rather than move to the auditorium, where there will be more or less inconvenience and much waste of time, with the senate six blocks away.

Burial of John Mallalieu Takes Place at Kearney

Kearney, Neb., Nov. 27.—(Special Telegram.)—With a large number of his old friends in attendance, the body of John T. Mallalieu, former superintendent of the industrial school of this city and for years a well-known republican politician in Nebraska, was laid to rest this morning in the Kearney cemetery.

The body, accompanied by Mrs. Mallalieu, arrived in the city during the morning. No services were held except those at the grave, which were in charge of the Masons, led by Dr. C. E. Fox and assisted by Rev. George G. Ware. Miss Bess Mallalieu of Lincoln and Mrs. Mayme Mallalieu Capps of Cheyenne, daughters of Mr. Mallalieu, were both present at the services.

A number of prominent Kearney men, old friends of Mr. Mallalieu, were pallbearers. They were: C. B. Finch, John Wilson, J. D. Hawthorne, F. L. Whedon, T. N. Hartzell and N. P. McDonald.

Secretary Pool Returns From Funeral of Brother

(From a Staff Correspondent.) Lincoln, Nov. 27.—(Special.)—Secretary of State C. W. Pool returned to Lincoln this morning after attending the funeral of his elder brother, J. R. Pool, who died in Oklahoma City last Friday.

With his brother, W. S. Pool of Omaha, the secretary of state left here Friday night for the bedside, but did not discover that the brother had died before he left Lincoln, because of the failure of the conductor on the train leaving Lincoln to deliver the message announcing the death.

The burial was at Pawnee City in the family lot. He leaves a widow and son, who will graduate from the high school at Oklahoma City this year.

Thomas Has Been Invited To High School Dedication

(From a Staff Correspondent.) Lincoln, Nov. 27.—(Special.)—State Superintendent Thomas has been invited to attend the dedication of a new rural high school about six miles out in the country from Blair, next Monday.

The building is modern, costing \$6,000, and will employ three teachers when completed. Washington county has taken a lead in the development of high school rural education and this will be the ninth school of its kind in the county.

Fairbury Practicing For Hastings Game

Fairbury, Neb., Nov. 27.—(Special.)—The Fairbury high school football warriors are practicing daily at the city park grounds in preparation for the big battle with the Hastings High school eleven at this place Thanksgiving day. The final act of the big gridiron show will be staged here Thursday and the city schools have engaged the Fairbury band to be on hand to furnish music and cheer the local players on to victory.

Revival at Fairbury

Fairbury, Neb., Nov. 27.—(Special.)—Hart and Megann, evangelists, are holding daily services in a tabernacle. The four Protestant churches of Fairbury, including the Presbyterian, Methodist, Baptist, and Christian, have charge of the services, and it is the intention to secure several hundred converts to each denomination. A large choir of several hundred singers furnishes music.

During the last evangelistic services, conducted in April, 1915, by Rev. Oscar Lowry, nearly 600 converts were secured in Fairbury. The meetings held by Hart and Megann are similar to those of Rev. Mr. Lowry.

Farmers Are Fined Nominal Sums for Taking Rail Coal

Sidney, Neb., Nov. 27.—(Special Telegram.)—Ralph L. North, special agent of the Union Pacific Railroad company, filed a complaint against Henry Kurth, Theodore Potter, Ray J. Johnson and Wood Robinson, all of Lodgepole, on a charge of stealing coal last Saturday. The defendants all pleaded guilty, and Judge Chambers fined them \$1 and costs each. The town of Lodgepole has been in the same position as Sidney regarding the coal famine, and many cases of distress have been reported to the authorities. People are willing to pay for this commodity and have tendered the railroad agent money, but he is powerless. The severity of the winter in this section created an unusual demand and the dealers only had about a half supply.

The arrest of these farmers caused great excitement at Lodgepole and loud talk was indulged in by the citizens and country people.

Man Who Walked 100 Miles to Pay Bet Given Party

Silver Creek, Neb., Nov. 27.—(Special.)—The Knights of Pythias hall here was the scene of much merriment last night when a number of friends gave a stag party and reception to J. W. Jackman to celebrate his 100-mile walk to Omaha as the result of an election wager on Hughes. The affair was a surprise and several surprises were sprung during the evening, chief among which was the presentation by the toastmaster of a china loving cup to Mr. Jackman. It bore the inscriptions: "To Jack," a "I voted for Hughes, 1916." Several impromptu speeches were made and music by a male quartet from Columbus and vocal selections by B. F. Lacey of Silver Creek helped to make the affair the success that it was. Over fifty were present, including several from Columbus.

Wheat in Johnson County Looks Well

Tecumseh, Neb., Nov. 27.—(Special.)—Winter wheat in Johnson county is in splendid condition. The recent rains and snow have been very beneficial. With wheat selling at \$1.75 on the Tecumseh markets the farmers who have good-sized acreages for next season are wondering "what will the harvest be."

Peter Bunz, Bennington Pioneer Banker, Is Dead

Bennington, Neb., Nov. 27.—(Special.)—Peter Bunz, one of the most prominent residents and a pioneer of this community, died at his home here early Sunday morning. He was born in Holstein, Germany, in 1841; came to America in 1864, living at Colorado for four years, then settling on a farm here; the town now occupies a portion of that farm. Mrs. Bunz died about ten years ago and the surviving relatives are a brother, four sons, Gus, chairman of the town board; Charles, Henry and Peter Bunz, jr.; two daughters, Mrs. W. F. Sieverkrubbe and Miss Amelia Bunz.

Mr. Bunz was a large land owner and president of the Bennington State bank. The funeral will be held from his late home on Tuesday afternoon, with interment in Flower Hill cemetery.

Woman Given Judgment Against Saloon Men

Madison, Neb., Nov. 27.—(Special.)—The jury in the case of Mrs. Willey against the National Surety company, et al, to recover \$60,000 damages for contributing to the death of plaintiff's husband, after being out all night, brought in a verdict of \$6,000 for the plaintiff against all the defendants except Benning of Norfolk.

Like Clock-Work!

(By N. B. Cook, M. D.)

The machinery of the body needs to be oiled, kept in good condition just as the automobile or bicycle. Why should the human neglect his own machinery more than that of his horse or his engine? Yet most people do neglect themselves. Their tongue has a dark brown color, skin sallow, breath bad, yet they fail to see that their machinery needs attention. Everybody should take a mild laxative at least once a week. A pleasant way to clear the tongue and the highly colored water noticed in the morning is to take a laxative which will cure the inactive liver and biliousness.

A pleasant vegetable pill is made up of May-apple, leaves of aloe, and jalap, made into a tiny pellet and coated with sugar. First put up by Dr. Pierce nearly 50 years ago. Druggists sell these vegetable pellets in vials simply ask for Dr. Pierce's Pleasant Pellets.

If backache, scalding urine or frequent urination bother or distress you, or if uric acid in the blood has caused rheumatism, gout or sciatica, if you suspect that you have kidney or bladder trouble, write Dr. Pierce, at Invalids' Hotel, Buffalo, N. Y., send a sample of urine, and describe symptoms. A physician and chemist will examine it without charge and you will be under no obligation whatever. Dr. Pierce's Anuric tablets cannot fail to help you, because their action flushes the kidneys of impurities and puts strength into them. Obtain a 50-cent box of these tablets today from your druggist here in town. From personal observation in a large hospital practice, Anuric will give you speedy relief.—Adv.

The Boy Scout Encampment On This Third Floor

IS attracting great attention. Scores of parents have interviewed the scout master and assistant scout master who are here with a picked number of Boy Scouts, to find out just how their boys may enter this wonderful organization.

In this third floor exhibition, the boys demonstrate:

- How to make a camp.
- How to care for the wounded.
- How to bandage.
- How to make a stretcher.
- How to defend himself.
- How to tie knots.

How to do a hundred and one things which every healthy boy longs to do, but has failed to do heretofore because of lack of training.

The exhibition will continue here until Thanksgiving Eve—Wednesday night—and picked scouts will demonstrate during that time.

In the 16th Street Window, all day Monday, the Scouts will show the various phases of their craft to the passing throng—and by the way, hundreds stopped to see it on Saturday.

We realize that in doing our part in this movement, we are fostering one of the best organizations for boys in the world today.
