Murphy, Dahlman's Nemesis, Goes Out After More Scalps

James B. Murphy, erstwhile boilermaker and representative of a clique of taxpayers who object to Mayor Dahlman's alleged "joy rides" in city-owned automobiles, is out after the city commissioners' scalps now. Through the office of the sheriff of Douglas county Murphy has served a formal demand on City Attorney Rine that he (Rine) sue the city fathers and their bondsmen for \$13, 800, alleged misappropriation of pub-lic funds for the purchase and up-keep of Mayor Dahlman's motorears since 1912. Murphy wants the city dads to make good the money which, he charges, has been "wantonly wasted" on the mayor's automobile. Murphy filed a petition with the clerk of the court several days ago in which he sought to enjoin the city Dahlman's alleged "joy rides" in city which he sought to enjoin the city commissioners, city comptroller and Mayor Dahlman from further "cooperation" in carrying out his mayor-ship's automobile program.

Dr. J. P. Lord Buys Blocks in Bellevue

Dr. J. P. Lord has just purchased ight blocks of the "inglesby tract" at Bellevue of George G. Wallace of Omaha. This tract comprises some

Omaha. This tract comprises some of the finest sites in the village of Bellevue and some of the most at-tractive views to be found along the Missouri river. It is likely that Dr. Lord will de-velop a part of this and sell the rest. The demand for solid blocks or half blocks of ground in Bellevue is said to be steadily increasing, and a num-ber of new homes have been built during the last year. Particularly is this true in the southwest portion of the village, nearest Fort Crook. Sev-eral retired farmers have recently lo-cated in Bellevue and are building homes. They will educate their chil-dren at the college there.

GERARD TAKES NEW PROTEST TO BERLIN

U. S. Takes Further Informal Action on Wholesale Deportation of Belgians.

MEETING AT NEW YORK

Washington, Dec. 2 .- New repre sentations on the deportation of Belgian civilians, which have been made by the United States to Germany recently, will be emphasized personally on German officials by Ambassador Gerard when he returns to his post, for which he sails next Tuesday. He will convey the individual attitude of President Wilson and tell of the bad impression created among the American people by recent treatment of the Belgians.

The protest, based on broad grounds of humanity, was hurried along partly because of fear that Ger-many's policy in Belgium would in-terrupt American relief work there.

Ask Wilson for Facts.

The following telegram signed by those at the meeting was sent to President Wilson:

President Wilson: "There are many of our citizens who wish to do their part toward an expression of public opinion regard-ing the deportation of Belgians into Germany and France, which as now reported appears to be in violation of law and humanity. We should be glad to have all the information possible, so as to be sure of the facts before taking public action. "May we have such information as
