Vexed Saloonists Turn **Tables On Questioners**

Omaha saloon keepers, apparently fatigued by being asked the same question hundreds of times each day, question numeros of times card ay, are displaying cards in prominent places on their back bars, which read: "Don't ask us what we're going to do after May 1, 1917. What are you going to do?"

14 Common Stock ... 10 par value.... 1,200,000 1,000,000 44

NO MORTGAGE OR REFUND INDEBTEDNESSS OUTSTANDING

One share of Preferred Stock may be exchanged for ten shares of Common Stock after June 30, 1917, and prior to January 1, 1920. A sinking fund of 5% per annum will retire the Preferred Stock at 120 per share or better, beginning January 1st, 1920

From a letter of Mr. A. D. Smith, Prezident of the Company, and from data contained in the audit of M. & L. W. Scudder and Touche, Niven & Co., and appraisal by Coats & Burchard Co., we summarize as follows:

The Company manufactures a truck unit which sells for \$350, and which converts Ford, Dodge, Maxwell and similar cars into one-ton trucks. There are now over 9,000 of these trucks in actual use. Among the prominent users may be mentioned:

Armour & Co.	U. S. Mail Service	Cocoa Cola Co.	
Butler Bros.	Schlitz Brewing Co.	The Texas Co.	
Standard Oil Co.	Pittsburgh Plate Glass Co.	Pabst Brewing Co.	
Fleischmann Yeast Co.	Firestone Tire & Rubber Co.	Militia of Various States.	
Montgomery, Ward & Co.	Sheffield Farms-Slwason-Decker Co.	Singer Sewing Machine Co.	

The Smith Form-A-Truck is the accepted motor truck for practically every line of business using trucks of one-ton capacity, low initial and proven low maintenance cost being its important features.

Current net earnings are now running at the rate of approximately \$940,000 per annum, or over 8 times Preferred Stock dividend. Net earnings for 1917 estimated at about \$3,000,000

Based on orders in hand, production for 1917 should exceed 30,000 truck units. The material for 15,000 has already been purchased, and the company is well protected for the remaining material necessary for a total production of 30,000 in 1917.

The Company will have no bonded indebtedness, nor can any be issued without the consent of three-fourths of the holders of the Preferred Stock.

Application will be made in due course to list the Preferred and Common Stock on the New York Stock Exchange.

All legal matters in connection with the incorporation of the Company, and the issuance of its securities, are under the supervision of Cravath & Henderson, New York, and O'Brien, Board-man, Harper & Fox, New York.

TERMS OF SUBSCRIPTION
