In the Wonderful Land of Toys Where Santa Claus Reigns Supreme Down Stairs Store

H ERE are toys that instruct and toys that amuse only, toys that "go." trains, boats, automobiles and all the rest—toys that fly and swim and run—toys that dance and perform all sorts of acrobatic stunts, toys for children to "play house" with, for them to "play store" with, for them to be anything they wish to be in a little miniature world all their own.

Eight Big Tov Demonstrations Saturday Typewriters

Meccano

A toy for children to give them fun and to interest them in the fascinating wonders

Is something more than a toy; it in reality is miniature engineering for boys. Prices \$1.00 to \$20.00. Erector

This is the sort of play the boy wants—it is the real thing in real fun. Price \$1.00 to \$37.50. Electric Ranges About as big as a toy piano, with oven large enough to roast a squab, complete with cooking utensils ready for attachment to electric light socket. Price, \$8.00.

The simplex, will teach children to think, write and to

Grand auto race, 4 small autos, spinning top, race track with stops and starts, break downs and blow-outs, 50c.

spell correctly, 50c to \$4.00.

Tintograph

The lightning color artist paints pictures in natural colors, without effort, 25c to \$1.00.

Art-Toy The most wonderful picture toy of the age, develops the child's skill while playing, instructive, novel, amusing. Price, 10c to 50c.
