SAFETY FIRST

The man who coined the slogan, "SAFETY FIRST" was a genius, so was the late H. M. FLAGLER, pioneer of the FLORIDA EAST COAST RAILROAD. After the terrible freeze in Florida in 1895 he sent his associate, MR. J. E. INGRAHAM, on a tour south from ST. AUGUSTINE to find, if possible, a part of FLORIDA unaffected by the freeze, as the rest of the state was then as barren as Vermont in February. Mr. Ingraham found PALM BEACH COUNTY green, luxuriant and beautiful. Citrus trees were not injured, even the fruit was uninjured. Since that time FLAGLER and his associates have poured millions into the "SAFETY FIRST" county of FLORIDA. Be a wise old owl and follow SUCCESS for SAFETY.

Mr. Farmer, While You Are In Omaha Call and See Us— It Will Profit You.

Your success will be in our lands. Twenty acres of our best Truck and Citrus Fruit lands will produce more net profit than 200 acres here in the north. "FIGURE COST", 200 acres, \$40,000; 20 acres of the best Muck Land we own, \$3,000, on easy terms. Fewer farm implements to buy, 365 growing days each year. Finest climate on the American continent. Why rent farms? If you have a moderate capital you can be positively independent in a few years. Close to town, good roads, schools, churches, banks and packing houses. The thirteenth biennial report of the Department of agriculture states that the highest production in Florida is from Palm Beach County lands.
