CITY DADS ALLOW ENGLISH TO QUIT

Accept Resignation of the Superintendent of Recreation Because of No Funds.

HOT FIGHTS SCHEDULED

The city council, by a vote of six to one, accepted the resignation of Superintendent English of the Recreation board, after a spirited discussion over the prospective "budget crisis." Commissioner Butler, originally against the establishment of the recreation department, voted against taking snap judgment on the resignation, believing that when the council shall sit as a board a way might be found to allow the recreation fund an increase over the 1916 appropriation of \$20,000.

Not Forced Out

Addressing the commissioners, Mr. English said: "The understanding being general that the council will have to retrench on some of the funds for 1917, and that the recreation fund would not be increased, I have resigned in the best of spirit and with a feeling that I could not continue the work with justice to myself and the city without sufficient funds to extend the work already started."

May Abolish Board

Acceptance of the resignation of Mr. English carries with it the probability that the city council will repeal the ordinance creating the recreation board and superintendent of recreation, with the result that Commissioner Hummel, as superintendent of parks, will be left to maintain such recreation activities as his funds will permit. Mr. Hummel made no defense for an increase of the recreation fund. Mr. English explained that if the budget board should find a way to increase the recreation fund he would be glad to remain as superintendent. The gist of sentiment among the commissioners, however, did not spell a bright future for the public recreation department which was established a year and a half ago when Mr. English was engaged.

To Be No Increase

Mayor Dahlman and Commissioner Kugel said they did not believe the fund would be increased. "I don't propose to stand for any cut in my fund," said Commissioner Parks.

Council Dumbly Accepts Resignation of Dr. Clark

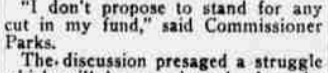

The city council without comment accepted the resignation of Dr. Zoro D. Clark as member of the recreation board.
