# Burgess-Nash Announce for Tuesday a Rousing

# Round-Up Sale

## Closing Our Most Successful Year

Probably the most remarkable clearaway that we have ever had!

If we operated merely on present market conditions, we would probably not hold our usual "Round-up" or clearaway this year—for "bargain goods" are "scarce as hen's teeth."

Almost every kind of merchandise in our store is worth more than its present market price; and when present stocks are sold out we will have to pay more for the same goods—often for goods that are not equal in quality.

Every newspaper tells you the story of rapidly advancing prices. But we are merchants—not speculators! We are not here to make the most dollars possible out of our customers this year. We are here to GIVE THE BEST POSSIBLE SERVICE TO OUR CUSTOMERS. This year and every year—for a whole lifetime we hope.

We are, therefore, going to clean up our stocks and take our chances on the future—no matter what we have to pay when we go into the market again, because we don't count anything a loss when it becomes our customers' gain.

Never has there been a time since we have been in business that it was so definitely to our customers' advantage, to lay in full supplies of all goods likely to be needed—while the opportunity is here.
