

Nebraska OPPOSITION LOOMS AGAINST JACKSON

Ollis and Trumble Most Active
in Lists for Speaker of
House.

PHIL KOHL IN THE SENATE

(From a Staff Correspondent.)
Lincoln, Dec. 28.—(Special).—Although members of the state legislature have been slow in coming in, due doubtless to the fact that so far there has been little interest taken in organizing both branches, because of lack of candidates, it begins to look today as if there might be a session after all.

Among the few here at noon today were Representatives Greenwalt and Taylor of Custer, Reiser of Thomas, Ollis of Valley, Howard of Douglas, Trumble of Sherman and Senators Beal of Custer and Bushee of Kimball.

On the speakership there appears to be much uncertainty. While former Speaker George Jackson has many friends among the old members, it is understood a feeling exists among some that the honor should be passed around.

Ollis of Valle, a former member of the lower body and twice of the upper chamber, will accept the office if it is thrust upon him, although he admits that the thrust may not have to be very hard, a mere touch being sufficient. "I am not just now an active candidate for the place," said Ollis to The Bee this noon, "but if the members feel that I am the man I shall not undertake to thwart them in the matter."

Trumble in Lead.
Representative Trumble of Sherman county looks like the most formidable candidate against the former speaker. It is understood that the Douglas county delegation will be for Mr. Trumble or at least most of them and if so he will go into the fight with a strong backing. Trumble has a reputation for saying exactly what he means and for that reason even his opponents for the position are willing to admit he will find plenty of support.

Another candidate for the speakership is John H. Reifnerath of Crofton. It is understood that he is an active candidate for the place and has written letters to the members asking support.
For the chief clerkship the situation remains unchanged. George W. Potts, who was chief clerk at the last session, is a candidate and has a host of friends, while J. W. Jones of Lincoln has many times qualified in the "noblest Roman of them all" class. Either man will make a good chief clerk.

Kohl is Willing.
In the senate the scramble is very, very dignified. Former President Pro Tem Phil Kohl will take the honor for another term if his brother democratic senators so will, while Beal of Custer, who arrived the first of the week, feels a sort of "hankering" to sit up in the big chair when Lieutenant Governor Edgar Howard is not holding down the job. Rumors that Senator Ed Howell of Douglas will contest for the place are only just rumors, so far as anyone now on the ground is concerned.

The appearance of F. A. Reiser on the scene brings out the rumor that he will be a candidate for the position of floor leader for the minority party in the house. Mr. Reiser admits that he would like the place and believes that the short-grass country is entitled to a little honor along this line. Mr. Reiser is a debater from the ground up. He has been a preacher and an evangelist, although not a "has-been." He still retains the fire of oratory which brought sinners to repentance and it is possible that if made floor leader for the republican minority he will be able to bring the democratic majority to the political altar in a repentant condition.

There appears to be no opposition so far to E. A. Wairath for secretary of the senate.

Nebraska Florists Are Called To Meeting Held at Lincoln

Lincoln, Dec. 28.—(Special).—Nebraska florists meet in Lincoln January 16 for a one-day session in connection with the week of Organized Agriculture, January 15 to 19. The program follows:
Opening address by president, Ed Williams, Grand Island; secretary's report, Lewis Henderson, Omaha; "Flower Culture, East and West," J. H. Hess, Omaha; "Roses," C. H. Green, Fremont; "Carnations, Especially Nebraska," C. H. Frey, Lincoln; "Competitions in the Florist Business," C. Tanner, Hastings.
The program is to be held in connection with the State Horticultural society meeting Tuesday afternoon. In the evening a banquet will be held in the Lindell hotel.

General Hall Looking For Places for Guard

(From a Staff Correspondent.)
Lincoln, Dec. 28.—(Special).—Adjutant General Hall has prepared a list of all members of the Fourth regiment, who will desire jobs when they are mustered out. There are ninety-two in the list and they give references as to their ability and character.
General Hall is anxious that the boys should be taken care of when they reach the state and urges many patriotic individuals, who desire men to get in touch with headquarters or with the state labor bureau and assist in putting the boys in positions.

Robert Harvey to Stay In Office of Surveyor

(From a Staff Correspondent.)
Lincoln, Dec. 28.—(Special).—Land Commissioner-elect G. L. Shumway has arrived from his home in Scotts Bluff and announces this morning that he will retain Robert Harvey in his office as state surveyor. Mr. Harvey has been state surveyor since 1902, and outside of Secretary Roysse of the banking board, is the senior official of the state at the present time. Mr. Roysse has been with the banking board one year longer than Mr. Harvey, going in in 1901.

OMAHA ROAD PUTS UP FIGHT ON STOP

Objects to Being Compelled to
Change Schedule at South
Sioux City.

TRAFFIC IS INTERSTATE

(From a Staff Correspondent.)
Lincoln, Dec. 28.—(Special).—A brief filed by the officials of the Minneapolis & Omaha railroad with the state railway commission, in the case involving the failure of trains to stop at South Sioux City, Neb., and Dakota City, to and from Sioux City, Ia., was received by the commission today and among other things sets out in emphatic language:
"A passenger traveling from a point in Nebraska to Sioux City, Ia., constitutes interstate commerce and is bound to pay the interstate rate for every portion of the journey, even though he buys a ticket to South Sioux City, Neb., and leaves the train at that point, finishing his journey by street car operated interstate."

Continuing further the road contends that the two Nebraska towns which are denied the service have four trains over that road from and to Sioux City, Ia., which do stop and that besides this there are trains over two lines of the Burlington and an hourly street car service to and from those towns to Sioux City, Ia., which is sufficient service for towns of their size.

It further contends that the trains in controversy are interstate trains carrying interstate mail, baggage and passengers and that in such connections they must cut these towns in order that passengers may be assured of proper connections with other trains and that this is the only way to make time without endangering the lives of passengers.

The brief of the complainants has not yet been received.

Division Commander Commends the Fourth

Lincoln, Dec. 28.—(Special).—That the Fourth Nebraska regiment made a record highly commendable is attested in a letter received by Adjutant Phil Hall from Colonel Eberly of that regiment, which reads in part:
"By the way the division commander, General Lewis, has written me to commend the work of the Fourth Nebraska. I had some matters of routine to discuss at division headquarters. During the conversation, General Lewis, our division commander, in the presence of Major Babcock, chief of staff, and myself have repeatedly discussed the remarkable progress made by your regiment since joining the command here. Its improvement has been greater than any other regiment here. Your performance of guard duty is certainly no question now but what the Fourth Nebraska is now one of the best regiments in the division." By his express permission I repeat this conversation to you for transmission to His Excellency, Governor Morehead.

Farmers' Associations Officers to Hold Meeting

Lincoln, Neb., Dec. 28.—(Special).—In response to a demand from officers and directors of county farmers' associations plans are being laid by the agricultural extension service of the University of Nebraska for the formation of an association of farm bureaus.
The purpose of the proposed association is to provide an organization which will enable those in charge of county agent work to get together to talk over common problems. A meeting of officers and directors will be held at the university farm, Lincoln, Friday, January 19. Following Herbert Quick's talk in explanation of the federal farm loan act they will gather for a box lunch and speaking program in agricultural hall. Later they will attend the farm loan conference at which Herbert Quick will give instructions to persons desiring to assist in the organization of national farm loan associations.

Pioneer of Fort Pierre Dies at Daughter's Home

Pierre, S. D., Dec. 28.—(Special Telegram).—George W. Matheson of Fort Pierre, one of the oldest residents of that place, died while visiting at the home of a daughter, in Faulkton, S. D. Matheson was the pioneer merchant at Fort Pierre, operating a store there years before the west river country was opened to settlement, and later engaging in stock business on the range.

Fire Chief's Auto Burns

Fairbury, Neb., Dec. 28.—(Special Telegram).—Ira James, chief of the Fairbury fire department, lost a large roadster automobile, which took fire near Powell last night and burned.

USE LAW TO PREVENT PAYING HAWKSHAW'S

Fairbury Men Go Into Court to
Stop Paying Men Who
Caught Gamblers.

OUTCOME OF CLEANUP

Fairbury, Neb., Dec. 28.—(Special Telegram).—Asserting that Mayor Elbert W. Mason exceeded his authority and recklessly and without cause, expended the city's money in employing two detectives from a Chicago agency, recently to catch twenty alleged gamblers in this city, has caused I. W. Law, a Fairbury barber, to file a suit against Fairbury and its mayor, enjoining the defendants from paying out \$200.
The injunction was served today by former Adjutant General John O. Hartigan and is signed by Messrs. L. W. Goodrich and Luther Bonham, Fairbury bankers. A month ago, Mayor Mason, acting on the advice of a law and order party here, employed a couple of detectives to clean up Fairbury. The city was to pay \$200 and the order party another \$200.
The detectives quietly worked among the gamblers in Fairbury and participated in their games. Finally, one morning several weeks ago, Sheriff Hughes and staff rounded up a crowd of rough fellows and took them into county court and they pleaded guilty. The object of the injunction now existing against Fairbury, it is alleged, is to prevent the detectives from securing their money.
The injunction will be tried at April term of district court.

To Have Smooth, White, Soft Skin All Winter

Does your skin chafe or roughen easily in this weather, or become unduly red or blotchy? Here a quick, easy way to overcome the trouble and stop your complexion beautifully white, smooth and soft the winter long. Just get an ounce of ordinary mercurochrome wax at the nearest drug store and use a little before retiring as you would cold cream. Upon arising follow the coating with sudsy water. The wax through some peculiar attribute, floes off the rough, discolored or blotchy skin. The worn-out cuticle comes off just like dandruff, only in almost invisible particles. Mercurochrome was simply bacteria-destroying and only the healthy, young-looking skin is in evidence. It's the best treatment known for winter chafe, redness, freckles, pimples and all unsightly conditions.
Some skins wrinkle easily in winter. There's an excellent remedy in a harmless wash lotion made by dissolving 1 oz. powdered ascotite in a half pint of water. This will quickly eradicate every line.—Adv.
