BURGESS-NASH STORE NEWS FOR SATURDAY.

Rounding Up Our Most Successful Year With a Series of Values that We Consider the Best of the Season's Offerings—BURGESS-NASH

Thank You Year 1916

—For the largest 12 months' business in the Store's history.

—For the Store's largest December day's volume of business.

—For being able to give December employment to over one thousand people.

—For a volume of business that showed the delivery of several thousand more packages than in December 1915.

—For the store's improved service, as mirrored by more than one heavy section closing the Christmas business without a complaint of non-delivery.

—For making such a fine "Bogey Score," as the golfers say, to stand as incentive for—Mr. 1917.

And we are delighted and marvel at the smoothness with which all was so well accomplished. The lack of friction was remarkable.

That our merchandising policy has been appreciated is shown by the public confidence placed in the reliability of this store—a confidence more deeply rooted today, if possible, than ever before.
