

Meat Cause of Kidney Trouble

Take a Glass of Salts if your Back Hurts or Bladder bothers—Meat forms uric acid.

If you must have your meat every day, eat it, but flush your kidneys with salts occasionally, says a noted authority who tells that meat forms uric acid which almost paralyzes the kidneys in their efforts to expel it from the blood. They become sluggish and weaken, then you suffer from a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sour, tongue is coated and when the weather is bad have rheumatic twinges. The urine gets cloudy, full of sediment, the channels often get sore and irritated, obliging you to seek relief two or three times during the night.

To neutralize these irritating acids, to cleanse the kidneys and flush out the body's urinous waste get four ounces of Jad Salts from any pharmacy here; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate sluggish kidneys, also to neutralize the acids in urine, so it no longer irritates, thus ending bladder weakness.

Jad Salts is inexpensive, cannot injure, and makes a delightful effervescent lithia-water drink.—Adv.

PIMPLY? WELL, DON'T BE!

People Notice It. Drive Them Off with Dr. Edwards' Olive Tablets

A pimply face will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have taken the tablets a few nights.

Cleanse the blood, the bowels and the liver with Dr. Edwards' Olive Tablets, the successful substitute for calomel—there's never any sickness or pain after taking them.

Dr. Edwards' Olive Tablets do that which calomel does, and just as effectively, but their action is gentle and safe instead of severe and irritating.

No one who takes Olive Tablets is ever cursed with "a dark brown taste," a bad breath, a dull, listless, "no good" feeling, constipation, torpid liver, bad disposition or pimply face.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil; you will know them by their olive color.

Dr. Edwards spent years among patients afflicted with liver and bowel complaints, and Olive Tablets are the immensely effective result.

Take one or two nightly for a week. See how much better you feel and look. 10c and 25c per box. All druggists.

INSURANCE RATES OF A. O. U. W. GO UP

Nebraska Delegates Convene in Omaha to Decide on Readjustment of Costs.

HITS VETERAN MEMBERS

Rates in the Ancient Order of United Workmen, one of the oldest of the fraternal insurance companies, are to be advanced. Representatives of the Nebraska grand lodge of the order are now in Omaha to make the advance and put it into effect. Some 600 of these delegates are in the city holding their session in the Hotel Fontenelle behind closed doors.

Before the Ancient Order of United Workmen grand lodge delegates solve the problem that has brought them together, the level plan of rates adopted not long ago by the National Fraternal congress will be in effect. The new rates will not hit the young fellows, very hard, but the men who joined the order years ago and have been paying assessments of \$1.50 to \$2 per month and have now reached the age of 65 years or thereabouts will be boosted to \$8 or so per month for the remainder of their lives, in the event they continue to participate in the insurance feature.

To see how this advance, or rather readjustment of rates, as it is called, is made, besides the Nebraska delegates there are present Joseph Oberfelder, Sidney, member of the grand finance committee; G. M. Graybill, grand lodge, Kansas; Ford Cooper Jackson, publisher of the Kansas Woodman, St. Louis; Wilbur J. Howell, grand recorder, Missouri; E. B. Evans, grand master, Iowa, and B. F. Carlson, grand overseer, Minnesota.

At 9 o'clock Wednesday morning the special session of the Nebraska grand lodge convened in the ballroom of the Hotel Fontenelle. It was called to order by Frank Anderson, Holdrege, grand master for Nebraska. The address of welcome was by Mayor Dahlman, followed by the response by the grand master. Then the grand lodge went into executive session.

During the morning session Jacob Oberfelder presented the rules governing the present session of the body and they were adopted unanimously.

Anderson Makes Plea. Grand Master Anderson delivered an exhaustive address, explaining the necessity of a readjustment of rates and giving the reasons for calling the present session.

While no vote was taken on the proposition looking to an advance or readjustment, it was apparent that members present were in perfect accord with the ideas advanced by the speaker. The afternoon session was given over almost entirely to a discussion of the proposed rates, what effect putting them into effect would have upon membership now and in the future. Every phase of the rate question was gone into and some slight changes were made in the by-laws governing subordinate lodges.

Another session of the grand lodge will be held Thursday, the desire being to complete the business in order that delegates may catch the afternoon trains home.

Midland Glass and Paint Salesmen Convene Here

Beginning Thursday thirty salesmen of the Midland Glass and Paint company are to be in Omaha for the annual meeting or convention of the sales force at the Hotel Fontenelle. The year's work will be reviewed and prospects and methods for the ensuing year will be taken up. Salesmen will be from all over the territory, extending as far as the Pacific coast, and factory representatives from the east will confer with the men who handle their lines of goods. A banquet is to be given for the men in the tea room of the Hotel Fontenelle Thursday evening, January 4.

Meyers Displays Cash and "Friend" Promptly Robs Him

Daniel Meyers of Great Falls, Mont., dislikes to have anyone tell him he is broke. Tuesday night he met a friend in a Third ward saloon who agreed to show him Omaha's points of interest. On the way to the Fontenelle they picked up another stranger, who suggested that the three match dollars for the supper.

Meyers lost \$10 at a dollar a throw. He balked at buying the supper. One of his new acquaintances called him a piker and said he didn't have \$10 to his name. Meyers flashed three tens. One of the slickers grabbed them and ran.

GOOD ROADS STAFF TO COME THIS WEEK

Offices Have Been Provided on the Second Floor of the County Court House.

GOOD QUARTERS PROVIDED

One of Omaha's recently-landed federal plums, the federal good roads headquarters for the Fifth district, will have offices on the second floor of the court house, according to an announcement made by the county commissioners following a special meeting. When the commissioners were notified several weeks ago that Omaha had a good chance to land the honor over Kansas City and other cities in the Fifth district, Washington was immediately advised that ample space would be provided in the county house. Three large offices will be converted into one large room for the use of the five government draftsmen who are expected to arrive in Omaha the latter part of this week or the first of next week to take up their duties. Richard S. Horton, public defender, will move his offices to the fourth floor, where a portion of the fourth jury room is to be remodeled. Robert Smith, clerk of the district court, will vacate his private office which has an entrance into the public defenders' quarters. The other federal good roads force is Mr. Horton's. The headquarters of the government road experts will be next to County Surveyor Adams' office so as to give the federal and county employees an opportunity to work together in the betterment of highways.

The activities of the free employment bureau, a federal, county and city enterprise which will have offices on the Harney street floor of the courthouse, are to get under way about January 15. Commissioner John Lynch has been advised. See Want Ads Produce Results.

Every job the federal farm loan bank in Omaha will create has a dozen applications waiting for it now. These applications have not yet been officially passed on to the federal farm loan board at Washington, but they are accumulating in the office of Commissioner Manley of the Commercial club and Manager Parrish of the bureau of publicity. No sooner had the announcement come that Omaha was chosen as one of the locations, than letters began to pour in. One man wants to be the appraiser of farm lands for the bank. He admits that he knows nothing about it, but he wants the job. Another man from a small town in the state recites that he is "honest, industrious and sober," and wants to be head janitor of the building. Every
