

### MAKES APPEAL FOR THE POLISH WOMEN

And Also the Children, Whose Death Rate Has Increased Sixty Per Cent.

#### OMAHAN HEADS WORK

An appeal for help for war-stricken Polish women and orphans is made by Miss Sophia Naisitz Naimska, a Polish woman on the faculty of Brownell Hall. Miss Naimska returned Wednesday from New York, where she went to confer with her cousin also a Miss Sophia Naimska, connected with the Damrosch institute there, with regard to organizing for Polish relief work.

The New York Miss Naimska has recently returned from a five month's investigational trip in Poland, a journey fraught with many perils and hardships. She took with her large relief funds, but found them wholly inadequate for the situation. Outside Warsaw she found children living and sleeping in barrels, their homes razed, and others who had no shelter but trenches originally dug to store potatoes in. At Gorlice a bombardment had torn up the cemetery, scattering tombstones and coffins broadcast. She was within sound of the firing line at Kovel and also visited Pzemyasl.

In traveling over the country between Warsaw and Lublin, occupied with Austrian troops, she found villages ruined, entire communities wiped out by typhus induced by starvation, and women and children badly wounded from bombardments. As a result of the destitution the death rate among Polish children has jumped 60 per cent, Miss Naimska reports, and epidemics are unchecked. The woman's league, the largest association of Poland, is struggling to keep homes intact among the poor. She brought to this country an appeal to American women signed by leading Polish women and was instrumental in founding an American branch of the league, headed by Mrs. Herbert Satterlee, 37 East Thirty-sixth street, New York.

While in New York the Omaha Miss Naimska was authorized to represent the Woman's League of Poland in the west. The board of guardians of this league has undertaken the following tasks:

1. To compile statistics of deserted children, orphans and those deprived of one parent.
2. To gather together Polish children who have been dispersed in foreign countries and are threatened with denationalization.
3. To form institutions to help at once by furnishing milk, clothes and fuel.
4. To establish homes for women who have children and also orphanages where the children will also be taught some trade to enable them afterward to earn a living.
5. To organize control over the guardian to whom the children are given.

#### Plymouth Church Shows Growth in All Branches

One hundred seventy-five members and supporters of Plymouth Congregational church sat down to a supper in the social rooms Thursday evening. The clerk, E. D. Hazard, reported accessions of twenty-six in 1916, making a membership of 288. Herbert L. Underwood, retiring treasurer, handled \$6,663 for building fund and current expenses; \$301 for benevolences, leaving a balance of \$295. The Woman's association of 120 members, working in six divisions, had a happy time while earning \$875. Most encouraging reports were offered for the Sunday school by Secretary Robert Allyn. The total attendance for the year was 8,510; a gain of 32 per cent over 1915, which also registered 41 per cent gain over 1914. The congregation gave the pastor a Christmas present of \$100 and voted an increase of \$160 in salary. Rev. Frederick W. Leavitt is in the fifth year of his pastorate. He is president of the Ministerial union and of the City mission board of trustees. For two years he was president of the Omaha Christian Endeavor union.

### Scraps o' Paper?

#### Engineer Wonders Will

##### Talk About Good Roads

James C. Wonders, federal engineer in charge of the good roads bureau here, will be the principal speaker Monday evening in the Paxton hotel, when the Omaha Technical club meets to banquet and listen.

He will tell of the need of good roads. K. C. Strickland of the American Bridge company's engineering corps will give an illustrated talk on the moving of the old and new Union Pacific bridges.

Nonmembers of the club are invited to hear the speakers. The banquet starts at 6:30 o'clock. The speeches begin about 8.

### BURNED BABY LIVES, BUT MOTHER DIES

Mrs. Richard Leroy Loses Long Fight Against Death After Oil Explosion.

#### LITTLE SON STILL SURVIVES

Mrs. Marion Leroy, wife of Richard Leroy, 1940 South Seventeenth street, lost a valiant fight against death early Friday morning when she succumbed at St. Joseph hospital to burns she suffered December 31 in a coal oil explosion and fire at her home. Her 20-month-old son, also severely burned in the fire, and her husband survive her.

Mrs. Leroy, who was 33 years of age, suffered the burns when she attempted to replenish a fire with coal-

oil. The can exploded and sprayed the contents over herself and the baby, setting fire to the clothes of both. Her husband, in another room of the house at the time, made desperate attempts to save them from injury, but did not succeed in extinguishing the flames until both had been badly burned. They were removed to St. Joseph hospital the next day.

#### Wheat Prices Up a Couple of Cents, Due to War Notes

The advance of 1 to 2 cents a bushel on wheat on the Omaha market was attributed solely to the European war situation and the remote chances for peace in the near future. The sales were made at \$1.88 1/2 to \$1.91 per bushel. Receipts were ninety-three carloads.

Corn was dull sale and down 1/4 cent, selling at 91 1/2 @ 91 3/4 cents, with receipts fairly heavy at 139 carloads. Oats were off 1/2 @ 3/4 cent, selling at 52 @ 53 1/2 cents per bushel, with twelve carloads offered.

### Relieves Serious Case of Chronic Constipation

Dr. Caldwell's Syrup Pepsin Corrects Condition That Seemed Hopeless

After suffering from chronic constipation until she was so run down she was unable to do any kind of work, Miss H. A. Frees, 209 Adams St., Dayton, Ohio, obtained a bottle of Dr. Caldwell's Syrup Pepsin and used it with such gratifying results that she continued the treatment and has written to Dr. Caldwell that her condition is again normal, and that she wants to recommend Syrup Pepsin to everyone who suffers with constipation.

Dr. Caldwell's Syrup Pepsin is a combination of simple laxative herbs with pepsin, gentle in its action and free from griping or other pain or discomfort. It contains no opiate or narcotic drug, and, while acting readily on the most stubborn case of inactive bowels, is absolutely safe for the tiniest babe, so that it is the ideal family laxative and should be kept on hand in every household for use when needed.

Dr. Caldwell's Syrup Pepsin costs only fifty cents a bottle and is sold in drug stores everywhere. To avoid

imitations and ineffective substitutes be sure you get Dr. Caldwell's Syrup Pepsin. See that a facsimile of Dr. Caldwell's signature and his portrait appear on the yellow carton in which the bottle is packed. A trial bottle, free of charge, can be obtained by writing to Dr. W. B. Caldwell, 455 Washington St., Monticello, Illinois.
