

Nebraska SHERIDAN COUNTY BOOSTERS IN SENATE

Pay Visit to Upper House and Their Speakers Are Gladly Heard.

CRAWFORD MAN SPEAKS
(From a Staff Correspondent.)
Lincoln, Neb., Jan. 17.—(Special.)—Headed by the Gordon concert band, the Sheridan county boosters, 200 strong, in Lincoln attending the meetings of organized agriculture, marched to the state house this afternoon and after serenading the executive officials visited the senate and were given full swing without the inconvenience of an executive session.

Senator Adams, representing the district from which the boosters came, was asked to escort the speakers to the desk of the secretary.
Rev. Walter C. Rindin of Crawford, president of the Associated Commercial Clubs of Western Nebraska, was the first speaker. He talked of the wealth and future of his territory.
Rev. Mr. Vahlia was the second speaker. He spoke particularly of the wealth and prosperity of Sheridan county. He said that the visitors from Sheridan county were much disappointed to discern the condition of the state house and every one of them hoped that a new one would be built and if the state did not have the money, Sheridan county would let it have all it wanted Sunday afternoon.

Notes from Beatrice

And Gage County
Beatrice, Neb., Jan. 17.—(Special.)—Bert Wills, who was seriously injured in an auto accident southeast of Beatrice Monday afternoon in which Walter Carpenter was killed, was reported slightly improved last evening, and it is now thought he will recover.
Announcement was received here yesterday of the marriage of Enid May Jackson Fulton, actress, widow of the late Enid M. Fulton of this city, to Warren O'Hara, which occurred last week at Brockton, Mass.

The annual meeting of the Farmers' Elevator company of Holmesville was held Monday afternoon. The following officers were elected: President, J. W. Gish; vice president, J. H. McPherson; secretary-manager, George Hunkle; treasurer, J. B. Reiff. There are 110 stockholders in the company, which purchased 144,000 bushels of grain during the last year. The net earnings of the company during that period was \$3,496.
Roy Wilhelm Wilson and Miss Deborah Mason, both of Blue Springs, were married at that place last evening.

Company H of Madison

Given Warm Reception
Madison, Neb., Jan. 17.—(Special.)—Blowing of whistles and the ringing of bells yesterday morning was the beginning of a welcome to Company H, returning from the south, which was consummated in the evening by a public reception and banquet given by the citizens of Madison and community. Judge W. V. Allen delivered the principal address, which was responded to by Captain Hobbs on behalf of the company.

Soldiers' Home Notes.

Grand Island, Jan. 17.—(Special.)—Rev. Mr. Dungan of the Congregational church of Grand Island occupied the pulpit at the home chapel on last Sunday afternoon.
The application of Dr. J. E. Leahy for appointment as first surgeon and physician at the Soldiers' home at Burkett was approved by the state board of commissioners on Saturday. He is young and has been here but a short time, but he has made a large number of warm friends who delight in his promotion.
The students of the Grand Island college gave an hour's entertainment of music Monday evening at the home chapel.
Mrs. Mattie Rhodes, who has been quite ill, is resting nicely and her condition is encouraging.
It is rumored that the farm superintendent will soon make a visit to his old home, that of Humboldt, Neb., and also that Donald Smith, the Grand Army Republic post commander, will visit the camp building at Lincoln today on special business.
Mrs. Maxwell, the matron at the West hospital, was confined to her room today and probably will be for some time. She is having trouble with a gathering in one of her ears.

Obituary Notices.

WILLIAM KAUP, a prominent and wealthy farmer of West Point died suddenly late Tuesday night from heart disease. Mr. Kaup was 45 years old and member of one of the oldest families in the county. He had been to town in the afternoon, returning home at dusk and on stepping onto the porch of his house, he stumbled and fell, becoming unconscious immediately. A physician was summoned but pronounced the attack a trifling one. In the course of a few hours, however, his family found him dead. He leaves a small family of young children and his widow. He was a brother of former County Clerk Joseph F. Kaup. The funeral will be held Friday under Catholic auspices.
MR. Z. T. BROWN of Plattsmouth, Neb., died at his home there Tuesday evening of pneumonia, aged 33 years. Mr. Brown died about a year ago from lead poisoning, which he contracted as a painter. There are remaining two daughters and one son living at Plattsmouth, one daughter, Mrs. Louis Trimpe of Omaha and one son, Clarence Brown of Topeka, Kan. The funeral took place from the home Wednesday afternoon.
MISS SUSAN E. WESCOTT of Grant precinct, Red Willow county, died at the home of her niece, Mrs. Joshua Rowland, at McCook, Monday. She was for twenty-four years a resident of that precinct and was in her seventy-ninth year. Interment was made in Longview cemetery, McCook, Wednesday afternoon.
WILLIAM P. BURNS, a veteran of the civil war, died at McCook Tuesday afternoon of heart trouble. Mr. Burns was one of the early settlers of western Red Willow county. He is survived by a wife and one daughter.
MISS ELLA EMBERY LUBBS, author, well known in the east and California, where she resided at different times, died at her home at Birmingham, N. Y., Tuesday night.

BANK PROMOTER JARRED BY BILL

Murty of Cass Introduces Measure Intended to Have This Effect.

GUARANTY ONLY LIMITED

(From a Staff Correspondent.)
Lincoln, Jan. 17.—(Special.)—Murty of Cass has introduced a bill in the lower house which is intended to surround the state guaranty banking law with greater safeguards. The bill, according to Mr. Murty, will take the guaranty law out of the realm of politics and place it on a permanent business basis. He insists that the present law is only a limited guaranty, yet many banks are allowed to represent that it is an absolute guaranty.
The bill is aimed principally at the banking promoter and would prevent such a man from representing, when starting a banking corporation that all other state banks are going his security. He opposes the idea of allowing the State Banking board, which he insists is usually under the influence of one man, to assume the right to say who shall go into the banking business.

New Council Knights

Of Columbus at Sidney

Sidney, Neb., Jan. 17.—(Special.)—A council of the Knights of Columbus was instituted here Sunday under the direction of State Deputy George F. Corcoran, assisted by District Deputy Charles J. Pass. Before the commencement of the work the knights marched in a body to St. Patrick's church to attend the 10 o'clock mass. In the evening a banquet was given the visiting knights, numbering 175, in the dining room of St. Patrick's school. The new class consisted of fifty members and Sidney council starts on its knightly journey under the most favorable conditions.
Rt. Rev. James A. Duffy of Kearney, bishop of the diocese, responded to the toast, "Some Ideals of the Knights of Columbus," and the eloquent and logical talk of the learned bishop left a most profound impression with his audience.
State Deputy George F. Corcoran of York closed the evening's entertainment with a response to the toast, "Good Citizenship," and as he arose to respond he was greeted by the knights, standing, with round after round of applause.

New Potash Company

Organized at Alliance

Alliance, Neb., Jan. 17.—(Special.)—The potash industry of Nebraska has received added impetus by the official announcement that a corporation has been formed to operate another plant in the vicinity of Alliance. This concern begins with a paid-up capital of \$100,000, all of which has been subscribed and paid in. It is understood that the stockholders are all Nebraska men, some of them being local capitalists in Alliance.
The firm has already obtained extensive leases on lakes in this vicinity and is assured in advance of an almost exhaustless supply of potash solution. The location of the plant will be seven miles from Alliance on the Burlington railway.
The company is already placing orders for machinery and has its plans prepared for the building, on which active work is expected to begin early in the spring. It is anticipated that the plant will be in operation by July 1.

Grand Island Brewery

Will Make Near Beer

Grand Island, Neb., Jan. 17.—(Special.)—The annual meeting of the stockholders of the Grand Island brewery was held late yesterday, and resulted in the election of Henry Faldorff in the place of Martin Schimer, and Richard Goehring in place of Henry Voss as directors. It was decided to engage in the manufacture of nonalcoholic beer, the necessary equipment for which has already been ordered. The proposition of diverting part of the plant to cold storage has been informally discussed, but so far no action has been taken.
The directors have not yet held a meeting to elect the officers, but no change in this respect is expected. Mr. Albert Heyde is the president and active manager.

Crete Commercial Club

Has Annual Banquet

Crete, Neb., Jan. 17.—(Special.)—The annual get-together banquet of Crete Commercial club and their ladies was held Tuesday evening in the Congregational church parlors with 150 present. H. A. Butler, president, presided, and introduced the following: C. B. Anderson, who spoke on "A Community House"; Dr. W. M. Elliott, "The Ladies' Auxiliary"; Glenn N. Venrick, "The Chautauqua"; Dr. O. M. Johnson, "Paving"; and P. C. Swift, "The Town and Doane College." The club plans an active campaign for community betterment at

FARMING WESTERN LAND ON LOAN PLAN

Hungerford Potato Growers' Association Finds Way of Developing Northwest.

WAGE EARNER MAY HELP

The Hungerford Potato Growers' association is a newly incorporated concern in Omaha, which plans to sell farms to the wage earners and then farm the farm for the buyers' profit besides.
The association is the owner of several thousand acres of land in the northwestern part of the state, which it will now sell out in five-acre tracts. It is said to be excellent potato land, and potatoes are to be the principal crop. The land, according to officials of the company, has been producing from 150 to 200 bushels of potatoes to the acre.
However, the association says that it does not make use of these higher figures in arriving at the estimates of what can be made per acre. Neither is the present high price of potatoes used as a basis for their calculation, but they are more conservative than that. It is pointed out, however, that at 100 bushels per acre, and at a conservative price per bushel even much below the present price of potatoes, the purchaser should be able to pay for his land in two years from the profits of his crop alone.
People's Association.
It is planned to make it strictly a people's association. The building and loan plan of operation is followed and approved by such equipment as instead of merely to the purchase or building of a city home. The idea is a new one.
The land in five-acre tracts is to be sold to the wage earner on monthly payments. The company will then farm the tracts for the purchaser on a large scale, on a co-operative basis, and with the most modern machinery. By having many of these tracts in one locality to farm, the company believes it can make use of modern machinery and do the farming on a large scale with such equipment as the small farmer could not afford to have on hand for the cultivation of merely his individual farm.
This, it is maintained, will reduce the cost of labor about 75 per cent.
To Rotate Crops.
They expect to rotate the crops, getting every penny the land will produce, but the potato is to be looked to as the principal crop. Northwest Nebraska potatoes are known all over the country.
The purchaser is to have two-fifths of the profits each year to apply on the payments.
The association is incorporated for \$50,000. Arah L. Hungerford is president and manager. Edward P. Snowden is secretary and treasurer, and in addition the following are on the board of directors: G. J. Hungerford, Earl W. Snowden and H. S. Hungerford.
Arah L. Hungerford has dealt in land for ten years, with headquarters at Crawford, Neb., where he has acquired much knowledge of the agricultural conditions and needs of the northwestern part of Nebraska, having, it is said, farmed more land in northwest Nebraska than any other five men in the section. E. P. Snowden came from St. Joseph four years ago. He has during the last year been associated with Mr. Hungerford in dealing in land in the northwestern part of the state.
Plan of Development.
It was during their operations in Dawes, Box Butte and Sioux counties that these men studied out this plan and came to the conclusion that they had discovered the way to develop this part of the state as it has never been developed before, and at the same time fill a long-felt want among those of medium financial means who are desirous of becoming the owners of at least a small farm.

Norfolk Woman Sues on Note.

Madison, Neb., Jan. 17.—(Special.)—Elizabeth Stegelman has brought action in district court against George N. Beeks of Norfolk to recover \$3,880 and interest on same from May 24, 1913. Plaintiff alleges in her petition that in May, 1913, she entrusted a note and mortgage to the defendant for the sum of \$3,880, and he accounted for all but \$3,880.

KEEP LOOKING YOUNG

It's Easy—If You Know Dr. Edwards' Olive Tablets

The secret of keeping young is to feel young—to do this you must watch your liver and bowels—there's no need of having a yellow complexion—dark rings under your eyes—pimples—dark spots look in your face—dull eyes with no sparkle. Your doctor will tell you ninety per cent of all sickness comes from inactive bowels and liver.
Dr. Edwards, a well-known physician in Ohio, perfected a vegetable compound mixed with olive oil to act on the liver and bowels, which he gave to his patients for years.
Dr. Edwards' Olive Tablets, the substitute for calomel, are gentle in their action, yet always effective. They bring about that exuberance of spirit, that natural buoyancy which should be enjoyed by everyone, by toning up the liver and clearing the system of impurities.
You will know Dr. Edwards' Olive Tablets by their olive color. 10c and 25c per box. All druggists.

FEED IS SHORT ON THE CATTLE RANGE

Losses Have Been Few So Far, but Continued Cold Will Play Havoc in West.

SPECIAL RATES FOR HAY

According to the railroad reports reaching Omaha, the cattle men of Wyoming are beginning to feel some anxiety over the live stock situation in that state. There have been few, if any losses so far, but indications are that there will be soon unless there is a let-up in the severe weather. The feed situation is what is the most alarming.
As a rule, the thrifty cattle man figures one ton of hay per animal during the winter. Generally on the ranges and at the ranches, this quantity of hay was put up last season, but owing to the severity of the winter and the unusually heavy fall of snow, most of the hay has been fed. The heavy snow has kept cattle off the range and close feeding has been the rule for weeks.
The railroads have taken hold of the situation and have put in emergency rates on both hay and grain for western Nebraska and Wyoming points. Large quantities are being shipped with the hope of relieving the situation before losses are heavy. Under the rates now in effect, Wyoming and western Nebraska stockmen are paying \$9 to \$15 for tame and \$5 to \$8 per ton for wild hay.
Throughout western Nebraska cattle men seem in reports, asserting that this has been the most severe winter in years, not that there has been so much intense cold as at other times, but that the cold has been steady and has continued for weeks without a break. Again, they say there has been an unusual quantity of snow, and that contrary to the experience of former winters, it has remained spread over the ground, instead of blowing away. As a result, the whole of the range has been buried.

Getting Old Too Fast?

Late in life the body is likely to show signs of wear and often the kidneys weaken first. The back is lame, bent and achy, and the kidney action distressing. This makes people feel older than they are. Don't wait for the worst effects of bad kidneys—drony, gravel, hardening of the arteries or Bright's disease. Use a mild kidney stimulant. Try Doan's Kidney Pills. Thousands of elderly folks recommend them.

An Omaha Example:

Mrs. G. H. Miller, 1611 N. Twenty-sixth St., says: "About a year ago I was having some ailments at the rear of my kidneys not being in good condition. My back ached just about all the time and it was hard for me to stoop over or lie at all. Doan's Kidney Pills strengthened my kidneys and the discomfort with my back lessened."

HOW I CURED MY CATARRH

TOLD IN A SIMPLE WAY

Without Apparatus, Inhalers, Salves, Lotions, Harmful Drugs, Smoke or Electricity.

Heals Day and Night

It is a new way. It is something absolutely different. No lotions, sprays or sticky ointments, salves or creams. No atomizers or any apparatus of any kind. Nothing to smoke or inhale. No steaming or rubbing or injections. No electricity or vibration or massage. No powder, no plasters, no keeping in the house. Nothing of that kind at all. Something new and different, something delightful and beautiful, something instantly successful. You do not have to wait and linger and pay out a lot of money. You can stop it over night—and I will gladly tell you how—FREE. I am not a doctor, and this is not a so-called doctor's prescription—but I am cured and my friends are cured, and you can be cured. Your suffering will stop at once like magic.
I Am Free—You Can Be Free
My catarrh was filthy and bothersome. It made me ill. It dulled my mind. It undetermined my health and was weakening my will. The hawking, coughing, spitting made me obstinate to all, and my loved ones, kind and gentle, were in despair. I was dazed and my faculties impaired. I knew that in time it would bring me to an untimely grave, because every moment of the day and night it was slowly yet surely sapping my vitality.
But I found a cure, and I am ready to tell you about it FREE. Write me promptly.
RISK JUST ONE CENT
Send no money. Just your name and address on a postal card. Say: "Dear Sam Katz, please tell me how you cured your catarrh and how I can cure mine." That's all you need to say. I will understand, and I will write to you with complete information, and you will be cured. Do not delay. Send postal card or write me a letter today. Don't think of turning this page until you have asked for this wonderful treatment that can do for you what it has done for me.
SAM KATZ, Room B. L. 110,
2995 Indiana Avenue, Chicago, Ill.

Paving Tax Row At Plattsmouth Taken Into Court

Plattsmouth, Neb., Jan. 17.—(Special.)—A temporary order, issued by Judge Begley, was served on the Plattsmouth city council last night forbidding its sitting as a board of equalization at a session called for that purpose.

Puas All Public Utilities

Under State Commission

(From a Staff Correspondent.)
Lincoln, Jan. 17.—(Special.)—Senate file No. 47, by Beal of Custer, provides for control of every public utility of every nature by the State Railway commission, which now has jurisdiction only over the carriers. Under this bill municipalities will forfeit control of electric light plants, gas corporations and water works.
Another bill by Sawyer of Lancaster, prohibits hotels, amusement places and cafes discriminating because of race, color or religion.

Mrs. Underwood Asks Divorce.

Madison, Neb., Jan. 17.—(Special.)—Sarah Underwood of Norfolk has filed suit for divorce from Earl Underwood. They were married at Vancouver, Wash., in 1913. The petition alleges statutory grounds.

FOR A BAD COUGH

Here is a fine old-fashioned recipe for coughs, colds or catarrh trouble that has been used with great success. Get from your druggist 1 oz. of Parmitin (Double Strength) about 75c worth and add to it ¼ pint of hot water and 4 ozs. of granulated sugar. This will make full half a pint when mixed. Take one tablespoonful 4 times a day.
No more racking your whole body with a cough. Clogged nostrils should open, air passages of your head clear up so you can breathe freely. It is easy to prepare, costs little and is pleasant to take. Anyone who has a stubborn cough, or hard cold or catarrh in any form should give this prescription a trial.

Alkali Makes Soap

Bad For Washing Hair

Most soaps and prepared shampoos contain too much alkali, which is very injurious, as it dries the scalp and makes the hair brittle.
The best thing to use is just plain mulsified cod liver oil, for this is pure and entirely greaseless. It's very cheap, and beats the most expensive soaps or anything else all to pieces. You can get this at any drug store, and a few ounces will last the whole family for months.
Simply moisten the hair with water and rub it in, about a teaspoonful is all that is required. It makes an abundance of rich, creamy lather, cleanses thoroughly, and rinses out easily. The hair dries quickly and evenly, and is soft, fresh looking, bright, fluffy, wavy and easy to handle. Besides, it loosens and takes out every particle of dust, dirt and dandruff.—Advertisement.

WHAT IS LAX-FOS?

Cascara and Pepsin—A Digestive Laxative

Lax-Fos is an Improved CASCARA with PEPSIN. Pleasant to Take

In LAX-FOS the Cascara is improved by the addition of Pepsin and certain other harmless chemicals which increase the efficiency of the Cascara, making it better than ordinary Cascara. LAX-FOS aids digestion. Pleasant to take and does not gripe or disturb the stomach. Adapted to children and adults. Just try one bottle for constipation or indigestion. 50c.

B-E-A-U-T-I-F-U-L Are the Newest Blouses

Oforgette and Crepe de Chine

"SIMPLY GORGEOUS," as one woman remarked, while they were being shown for the first time in this Blouse Shop. "Paisley" designs are the very newest note and Fashion takes to them kindly.
There are models that are pleated, plaited and tucked, with tie ornament in front with exquisitely trimmed tabs in the Paisley designs and little buttons dangling at the end.
The collars are extremely large and the likeable sailor effect—many trimmed with contrasting colors. Colors are Flesh, Kelly Green, Peach, Coral, Pink and White.
Some styles show frill front, square collar piped with white and buttons for trimming as well as fastening.
Others severely plain, except for frill effect, and rightly so, for the color is so exquisite that it needs no elaboration in design to enhance its beauty.
The prices are extremely moderate—

\$5.98 to \$8.98
Second Floor.

New Silks and Dress Goods

Novelties Find Highest Favor

The increasing popularity of Sports Wear was the signal for manufacturers to make the first of the new season's fabrics of materials and in designs that would follow out the desire of Fashion—and so, before the season is fairly started, and even before anyone can forecast what the trend will be in other directions, come these fabrics for Sports Wear that will be highly favored and eagerly sought after.
One note that deserves special mention, is the introduction of the "Paisley" designs into the fabric weaves—the designs which our grandmothers were familiar with, as they were used on the Shawls of a decade ago.
In the Dress Fabrics We Find
Velours and French Serges, with light and dark grounds, in stripes and plaids and smart combinations of three or four colorings—these are in the light-weight wool that go to make the majority of the Sport Skirts at moderate prices.
In the Silks We Find
Indestructable Voile, a sheer, silk fabric, 40 inches wide, filmy, but strong, and one that will wear wonderfully well. Fifty of the new spring shades are shown here. Used for the new Blouses and Dresses.
\$1.95 a Yard.
Khaki-Kool—Newest of the sport style fabrics of silk—shown here in novel and "Paisley" designs—a charming variety of patterns and colorings.
These are but forerunners of a particularly beautiful display of Silks that will be shown here shortly.
Main Floor.

Mandarin Turban

Here again the Chinese influence is found—a little Chinese coin at the end of the decorative tassel in front of the hat completes the "Celestial" idea.
This little Turban is bound to be popular—a close-fitting, smart appearing Hat that is just fine for 'twain-season wear—a hat that will appeal to every woman.
Braided with silk sou-tache braid in all over design. Price, \$5.98.
Second Floor, Millinery Dept.

IMPORTANT! On Saturday we shall begin

our Semi-Annual Clearance Sale of "Emery," "Manhattan" and other standard Shirts for men. See Friday's papers for details.
