Many Cases of Typhoid

Fever at Ravenna

Ravenna, Neb., Jan. 18.—(Special.)—Typhoid fever, a dozen or more cases, has developed in Ravenna. Carlyle Halverstad, a high school student, died Tuesday of the malady. Several have been taken to hospitals at Grand Island and Lincoln. The source of infection was found in the water supply, it appearing that the Burlington railroad had left a connecting pipe open and forced a large quantity of river water into the water mains. The Burlington roundhouse used river water for some engine purposes, and city water for other, and it is believed the unfortunate leaving open of the connecting pipe has caused the trouble. The city water has been chemically treated and the railroad has discontinued pumping water from the river. Physicians and the city and railroad authorities are doing everything possible to prevent further spread of the disease.

A Hint to the Aged

If people past sixty years of age could be persuaded to go to bed as soon as they take cold and remain in bed for one or two days, they would recover much more quickly, especially if they take Chamberlain's Cough Remedy. There would be less danger of the cold being followed by any of the more serious diseases.—Adv.

Beatrice, Neb., Jan. 18.—(Special.)—The city of Wymore is to have a library, announcement being made yesterday that Andrew Carnegie had made a gift of \$10,000 to that city for such a building. It will be erected on Rawlings' park, across the street south of the old Touzalin hotel. DROPSY TREATED FREE

By Dr. Miles, the Great Specialist, Who Sends a \$2.75 Trial Treatment Free. Many Report Cured After Others Failed. At first no disease is apparently more harmless than dropsy; a little swelling of the eyelids, hands, feet, ankles or abdomen. Finally there is great shortness of breath, cough, faint spells, sometimes nausea and vomiting, even bursting of the limbs and a lingering and wretched death if the dropsy is not removed. Dr. Miles has been known as a leading specialist in these diseases for 30 years. His liberal "Trial Treatment" free to all sufferers is certainly a worthy and serious consideration. You may never have such an opportunity again. The Great Dropsy Treatment consists of four dropsy remedies in one, also Tonic Tablets and Pura-Lax for removing the water. This treatment is specially prescribed for each patient and is three times as successful as that of most physicians. It usually relieves the first day and removes swelling in six weeks in most cases. Delay is dangerous. Send for Remarkable Cures in Your Hands. All afflicted readers may have Book, Examination Chart, Opinion, Advice and a Two-Pound Trial Treatment free. Write at once. Describe your case. Address: Dr. Franklin Miles, Dept. DA, 705 to 715 Franklin St., Elkhart, Ind.

HOW I KILLED MY SUPERFLUOUS HAIR

Hindoo Secret Banished It So It Never Returned After Electricity and Many Depilatories Had Failed. Let Me Help You Absolutely Free. Until nearly middle age I was sorely troubled by hideous Superfluous Hairs. My face was a sight, with a heavy moustache on my lip and a touch beard on my chin. My arms were also heavily covered. I tried one thing after another without success. The electric needle only made the growth worse. Finally, my husband, an Officer in the British Army, secured from a Native Hindoo Soldier (whose life he saved) a closely-guarded secret of the Hindoo Religion, which forbids Hindoo Women to have even the slightest trace of hair on any part of their body except that on their head. I used it and in a few days my hair-growth had entirely disappeared. Today I am not a trace of it can be found. I will send Free and without obligation to all who will furnish me information and complete instructions so that you can follow my example and completely destroy all trace without having to resort to the dangerous electrolytic needle. So stop wasting your money on worthless depilatory preparations and write me today, giving your name and address, stating whether Mr. or Miss. All I ask is that you send me in stamps for return postage. Address Mrs. Frederica Hudson, Box 691, N. K. North Main St., Attleboro, Mass.
