The Third Anniversary Sale Brings Unusual Values in Wanted Goods Saturday at Burgess-Nash

Ready Saturday---Our Indoor Golf Course

FOURTH FLOOR, CENTER

THIS is a practical course for indoor practice—roomy driving courts and a miniature nine-hole course so laid out as to approximate as nearly as possible some of the hazards of the outdoor course. We shall be glad to have you use the course—no charge if you do not require the services of our professional instructors. If you are a beginner you will need instruction, of course; and if you are a more or less experienced player perhaps there are some faults of "form" which it will pay to have one of our teachers help you to correct—how to stand, how to hold the clubs, how to swing, follow through, etc.

Course Open Daily From 9:30 to 5:30
The course is in charge of

Mr. Stanley Davies
Omaha Field Club

professional, a well-known instructor, fully qualified to teach you from the beginning or to assist you in mastering any part of the game in which you have not acquired true form. The establishment of this center of golf instruction is an advanced step in the interest of the growing numbers of men and women who play the ancient and honorable game. Reservations made in person, by letter or phone. Ask for the Golf Secretary, Burgess-Nash Company.

Talk About Clothing Sales!

WHY, the town is full of them! The man who needs a suit or overcoat is bewildered by the marshaling of superlatives. They greet him on every page of his favorite newspaper. If he accepts one grouping of adjectives as statements of facts, he finds that grouping shading to a frazzle in the next sale announcement.

Just This Word

This is the time of times for comparisons. It's a time when Burgess-Nash finds a chance to drive home the truth that their regular prices are generally lower than "Clearance" prices elsewhere.

"You Want to Go to Burgess-Nash"

because in this clearaway clothing sale you can pick from our regular stock of high grade hand tailored garments—the season's smart productions marked down to effect the savings indicated below.
