

Brief City News

Platinum Wedding Rings—Edholm. Have Root Print It—Now Beacon Press. Best Meal for the Money—Clairemont Inn. Dr. W. K. Foot, now at 1013 First National.

Vincent C. Hascall announces the opening of law offices at 204 Omaha National Bank building. Mail Exam—A special railway mail clerks' examination will be held at the postoffice building February 19.

Skating Clear—City Commissioner Hummel announces that his men have cleared the public skating places of rough surfaces.

Columbian Club—The Columbian club will give a benefit card party at the Parish hall Thursday evening. The first prize will be a ton of coal.

May Lose Finger—Fred Hansen, 1907 North Tenth street, will probably lose the index finger of his right hand as the result of catching it in a rip saw while working for the Ferry Screen company.

Nate Shatto Wanted—From Turlock, Cal., comes an appeal to The Bee to help find Nate Shatto. His brother, Samuel, who lives at 189 Fourth street, in Turlock, believes the missing man is in Nebraska.

Shortage of Vaccine Points—Health Commissioner Connell states there is a shortage of vaccine points. He wired various cities on Monday for a supply. The health officials are vaccinating pupils of Long school. A shipment of the points is expected during the day.

Industrial Nebraska—Glimpses of Industrial Nebraska is the subject of a moving picture lecture by Dr. George E. Condra of the University of Nebraska to be given at the Commercial club rooms Thursday evening, January 25. Members of the club with their families are to attend.

Guardian Brings Suit—Anfelt S. Petersen, guardian of Fred Oliver Carlson, minor son of the late Alfred Carlson, who was fatally injured on December 18, 1916, in a street car accident, has sued the Omaha & Council Bluffs Street Railway company for \$1,980 on behalf of his ward.

Another Blaze at Barn—Flames broke out anew Tuesday morning in the debris of the Levi & Gorman heavy stable at Twenty-eighth and Leavenworth streets, an incident in another run by the fire department. The blaze was in a pile of hay and was quickly extinguished.

New Paving—Revised paving specifications approved by the city council provide for a wider diversity of brick pavement bases and cushions, according to local conditions of the various districts. This will enable the council to recognize in a better way such governing factors as the nature of travel over a street, as well as the occupancy of the district.

Grand Larceny Charge—Charges of grand larceny have been filed in police court against Frank Pascale, Jr., of Florence and his preliminary examination has been set for Thursday. Pascale was arrested in a raid on the "500" service station in Florence, which, detective assert, was a clearing house for stolen automobiles in another run by the fire department. The blaze was in a pile of hay and was quickly extinguished.

Sues for Twenty Thousand, Alleging False Arrest—Asserting that he was falsely accused of stealing a rug from the Gordon Warehouse and Van company and greatly humiliated by his subsequent arrest, Walter R. Richards wants William A. Gordon, president of the company, and William W. Koller, secretary, to give him \$20,000. Richards has filed suit in district court asking judgment.

Stops Tobacco Habit in One Day—The Elders Sanitarium, located at 680 Main St., St. Joseph, Mo., has published a free book showing the deadly effect of the tobacco habit and how it can be banished in from one to five days at home.

Sanitarium Publishes Free Book Showing How Tobacco Habit Can Be Banished in From One to Five Days at Home.

Quits Job to Join Navy—A salary of \$25 in the navy looked better to Robert M. Baker, bookkeeper of the Sunderland Coal company than did his monthly wage of nearly a century mark. Baker told the recruiting officer that he could save more on his small salary in the navy than on his larger one as a bookkeeper. The bookkeeper is an ex-navy man. He was sent to San Francisco as a hospital apprentice.

Scholarship Trustees Hold Annual Meeting—Scholarship trustees for the Nebraska Federation of Women's Clubs held their annual meeting in the office of Bishop Arthur L. Williams Tuesday, to make awards on applications for loans and scholarships. The awards will not be made public until approved by the Lincoln trustees, who were unable to attend the meeting.

Mrs. Frederick H. Cole, the chairman; Mrs. James C. Dahlman, Superintendent Graff and Dr. D. E. Jenkins were present.

Two loans of \$200 each, which were made last year, were paid in full at the meeting. One was money loaned to an Omaha girl and the other to Miss Maud Gaechler, a Lincoln girl, to enable her to take a doctor's degree in Greek and Sanscrit at an eastern school. Miss Gaechler is now teaching in a Pennsylvania normal school.

City Council Creates New Municipal Office—The city council passed an ordinance which creates the office of heating and power plant inspector. The city building department explained that receipts of the new department will make it self-sustaining.

PERSONAL PARAGRAPHS—P. A. Castle has gone to the wool grower's convention at Cheyenne. He is returning here and will visit at Thermopole and Cheyenne.

How to Avoid Many Childhood Ailments—The care of the teeth should begin as soon as the child has a tooth to be cared for," says Dr. Louise Allen Moore. "Usually this is left until the child first complains of toothache. Few parents seem to realize that some of the most serious ailments of childhood are directly due to such neglect. Unhealthy teeth and inflamed gums are the best places for germs to start. These multiply into millions in a day and are swallowed in such quantity that the tender body cannot resist the attack. Fever, chill, stomach and intestinal disorders are common results.

"When teeth first come through the gums they should be cleaned daily with an orange-wood stick, which has been dipped in astringent. Avoid all entirely harmful to the little one's teeth and gums, and avoid being so thoroughly cleaned and polished as to be pleasant to the taste. Save the child's first teeth in the way. The best thing adults can do for their children, to keep the teeth perfectly clean, white, and to prevent decay. The draught supply tooth in a convenient tube. It may be used with a tooth brush. The same way tooth pastes are used.—Ads.

KING'S MINIONS ADVANCE APACE

Ak-Sar-Ben Boosters Want Three Thousand Members Who Have "Pep."

SOCIETY HAS PROSPERED

The goal is set at 3,000 members for Ak-Sar-Ben this year. This was definitely determined at the annual meeting of the board of governors last night at the Omaha club.

One-tenth of the members are already paid up for this year. The annual payment of \$10 is due and many have already been renewing their memberships, even though the membership hustling committee will not be organized yet for a month or two. The result is that 300 members are already paid up.

The membership last year was 2,845. This means that only 155 extras will have to be enlisted this year to reach the 3,000 goal.

The dates of the carnival were fixed at September 26 to October 6, though the location of the carnival grounds has not been decided.

Balance in Treasury. In spite of the fact that Ak-Sar-Ben spent some \$20,000 more last year than ever before, due to the large expense of putting on the historical parade, the financial statement showed prosperity, revealing \$366 in the treasury at the close of the year. Aside from the extra expense of \$20,000 for the historical parade \$2,500 was paid as a first payment for additional ground purchased on the block on which the Den is located.

Everett Buckingham was re-elected president, Gould Dietz was re-elected vice president and George E. Haverstick treasurer. The president will soon announce his working committee for the year.

Major Caldwell May Remain Here After All—Thomas Estill, commissioner of the Salvation Army, with headquarters in Chicago, has written Superintendent Schreiber of the welfare board a letter which indicates that Major Caldwell of the local Salvation Army Rescue home will be retained here. The welfare committee of the Commercial club, Child's Saving institute officers and the welfare board members have been urging that Major Caldwell be kept in Omaha.

One-Armed Soldier Tells Story Which Wins the Uni Club

Touched by Lieutenant Zimovi Pechkoff's recital of suffering relieved by the American Ambulance at Paris, prominent members of the University club are taking an unofficial subscription to endow a bed at the American hospital in France, just as the Omaha club did. The required sum is \$600. This is in addition to the sum subscribed last Friday when Lieutenant Pechkoff addressed the club.

H. W. Prepont, Joseph Barker, Amos Thomas and the president, Dr. Frank S. Owen, are interested in the movement. Ezra Millard is treasurer for all funds collected for the American Ambulance. Notices calling attention of members to the collection are posted on the University club menu cards.

Conservative Savings Will Postpone Building

Leases have been renewed in the Davidge block for another year, or until February 1, 1918. The Conservative Savings and Loan company, which now owns the Davidge block, and intends eventually to build on it, has decided not to build this year. In the annual report of the company issued some weeks ago, however, it was announced that building operations would probably begin in 1918. The Conservative intends to build its future home on the site of the Davidge block.

RULING RAINBOW IS POSSIBLE NOW

Omnicolor, New Process of Pigmentation, Caters to Milady's Color Whims.

HARMONIZES FANCY FINERY

No longer need milady be vexed, annoyed and irritated over the baffling problem of finding for her new spring creation those articles whose colors closely harmonize. For milady can now have her exquisite bits of fancy finery in any color, or any shade or tone of color, that she desires.

A new invention has been introduced to make this possible. It is made by the Omnicolor company of New York, the president of which, D. B. Baker, is now in Omaha on a business visit.

Omnicolor means all color. And simply by dilution and by combination of specially prepared pigments any possible color or any possible shade or tone of color can be obtained.

In the past when milady wanted to procure a pair of shoes to match her gown she had to have the shoes made to order, and even then sometimes the tone of the color was a trifle different. The same applied when she wanted hose to match or bonnet to match. And she always had to wait two or three weeks for her order at last. But all this has been changed. Now

Prof. Hertzog Praises This Perfect Laxative

Dr. Caldwell's Syrup Pepsin an Ideal Remedy for Constipation

In every family there is more or less occasion for a laxative remedy. It is to meet this need that Dr. Caldwell's Syrup Pepsin is prepared, and that this combination of simple laxative herbs with pepsin fulfills its purpose is proven by its place in thousands of American homes.

Prof. F. J. C. Hertzog, the well known linguist, 2341 North Orianna St., Philadelphia, Pa., wrote to Dr. Caldwell that he has used Dr. Caldwell's Syrup Pepsin in his household with excellent results and that he and his family consider it indeed a friend in need, and always keep a bottle of it on hand.

Constipation is the direct cause of much serious illness and is a condition that should never be neglected. Harsh cathartics and violent purgatives should never be employed to relieve constipation, because the very violence of their action shocks the entire system. A mild laxative, such as Dr. Caldwell's Syrup Pepsin, is far preferable, being mild and gentle in its action, without gripping or other pain or discomfort; its freedom from opiate or narcotic drugs makes it an ideal remedy for children.

Dr. Caldwell's Syrup Pepsin is sold in drug stores everywhere for fifty cents a bottle. To avoid imitations and ineffective substitutes, be sure to get Dr. Caldwell's Syrup Pepsin. See that a facsimile of Dr. Caldwell's signature and his portrait appear on the yellow carton in which the bottle is packed. A trial bottle, free of charge, can be obtained by writing to Dr. W. B. Caldwell, 455 Washington St., Monticello, Illinois.—Advertisement.

Most Modern and Sanitary Brewery in the West. Family Trade Supplied by WM. JETTER, Distributor, 2502 N St. Telephone Douglas 4231. South 863 or 868.

in a few hours she can secure an article of any color she wants. The Omnicolor system makes it possible.

Basic Pigments. Eleven color pigments are used to make up the Omnicolor formulas. They are three yellows, three reds, one violet, two blues and two greens. They are pure color pigments, not merely dyes, and they have to be bought in England. By dilution and by combination any possible color can be obtained by the Omnicolor process, the only time it has ever been done with pigments.

There are hundreds upon hundreds of colors, and shades, and tones of these colors, but the Omnicolor process will obtain any one and will even make new colors, the exact shade and tone of which have never been seen before.

How You Can Quickly Remove Hairy Growths

(Aids to Beauty). A well known beauty specialist advises this treatment for the removal of hair from the face. Mix into a paste some powdered delatone and water, apply to hairy surface and after about 2 minutes rub off, wash the skin and every trace of hair has vanished. This method is quick and entirely safe. To avoid disappointment, however, it is well to make certain you get genuine delatone.—Advertisement.
