Rapid City Objects to Move

To Close School of Mining Rapid City, S. D., Jan. 26.—(Special.)—There has been considerable sentiment aroused in Rapid City over the action suggested by the governor sentiment aroused in Rapid City over the action suggested by the governor in his message of removing the School of Mines located here. This is a state institution and it has been sug-gested that the school be consolidated with some other school of the state. Local men, as well as men inter-ested in mining in all parts of the hills, want the school left here and want it helped to such an extent that its courses will be broader and more attractive to the prospective student. attractive to the prospective student. A measure has been introduced in this session of the legislature asking for \$40,000 for a new engineering building. This week twenty-one leading business men of the city are at Pierre doing all in their power to get the legislature to consider this bill favorable. favorably.
