ATTEMPT TO ROB TWO GLENVILLE BANKS

Loose Change and Stamps Are Taken, but No Effort Made to Open the Safes.

TWO SALOONS ATTACKED

Grand Island, Neb., Jan. 30.—(Special Telegram.)—Five robberies took place at Glenville, Clay county, early this morning, evidently the work of novices, and little or no booty was secured.

The Farmers State bank, George Flessner, president, and the Bank of Glenville, Anno Uden, president, were entered, the heavy plate glass doors being smashed. The safes in neither were blown, nor was there any effort apparently to use dynamite. Nothing but a few pennies was secured.

The grocery store of Mr. Gronewald was entered, but nothing of material value was taken. The saloons of Jake Okenja and John Boennfeldt were ransacked and a good deal of damage was done, the rampaging having some similiarity to Carrie Nation raids.

The only clue to the robbers is evidence of considerable blood, presumably the result of an injured hand, as the hinges were taken off the door of one of the saloons.

A telegram has been received at the sheriff's office asking the local authorities to be on the lookout for three yeggmen who early Tuesday morning robbed the Bank of Glenville and the Farmers' State bank at Glenville. Rewards of $100 each are offered for the arrest of the robbers. The telegram did not state how much the yeggmen got. It is believed that one of the robbers was seriously cut about the hands with glass when the trio made their getaway.

Farm House Burns Soon After Insurance Lapses

Fremont, Neb., Jan. 30.—(Special.)—Awakened by smoke that filled the room in which he slept on his farm a mile east of Fremont, Ed Danner had barely time enough to grab his clothes and run from the building. When he got outside he found that the roof of the house was afire. He telephoned to the Fremont fire department from a neighbor's, but firemen who answered the call arrived too late to be of assistance. The building and all the furniture were destroyed. The loss is complete, as Mr. Danner had allowed the insurance policy to lapse a few days ago. Mr. Danner is a bachelor and lives alone on the farm.

Piper yesterday filed suit in the district court against the Western Union Telegraph company for $1,900 damages for the alleged negligence of said company for delivering a message to him at Iowa City, Ia. In his petition he alleges that a message was sent to him on March 18, 1916, stating that his mother was dying in Beatrice, and that it was not delivered to him until two days later. Will Prospect for Oil In Nehawka Vicinity

Plattsmouth, Neb., Jan. 30.—(Special.)—Notwithstanding the amount of money and time spent in the sinking of the "prospect hole" for oil last winter, and not finding anything, another move is on foot for the developing of a new field adjacent to the one where the drilling was done a year ago. A. M. Senz of the Carter Oil company is now promoting the development. Nearly all the owners, in a district embracing 12,000 acres, near Nehawka, have signed leases. As soon as the entire tract is leased drilling will begin.

SCOTIA, NEB., ON THE MAP

We read and hear of many hospitals and operations that are being performed in large cities, but the little town of Scotia, Neb., can certainly feel proud of the many serious and complicated operations that are being successfully performed daily by Dr. Chas. W. Weekes. Although his hospital is crowded to its fullest capacity, rooms for several patients have been arranged at the building where he has his office, and patients are doing nicely. The record of Dr. Weekes' successful work in the last few years of surgery is a record that the people of Scotia and community may well be proud of.—Advertisement.

How to Cure Constipation and Indigestion Without Medicine

Medicine can't cure that constipation. It can relieve it for the time being, but that is all. The same is true of indigestion, dyspepsia and similar "stomach troubles."

The right food can cure these troubles, and it is doing it right along.

Doctors everywhere now indorse the principle upon which this food is based. They practically all admit that medicines are powerless to effect permanent cures in these cases. They know that a food such as this is what is needed. Many have long been waiting for it.

O-EAT-IT is the name of this new food. Three of these small, crisp, toasted slices with your meals will quickly overcome constipation and stomach troubles. It is a delicious, wholesome, nutritious and "different" article of food from anything you have eaten. Contains much more of the coarse outer part of grains than any other food you have ever tried. Everybody likes it.

We want every sufferer from constipation or stomach troubles to try O-EAT-IT and be well and happy. Full sized packages for sale by more than 100 leading grocers in Omaha and Council Bluffs, 10c per package, or by mail prepaid on receipt of price.

K." of T. S. Allen, brother-in-law of Mr. Bryan, which he thinks will give it the support necessary to land.

Hope Almost Abandoned When She Found Remedy

Dr. Caldwell's Syrup Pepsin Relieves Chronic Case of Long Standing

After a long period of suffering with liver and bowel trouble that brought on piles, during which she had tried many remedies without obtaining relief, Mrs. Mary J. Jewell of Berrien Springs, Mich., heard of Dr. Caldwell's Syrup Pepsin and obtained a bottle from her druggist. This simple, inexpensive laxative compound brought almost immediate relief and Mrs. Jewell wrote to Dr. Caldwell about her case.

In her letter Mrs. Jewell says, "I had tried so many things for the piles, without being helped at all, I had about given up hope of ever being any better. I knew it was the condition of my bowels that caused them, and after I had taken a bottle of your Syrup Pepsin I knew it was just the medicine I needed. I am very grateful to you for sending me the little book—the advice and instructions it gives would teach anyone how to get well and how to keep well."

Dr. Caldwell's Syrup Pepsin is a combination of simple laxative herbs with pepsin, free from opiate or narcotic drugs, and is mild and gentle in its action, bringing relief in an easy, natural way, without griping, or other pain or discomfort.

Druggists everywhere sell Dr. Caldwell's Syrup Pepsin for fifty cents a bottle. To avoid imitations and ineffective substitutes be sure to get Dr. Caldwell's Syrup Pepsin. See that a facsimile of Dr. Caldwell's signature and his portrait appear on the yellow carton in which the bottle is packed. A trial bottle, free of charge, can be obtained by writing to Dr. W. B. Caldwell, 455 Washington St., Monticello, Illinois.
