opened from it is to set off. The has bound precovered some of the early loss, but only came to within it of yesterday's closing quotations. The set loss for today on corn as compared with the close yesterday was 2% on May and 2% on July, and the trade in this market was very slow. Oats opened about 1% clower on both options, and while July sold % up from the opening, the May option closed % clower. A new record for hogs was estab-lished at the stock yards Thursday when the record price of \$11.85 was reported. Yesterday the to, price was \$11.70. The market has been very strong all this week. Monday \$11.55 was paid for choice hogs.

The Little Cigar is the logical short smoke because it's all tobacco. "But," say you: "They break!"

"They burn the tongue and are bitter to the taste!"

"They are not uniform!"

"The wrapper doesn't blend with the filler !"

Every one of these objections overcome by

WHAT IS THRIFT?

Thrift does not mean being stingy, being a miser, or being a tightwad.

Thrift DOES mean handling money wisely-getting the most out of every dollar of income-keeping an eye on the future and using one's money as an instrument to build up a strong character , -and a bank account.

THAT IS THRIFT-PRACTICE IT.
