

Are You Intoxicated? The question is not as impertinent as it sounds. You may be a real teetotaler and yet be "intoxicated"—that is, poisoned by the gases that come from imperfect digestion. The products of food putrefaction are taken up by the blood and often poison the entire system. Cut out meats and starchy foods for a while. Eat Shredded Wheat with milk or cream for breakfast; eat it with stewed fruits and green vegetables for dinner or supper. It will cure auto-intoxication and make a new man of you. All the meat of the whole wheat in a digestible form. A perfect meal at lowest cost. Made at Niagara Falls, N. Y.

HAVE COLOR IN YOUR CHEEKS
Be Better Looking—Take Olive Tablets

If your skin is yellow—complexion pallid—tongue coated—appetite poor—you have a bad taste in your mouth—a lazy, no-good feeling—you should take Olive Tablets. Dr. Edwards' Olive Tablets—a substitute for calomel—were prepared by Dr. Edwards after 17 years of study with his patients. Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color. To have a clear, pink skin, bright eyes, no pimples, a feeling of buoyancy like childhood days you must get at the cause. Dr. Edwards' Olive Tablets act on the liver and bowels like calomel—yet have no dangerous after effects. They start the bile and overcome constipation. That's why millions of boxes are sold annually at 10c and 25c per box. All druggists. Take one or two nightly and note the pleasing results.

THRIFT DAY TO BE OBSERVED TODAY

Nation-Wide Move to Find a Method to Combat the Present H. C. L.

THRIFT IS A BROAD IDEA

"Thrift day" will be observed all over the country today. This observance of "Thrift day" comes as the result of inquiries to find a method of combating the high cost of living, which has become such a serious problem in the last few years. Investigation has disclosed the fact that lack of thriftiness on the part of a great percentage of the American public is one of the primary reasons for the increased cost of living. American extravagance has in a large way brought on the higher prices. The American is wont to recklessly spend large sums for luxuries. He objects to paying big prices for necessities, and then unhesitatingly digs down into the family roll to purchase something that is strictly a luxury.

Reason for Thrift Day. To curb this extravagant tendency "Thrift day" was born. A campaign to teach the American the ten commandments of thrift starts on this day, and it is hoped the campaign will be so successful as to alleviate in a large manner the suffering, or at least the annoyance, caused by the high cost of living. When the subject of thrift is broached the ordinary person is generally inclined to interpret the term as meaning the saving of money. But thrift has a broader meaning than that. A man who is thrifty does not necessarily have to be a tightwad, so careful of money matters that it is painful both to him and to others; who counts every penny with thoughtful care and spends it with regret, denies himself every rightful pleasure, wears his clothes until they are threadbare, eats the plainest foods and deposits his money in the savings bank with clock-like regularity.

To Save Consistently. This is a narrow thrift and not a true thrift. The man of true thrift works hard, spends his money wisely, not niggardly, and saves consistently. That is true thrift. We construe the word wrongly when we make it synonymous with self-denial. Thrift means remember tomorrow, but do not forget today. Thrift is largely a matter of education. By the "Thrift day" campaign it is hoped to teach the younger generation that a broad and helpful thrift is the best thing for himself and his neighbor, and to correct the older generation in the mistakes it has been making and which have had such a big part in bringing about the high cost of living terror.

Mrs. Sheely, Last of Pioneer Family, Dies of Pneumonia

Mrs. Wilhelmina Sheely, 78 years old, and one of Omaha's territorial pioneers, died of pneumonia Thursday night at her home, 3717 North Eighteenth street. Funeral services will be held this afternoon at 2 o'clock. Interment will be in Mount Hope cemetery. Mrs. Sheely was the widow of John M. Sheely, the first man to own a meat market in Omaha. It was his brother, Joseph, who was for many years chief of the Omaha fire department and who built the Sheely block. Six children survive her: Walter, John, Grace, and Mrs. Jennie Schronbrun, Omaha; Mrs. W. E. Merritt, Uine Bluffs, Wyo.; Mrs. Mary Jackson San Diego, Cal.

Frozen Folks Ask Help From Volunteer Corps

Two of the persons applying for shelter at the Volunteers of America were found to have been rather badly frozen. A. Olson had his ears and face frozen and J. Healey both feet and hands. Emergency treatment was given to them. It is not thought that their cases will be serious. The numerous calls that poured in upon the Volunteers of America were for clothing. Captain McCormack gave out nearly all his disposal, but found a great shortage of children's shoes.

Boy Scouts Will Have Week-End Camp in Omaha

A week-end Boy Scout camp is to be established on a thirty-two acre site donated for use by the Hillcrest Land company just south of Child's Point. It is planned to put up a number of tents so that the scout troops can spend their week-ends there. The tract is wooded and is an ideal place for the scouts to practice their lore. The scout movement is taking a great hold and new troops are being formed rapidly.

Grazing Fees Will Be Increased 25 Per Cent

Washington, Feb. 2.—An increase of 25 per cent in the grazing fees on all national forests, instead of 33-1/3 per cent, as originally contemplated, will be made for the 1917 season, Secretary Houston today announced. Additional increases will be made after March 1 next year, when the real value of the forage upon any forest is found to be more than the amount charged.

Domestic Arts Building of Luther College is Burned

Wahoo, Neb., Feb. 2.—(Special Telegram.)—Fire destroyed the music and domestic arts building of Luther college here last night. The fire started from a defective flue. The Wahoo fire department and college firemen could make no headway in the cold. Four women teachers who roomed in the building were uninjured, but lost their belongings. The loss, \$6,000, is covered by insurance.

Coal Supply Not Heavy, but Little Fear Expressed

While the local coal situation is not alarming, there is no large supply on hand in the city. The intense cold weather of the last week has rapidly exhausted the surplus stocks and a good many of the dealers are making their sales direct from the cars that are brought in daily by trains from the south and east. The bins of the dealers are practically empty of some grades of coal and customers are forced in many instances to take about anything they can get. The demand during the last week has been enormous, dealers asserting that the men and teams have been worked overtime to fill the orders.

Says Negroes "Rode Him Through Floor" Is Freed

Failure on the part of representatives of the Rome hotel to appear against him has resulted in the dismissal of assault and battery charges against F. C. Schultz, salesman, who lives at 405 South Sixteenth street. Schultz was arrested as the result of an altercation in the Rome hotel "Vineyard." In police court he said several negro waiters at the "Vineyard" were instructed to put him out, but that instead "they rode him through the floor."
