

Nebraska MAHER SAYS STATE WILL FURNISH MEN

German-American Citizens Are Especially Willing to Offer Services.

TENDERS SIXTH REGIMENT

Colonel John G. Maher, who during the last week was commissioned a major in the military reserve force of the United States under the national defense act, has received during the last week assurances that as far as Nebraska is concerned there will be plenty of men who will volunteer in the service of their country in case a call to arms is made.

In case of trouble between our country and Germany, or any other country, the Fourth and Fifth regiments will not be the only ones that will go out from Nebraska. It is very evident, if war should come on, that the Sixth regiment will be in at once and perhaps several others. The regiment that was organized last summer which was made up very largely of Spanish-American war veterans and tendered to the president as the Sixth Nebraska volunteer infantry was again tendered to the president by telegram, and the president directed the secretary of war to extend his thanks, and the thanks of the nation to each and every member of the regiment. I received this information from the secretary of war yesterday.

Look at that bunch of letters. They are from different parts of Nebraska stating they are ready to furnish a company. Some of these letters are from German communities. One letter states, "We can get a company here in twenty-four hours and the community is largely German, but we are all strong for the United States of America." Another states, "The company from here will be largely German-Americans." Many other letters are of the same purport. I am very greatly pleased over these letters and these offers.

C. H. Wilde, Wealthy West Point Pioneer, Is Dead

West Point, Neb., Feb. 10.—(Special Telegram.)—Charles H. Wilde, one of the oldest men and largest land holders in Cuming county, died at the family home on the east side this morning, at the age of 93 years. Mr. Wilde had been a resident here for fifty years, and accumulated a large and valuable estate.

Mr. Wilde was the father of a large family, and leaves descendants to the fifth generation. He was a native of Pomerania, Germany, and served as a soldier in the German army during the revolution of 1846 to 1850 as a member of the Eighth infantry of the guard.

Lexington Club For Federal Road Law

Lexington, Neb., Feb. 10.—(Special.)—At a meeting of the Lexington Community club held in the court house Thursday night the following resolution was unanimously adopted: Resolved, That our legislature be urged to pass the necessary legislation to make federal aid for the building of public roads available in the state of Nebraska, if such aid can be equitably distributed among the various counties of the state.

State House Notes

Lincoln, Feb. 10.—(Special.)—A deficiency claim has been filed by the Nebraska supreme court commission asking that an appropriation be made to pay for the office telephone for 1917 and 1918. The claim is in the hands of State Auditor Smith.

The pure food department has been notified that Sophie Noble, Jr., an Omaha inspector, has grossly falsified Mrs. A. Knudsen, 2125 Bancroft street, Omaha, for operating an unsanitary meat market. She was found guilty after a hearing and fined \$10 and costs.

Free use of the horse barn to speed man for training purposes at the state fair grounds is announced in a bulletin just issued by Secretary E. R. Danielson of the State Board of Agriculture.

77 Humphreys' Seventy-seven For Colds, Influenza, GRIP Perfect Convalescence

MURDERER OF ORD GIRL ADMITS CRIME

Louis Kamarad, Who Confessed Killing Alice Parkos, is Taken to St. Paul.

MOB SURROUNDS THE JAIL

Ord, Neb., Feb. 10.—(Special Telegram.)—After a second night of questioning, Louis Kamarad, under arrest for the murder of 13-year-old Alice Parkos, made confession to officers at an early hour this morning and was immediately spirited away by Sheriff Bell to St. Paul for safe keeping in the new county jail.

Old Guard Amateurs Seek No Peace With The Insurgent Body

Indianapolis, Ind., Feb. 10.—The National Amateur Base Ball association at its fourth annual meeting here on Monday will refuse to listen to overtures for peace that have been made by the National Base Ball Federation, according to President Ralston Goss of this city. President Goss says that the majority of the delegates have written him urging that the fight be continued. Delegates from Indianapolis, Louisville, Detroit, Chicago, Pittsburgh, St. Paul, Minneapolis, Omaha, Lincoln and Cleveland have signified their intention of attending the meeting. Most of them will arrive today or early tomorrow to attend committee meetings that will pave the way for the work of the convention on Monday. Applications for membership will be made by Columbus, O., and Kansas City, Mo., it is understood.

Former Beatrice and Omaha Pastor Is Dead

Beatrice, Neb., Feb. 10.—(Special.)—Announcement was received here yesterday of the death of Rev. R. H. Ingram, who was pastor of the Christian church in Beatrice from 1889 to 1893, which occurred the first of the week at his home at Perry, Ia. Before coming to Beatrice he had charges at Omaha, Lincoln and other cities in the state. He is survived by a widow and seven children.

Nebraska Naval Training Association Is Loyal

The following telegram has been sent to Secretary of the Navy Daniels by the Nebraska division of the Naval Training Association of the United States: The Nebraska division of the Naval Training Association of the United States will gladly place all the resources of its organization at the disposal of the Navy department for the purpose of supplying men for the navy, naval reserve forces or otherwise, as the department might find useful.

Broken Bow League Does Not Like the Beal Bill

Broken Bow, Neb., Feb. 10.—(Special.)—The Municipal Ownership league of this city has adopted resolutions denouncing senate bill No. 47, known as the Beal bill, which purports to place municipally owned utilities under the regulation of the State Railway commission. The league also goes on record as opposing that part of senate's bill No. 98, which gives the railroad commission power to fix rates.

Thousands Have Kidney Trouble and Don't Know It

Weak and unhealthy kidneys cause so much sickness and suffering and when through neglect or other causes, kidney trouble is permitted to continue, serious results may be expected. Your other organs may need attention—but your kidneys should have attention first because their work is most important.

If you feel that your kidneys are the cause of your sickness or run down condition commence taking Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy, because if it proves to be the remedy you need and your kidneys begin to improve they will help all the other organs to health.

Prevalence of Kidney Disease. Most people do not realize the alarming increase and remarkable prevalence of kidney disease. While kidney disorders are among the most common diseases that prevail, they are almost the last recognized by patients, who usually content themselves with doctoring the effects, while the original disease constantly undermines the system.

HOUSE MEMBERS FORGET LINCOLN

Lower Body at Lincoln Will Meet on His Anniversary, But Senate Will Not.

CHANCE FOR SUFFRAGISTS

Lincoln, Feb. 10.—(Special.)—Both branches of the legislature are resting over Sunday and many of the members have gone back to see the home folks. The house forgot that Monday was a legal holiday, the anniversary of the birth of Abraham Lincoln, and adjourned to meet on that day. Perhaps that was the reason why that body voted to kill the bill requiring a study of the life of the emancipator in the public schools.

Nebraska Hampshire Breeders Pay Record Price of \$680

Nehawka, Neb., Feb. 10.—(Special.)—Raymond Pollard, son of the late Isaac Pollard, Nebraska pioneer, and a brother of ex-Congressman Ernest M. Pollard, today made a record sale for the Hampshire, white belted, hogs when he sold fifty-two head of bred sows for an average of \$108 per head.

Salt Lake City Saloon Robbed of \$3,000 by Bandit

Salt Lake City, Feb. 10.—Knocking the son of the proprietor unconscious, a lone bandit grabbed \$3,000 in a downtown saloon here today. The robber is supposed to have escaped on one of the three trains which passed in front of the saloon shortly after the robbery.

Springfield, Ill., Feb. 10.—Governor Frank O. Lowden, today set the week of February 19 to 24, as a week for the staging of national songs in the public and private schools of Illinois.

Special This Week Only 25c Cake Ricksecker's Tar Soap free with \$1.00 bottle Solox Dandruff-Exterminator. Green's PHARMACY 16th and Howard St. Phone Douglas 848.

MEN'S WALK-OVER SHOES At Less Than Cost. Walk-Over Boot Shop 317 S. 16th St.

NO snow-choked street refuses traction to an All-Weather Tread Goodyear Cord Tire long. If traction isn't to be found on the surface, this tread digs for it. And gets it. The big, thumb-thick, sharp-edged blocks thrust and search under them, are strong enough to stand it. Your car keeps moving. And forward—no other tread design provides such positive grip and traction. Goodyear Cord Tires do their work best when outside Goodyear Tubes. Tubes that do not leak, seep or creep—that enforce the best service of which a casing is capable. You can buy both Tires and Tubes from a Goodyear Service Station Dealer—likely there's one in your neighborhood. You will be glad to know him, once you've dealt with him. His interest in your tires, and the service they give you, keeps right on after the purchase. He helps you—you can figure how much in miles. The Goodyear Tire & Rubber Co., Akron, Ohio

GOODYEAR AKRON An Open Letter to Former United States Senator Mason on Nuxated Iron And His Reply Thereto. As a pioneer in Pure Food and Drug Legislation and as a pronounced champion of all bills protecting the rights of the Great Masses of the American People as against trusts and combines, we believe It is your duty, Senator Mason, to tell the public just what you think of Nuxated Iron and just what benefits you obtained from taking it at 65 years of age when you were all run down, after the hardest fought political campaign of your life. You, Senator Mason, are one of the really big men of America—you are a national figure—your work for four years in the United States House of Representatives and for six years in the United States senate in securing legislation favoring labor and the great masses of people has written your name indelibly among the names of our great lawmakers and statesmen of our country. Senator Mason, there are thousands of men and women in this country who need something to build them up and give them more strength, endurance, vigor, vitality and energy just like you did, but they do not know what to take—they do not all have your same advantage for consulting physicians and obtaining information on this subject. When you were on the floor of the senate you advocated and fought for Pure Food and Drug legislation because you believed it to be for the good of the people—you were the father of the Rural Free Delivery system for the same reason—and as Congressman-elect for the people of Illinois you are now advocating the eight-hour working law for the same reason. Then, Senator Mason, is it not your duty to tell the people just what Nuxated Iron did for you at 65 years of age? No matter whether it is a remedy, a law or what not, if it is for the good of the people is it not your duty to help make it known to them? Nuxated Iron is not a patent medicine nor secret remedy. Dr. Howard James, late of the United States Public Health Service, says: "In my opinion, organic iron is beyond question the greatest of all strength builders. If people would only throw away habit-forming drugs and nauseous concoctions and take simple Nuxated Iron, I am convinced that the lives of thousands of persons might be saved who now die every year from pneumonia, grippe, consumption, kidney, liver and heart trouble, etc. The real and true cause which started their disease was nothing more or less than lack of iron in the blood. Iron is absolutely necessary to enable your blood to change food into living tissue. Without it, no matter how much or what you eat, your food merely passes through you without doing you any good. You don't get the strength out of it, and as a consequence you become weak, pale and sickly looking, just like a plant trying to grow in a soil deficient in iron."
