

### Nebraska SENATORS STIRRED BY SEWAGE PROBLEM

Measure Fostered by State Engineer Johnson Killed in Upper House.

### FOREST BILL IS FAVORED

Lincoln, Feb. 14.—(Special.)—A bill which will permit building and loan association claims to be adjudicated in the county in which the cause for action arises, brought on a long discussion in the senate today and Adams of Dawes, its introducer explained that associations violated contracts knowing that poor people out in the state have not the means to make a fight for their rights.

Several amendments were offered to the bill, but they were all killed and the bill was recommended for passage by a vote of 17 to 9.

While the house killed the state forestation commission last week, it will have another chance to go on record on the matter of the development of the sand hills, as the senate recommended for passage among other bills today S. F. 58 by Adams, a companion bill to the one killed in the house.

**Roused Over Sewage.**  
The senators engaged in a little wordy conflict in which the words, "crooks, hoodlums and pilferers" were used. The bill under consideration was one introduced by request of State Engineer Johnson, which empowers cities under 5,000 to have sewage systems and disposal plants erected by the mayor and council instead of by petition. A majority of the property holders had the right to protest.

McMullen used such words as "outrageous and damnable" being aimed at that "foreign gang," a corporation of Des Moines. Bushee stuck up for the state engineer and protested against the unfounded charges.

Senator Albert in a dry way said that he had never known there was so much wickedness in the world or that so much villainy could be put in a bill. Howell and Hammond both saw "pernicious" things in the bill and it was killed.

### Bills Favored.

Recommended for third reading in committee of the whole:  
S. F. 112, Adams, Dawes—Allowing building and loan association to be sued in counties where causes of action arise. Passed, 17 to 9.  
H. R. 2—Constitutional convention bill. Morfarty's substitute bill accepted. Passed to third reading.

S. F. 104, McAllister, Antelope—Requires road overseer to place sign at intersection nearest either side of closed highway or bridge, telling proper road to take. The overseer is subject to a fine of \$5 to \$10 if he does not, in a committee amendment which has an emergency clause.  
S. F. 27, Howell, Douglas—Provides non-partisan election of boards of education in towns of over 10,000.  
S. F. 54, Moriarty, Douglas—Law conforming homestead succession law to supreme court decision. Property of \$2,000 is exempted from debts.  
S. F. 58, Adams and Mattos—State forestation commission.  
S. F. 123, Tanner, Douglas—Amends policeman's pension law to allow widows of policemen who died in Douglas county prior to 1913 to draw a pension.  
S. F. 111, Mackay, Douglas—To increase the fees of insurance companies from three-eighths of 1 per cent of premiums to one-half of 1 per cent, to provide more funds for State Fire commission.

### Lillie of Fremont Named Head of Concrete Pipe Men

Chicago, Feb. 14.—J. F. Lillie of Fremont, Neb., was elected president of the American Concrete Pipe Association at the closing session of its annual meeting here today.

### Cambridge Teachers Re-Elected.

Cambridge, Neb., Feb. 14.—(Special.)—The Cambridge school board has re-elected all teachers unanimously. Superintendent C. L. Littel is given a two-year contract at \$1,300 and \$1,400, respectively. Following are the teachers for next year: High school, A. C. Easton, principal; Effie V. Johnson, assistant principal; Mabel Correll, history and English; Gladys Hart, Latin and German; Gladys Lewis, domestic science; grade teachers, Gail Enlow, Cornelia Sullivan, Estelle Bible, Jeanie Rankin, Laura Easter, Ruby Huff and Wauneta Branson. The teachers received raises of from \$2.50 to \$7.50 per month.

### Soldier's Home Notes

Grand Island, Neb., Feb. 14.—(Special.)—At the home chapel on Sunday afternoon at 12 o'clock Rev. L. E. of the English Lutheran church of Grand Island gave a talk on the life of Abraham Lincoln.

Charles W. Neill, who has been suffering from pneumonia, is reported now to be convalescing nicely.

Reports coming from the Miller residences are that Mrs. Hiram Miller is greatly improved.

Mrs. L. Shurman of Pulterton and Mrs. Miller of Manhattan, Kan., have been called to the bedside of their father, W. T. Butler, who is a patient in the West hospital.

Mrs. McDrew is sick. Some time ago she underwent an operation for the removal of a tumor. Another growth of the same nature is developing.

Anderson Adams, who has been on a furlough since February 3 with his children in Omaha, returned Sunday evening.

Lillian Schroeder has made all arrangements for the transfer from the Burkett home to the National Military home at Leavenworth, Kan.

Raymond Downey of Merna made a short call at the administration building on Saturday to pay his respects to his sister, Miss Maxine, head bookkeeper.

Mrs. Mary Barr, who left Burkett on February 8, died at her home residence in Omaha on the 7th. Mr. Barr died at Burkett in October, 1916. Mrs. Barr's sister also passed away at the home last summer.

### Senate Reports State Convention Bill for Passage

(From a Staff Correspondent.)  
Lincoln, Neb., Feb. 14.—(Special Telegram.)—The bill for a constitutional convention, which passed the house last week, came up in the senate and was recommended for engrossment and passage with the Moriarty amendment this afternoon. The amendment simply leaves it to the commission to say whether the amendments shall be submitted separately or as a whole.

### Notes From Beatrice And Gage County

Beatrice, Neb., Feb. 14.—(Special.)—J. C. Burton, an old resident of Beatrice and for more than twenty-five years a conductor on the Union Pacific with a run between Beatrice and Manhattan, Kan., died yesterday morning in a hospital at Lincoln. The body was brought here yesterday and the funeral will be held Thursday afternoon. Mr. Burton was 40 years of age and leaves a widow and three children.

Charles Vitosh and Miss Mary J. Berah, both of Odell, were married yesterday by County Judge O'Keefe. Mr. and Mrs. Vitosh will make their home on a farm near Odell.

At the farm sale of Norman Koenig five miles southwest of Plymouth yesterday four horses sold for \$811. Two cows brought \$106 and \$107 each and a young colt \$107.

Rev. Carl Kurth, pastor of St. Paul's Lutheran church in this city, has received a call to St. Peter's church at St. Joseph, Mo. Mr. Kurth has been in charge of the church here for the last three years and has done good work. He has not yet accepted the offer.

### Secretary Pool to Make Race Against Kinkaid for Congress

(From a Staff Correspondent.)  
Lincoln, Neb., Feb. 14.—(Special.)—The congressional waters appear to look fine to Secretary of State Charles W. Pool, and if he does not change his mind he will be a candidate for the democratic nomination for congress in the Sixth congressional district.  
Mr. Pool has been looking over the returns of the last election and discovers that he carried thirty of the thirty-six counties of that district, winning out over his republican opponent by over 7,000 votes. He polled 11,242 more votes than did the democratic Kinkaid, although the latter polled more votes than did Mr. Pool.

### HYMENEAL.

**Olson-Miller.**  
Wayne, Neb., Feb. 14.—(Special.)—Hans Olson, son of Ole Olson of Stanton and Miss Lillian Miller, both of Stanton, were united in marriage by the county court of Wayne Monday afternoon. After a short trip to Magnet they will go to Stanton to live.

**Moore-Samuelsen.**  
Miss Mable G. Samuelsen, daughter of Axel Samuelsen, and Mr. John Clinton Moore, both of Genoa, Neb., were married by Rev. Charles W. Savidge yesterday.

### State House Notes

(From a Staff Correspondent.)  
Lincoln, Feb. 14.—(Special.)—Dr. J. D. Case spent Thursday in Falls City, where he was investigating several cases of chickenpox.

The state superintendent's office has received and accepted a flood of invitations to speak at school consolidation meetings all over the state. Mr. Dixon speaks Thursday at Elmwood, Cass county. Superintendent Clemmens goes to Saline county Monday, February 19, on a rural consolidation and Mr. Dixon speaks in Osceola February 17. There are four proposed consolidations in Cass county, and several each in Polk and Saline counties.

The school book committee of the rural school committee of the State Teachers' association met at Lincoln again February 22 and 23, to continue work on the selection of reading books for city and county teachers, for which they receive a certain amount of credit.

Governor and Mrs. Neville will give a reception to the members of the legislature and newspapermen and their wives Thursday evening at the mansion.

A dozen wholesale paper and produce houses were represented before the Nebraska Railway commission today at a hearing on the proposal of the Nebraska railways to increase the minimum weight of carload lots of egg case fillers from 24,000 to 30,000—the interstate rate. The firms consent that the increase would be in effect an increase in the freight rates, since many would be barred from taking advantage of carload lots under the new weight schedule.

Governor Neville signed two bills which have been passed by both houses this afternoon—House Bill No. 7, by Hofmeister, which provides that railroads shall forfeit right-of-way when their lines have not been built each year, and House Bill No. 86, by Flansburg, cutting down time of appeals to supreme court from six to three months.

### DEAD ON HIS FEET

GOLD MEDAL Haarlem Oil Capsules will bring new life and quickly relieve that stopped-up congested feeling. They will thoroughly cleanse and wash out the kidneys and bladder and gently carry off the ill effects of excess of all kinds. The healing, soothing oil soaks right into the walls and lining of the kidneys and expels the poisons in your system. Keep your kidneys in good shape by daily use of GOLD MEDAL Haarlem Oil Capsules and you will have good health. Go to your drugist at once and secure a package of this time-honored world-wide remedy in its original patent medicine. It is passed upon by U. S. Government chemists and declared pure before coming into this country. GOLD MEDAL is the pure, original Haarlem Oil, imported direct from the ancient laboratories in Holland, where it is the National Household Remedy of the sturdy Dutch. Look for the name of GOLD MEDAL on every box. Accept no substitute. Your drugist will gladly refund your money if not as represented.—Adv.

### COURT CONTINUES TEN-CENT OIL FEE

Legislature Pushing Bill to Lower Amount Charged for Service.

### TO SUPPLANT FORMER LAW

(From a Staff Correspondent.)  
Lincoln, Feb. 14.—(Special.)—Inspection of oils at the old rate of 10 cents a barrel will continue, notwithstanding the opinion of the supreme court last Tuesday, Chief Justice Morrissey declared in an order today that although the court has held the law invalid, the old law will stand until further order of the court. The order says:

That appearing that the law requires that inspection shall be had before oil can be sold in this state, and that it is equitable that the expense of inspection should be paid by the defendant oil companies, it is ordered and adjudged that the order entered herein on January 21, 1916, be continued in force, and that all monies collected under said order and paid to the clerk of the court be retained by him until further order of the court.

The stipulation referred to was that the companies should continue to pay the 10-cent fee, but the surplus, after the expenses of the actual inspection was met, was to be turned over to the clerk of the supreme court.

The house Tuesday rushed a bill fixing fees at 5 cents a barrel through from a standing committee to third reading, and over to the senate—all in the same day.

This measure, if it passed, will supplant the old law and will apply as soon as the governor signs it. It contains an emergency clause.

### Northwestern Nebraska Dentists Organize

Alliance, Neb., Feb. 14.—(Special.)—The meeting of the dentists of northwestern Nebraska to organize a component branch of the State Dental society, was held here yesterday. There was a very large attendance, practically all the dentists of this section of the country being present. A business meeting was held in the afternoon. The Alliance Commercial club tendered a banquet to the doctors in the evening. The following speakers were present at the banquet: Dean Starbuck of Colorado college, Dr. King of Creighton university, Dr. Ivins of Crawford and Dr. Glen Bliss of Sidney.

### Rev. Herbert of Hinman, Albion Pastor Resigns

Albion, Neb., Feb. 14.—(Special.)—Rev. Herbert J. Hinman, pastor of the Congregational church of this city for the last four years, has tendered his resignation in order to accept the position of financial field secretary for the Ministerial Annuity fund of the Congregational denomination, covering states from Ohio to Colorado. He is a graduate of Oberlin college and has filled pastorates in north and south. Since being here he has assisted quite extensively in denomination work in different parts of the state and in civic work here as a member of the Commercial club.

### Mrs. Victor Innes is Given Three Years in Prison

Atlanta, Ga., Feb. 14.—Mrs. Victor Innes of Eugene, Ore., convicted yesterday of larceny after trust, was sentenced today to three years' imprisonment. With her husband, who already has been convicted and sentenced to serve seven years, Mrs. Innes was charged with misappropriating more than \$3,000 of funds of the Nelms sisters of Atlanta. The young women disappeared from San Antonio, Tex., in June, 1914, and never have been found. Innes and his wife were acquitted in San Antonio of charges of murdering the two women.

### QUICK RELIEF FROM CONSTIPATION

Get Dr. Edwards' Olive Tablets

That is the joyful cry of thousands since Dr. Edwards produced Olive Tablets, the substitute for calomel.

Dr. Edwards, a practicing physician for 17 years and calomel's old-time enemy, discovered the formula for Olive Tablets while treating patients for chronic constipation and torpid livers.

Dr. Edwards' Olive Tablets do not contain calomel, but a healing, soothing vegetable laxative.

No griping is the "keynote" of these little sugar-coated, olive-colored tablets. They cause the bowels and liver to act normally. They never force them to unnatural action.

If you have a "dark brown mouth" now and then—a bad breath—a dull, tired feeling—sick headache—torpid liver and are constipated, you'll find quick, sure and only pleasant results from one or two little Dr. Edwards' Olive Tablets at bedtime.

Thousands take one or two every night just to keep right. Try them. 10c and 25c per box. All druggists.

### Don't Suffer From Piles

Send For Free Trial Treatment

No matter how long or how bad—go to your drugist today and get a 50 cent box of Pyramid Pile Treatment. It will give you relief today.

### GERM LABORATORY MOVED TO OMAHA

House Unanimously Favors Bill to Make Change of Location.

### "CIGS" BARRED TO MINORS

(From a Staff Correspondent.)  
Lincoln, Feb. 14.—(Special.)—Transfer of the state bacteriological laboratory from the control of the State Board of Health in its present location in the state house to the jurisdiction of the university regents, with location with the school of medicine at Omaha, was the subject of much discussion in the house today.

Many members opposed the bill because they did not believe it the proper thing to put the university in control of so many activities of the state, especially one that had nothing to do whatever with education.

Petersen of Lancaster wanted the house to understand that if the bill was passed it must not be charged up to the state university of one of the activities connected with education.

To Provide Adequately.  
Hoffmeister, father of the bill, said there was no move against Dr. Wild to deprive him of his position as state bacteriologist, as he had been already appointed for another term, but it was done so that sufficient assistance could be given him to do the work and not cost the state anything.

The idea of getting something for nothing struck the house in such a favorable light that the bill was recommended for passage by a practically unanimous vote.

The house slipped a cog on the something for nothing idea the next move and recommended a raise to supreme court stenographers from \$1,000 a year to \$1,200 a year. An attempt was made by Dr. Hoffmeister to show that the job of supreme court stenographer was not so much of a job after all. "It only takes six weeks to learn enough to fill a job like that," said the doctor, "and anybody can do it."

Year's Study Necessary.  
This brought Conley of Jefferson to his feet. Conley runs a business college at Fairbury, and he wanted the gentleman from Cass to understand that it took at least a year to become proficient enough as a stenographer to hold down a decent job at a good salary. He said that \$1,200 a year was not any too much for a stenographer.

### competent to do the work required by a supreme court judge.

The bill was recommended for engrossment and passage by a vote of 64 to 23.

Tractor engines will have to keep off of paved roads unless planks are used, according to the Fuller bill which was also recommended for passage this morning. Dalbey, who is an authority on good roads, said that one tractor engine could do more damage to a road than the engine was worth.

### Anti-Cigaret Bill.

Persons are prohibited from smoking cigarettes in church and other public places, including postoffices, according to a bill which was recommended for passage. It applies to persons over 18 years of age and is known as the Fultz bill.

Among the bills favorably acted upon and advanced to the third reading calendar were these:

Requiring regular headlights on all automobiles. H. R. 214, by Harris, Greeley. To count straight party votes for county commissioners, except in vacation periods. H. R. 225, by Norton.

To prohibit use of binding lights on automobiles. H. R. 209, by Largent.

Another bill to increase salaries of public officials has been ditched by

### the house committee on fees and salaries.

It is H. R. 357, by Hostetler, raising the pay of county board members. It was reported for indefinite postponement.

The Liggert bill to appropriate \$10,000 for a physical valuation of the South Omaha stock yards by the railway commission was killed by the finance committee.

Another measure which met its finish was one creating a fish and game commission of three members. Mc-Todd introduced it.

The full proceeds of the one-fifth mill levy for state aid bridges and appropriated for the 1917-18 biennium by the Cronin bill, H. R. 108, which the finance committee sent in for general file. Two years ago, only \$150,000 was allowed for the biennium and the state board consequently made only one-half of the regular levy.

Two of Mr. Dalbey's bills, one providing for the establishment of county workhouses, the other to make road overseers appointive instead of elective, came out of the judiciary committee with recommendations for their passage.

Wilson Nominates President.  
Washington, Feb. 14.—President Wilson today nominated Samuel H. Kent of Honolulu as second judge and W. H. Heen of Honolulu as third judge of the First circuit court of Hawaii.

### To Relieve Catarrhal Deafness and Head Noises

Persons suffering from catarrhal deafness and head noises will be glad to know that this distressing affliction can usually be successfully treated at home by an internal medicine that in many instances has effected complete relief after other treatments have failed. Sufferers who could scarcely hear have had their hearing restored to such an extent that the tick of a watch was plainly audible seven or eight inches away from either ear. Therefore, if you know of someone who is troubled with head noises or catarrhal deafness, cut out this formula and hand it to them and you may have been the means of saving some poor sufferer perhaps from total deafness. The prescription can be prepared at home and is made as follows:

Secure from your druggist 4 oz. Peppermint (Double Strength), about 75 cents worth. Take this home and add to it 1/4 pint of hot water and 4 ozs. of granulated sugar; stir until dissolved. Take one tablespoonful four times a day.

Peppermint is used in this way not only to reduce by tonic action the inflammation and swelling in the Eustachian Tubes, and thus to equalize the air pressure on the drum, but to correct any excess of secretions in the middle ear, and the results it gives are nearly always quick and effective.

Every person who has catarrh in any form should give this recipe a trial.—Adv.

**Low my  
fine complexion to  
Resinol Soap**

The soothing, healing Resinol medication in Resinol Soap, combined with its freedom from harsh, irritating alkali, gives to red, rough and pimply complexions that whiteness and velvety softness which women crave.

A skin washed only with Resinol Soap is usually a skin to be proud of.

When the skin is in really bad condition, spread on just a little Resinol Ointment for ten minutes before using Resinol Soap. Resinol Soap and Resinol Ointment are sold by all druggists.
