CHAP THESE DAYS

Great Rush in Last Twenty Four Hours, Followed by Activity in Divorce Courts.

AVERAGE AGE IS LOWER

Wednesday afternoon and Thurs day morning witnessed the greatest rush for marriage licenses at the court house for several months. More than twenty of the legal permits to wed were issued by "Cupid" Stubben-dorf in the twenty-four-hour period. "Cupid" avers that the faint touch of early springlike weather must have awakened the "love bird," which as a rule does not start to get in its most deadly work until May or June. The approaching Lenten season probably is the principal cause of the storming of Douglas county's marriage license desk by lovesick swains and maidens bent on traveling in single harness. After Lent starts wedding festivities and prenuptial celebrations are generally taboo in society, hence the staging of the final set in the countship game. act in the courtship game.

Divorce Business Brisk.

Simultaneously with the increased activity in the marriage license market business was unusually brisk in the divorce courts, a large grist of cases being filed and several decrees granted. "Cupid" indignantly denies that the two departments are working together, adding that he has figures to show how Old Divorce Bill could be dealt a knockout blow if prospective bridegrooms and brides would always consult him before beginning their "life sentences."

Omaha Company Wins Fight for Many Thousands

The American Fidelity company of Montpelier, Vt., lost its case against the Lion Bonding and Surety company of Omaha this week in federal district court here. The Vermont company had brought the case against the local company for the recovery of \$29,300. The court directed the jury to return a verdict for the defendant.

This case was of much concern to all corporate surety companies throughout the country by reason of the principle involved. The American Fidelity company executed on December 3, 1913, a depository bond on behalf of the La Salle Street Trust and Savings bank of Chicago, Ill., real, running to the city of Chicago, Ill., to guarantee the deposits of city funds in that bank. Another divorced duo, Harry Hedley, 24 years old, and Bertha Hedley, 19 years old, both of Omaha, couldn't stand remaining apart any longer.

Average Age.

Statistics compiled by "Cupid" Stubbendorf on the last 100 marriage licenses issued show that the average age of the men was 25 years and the women 22 years. This shatters all previous averages for youthfulness, and would probably have been considerably lower if several elderly couples, ranging from 50 years old to 70 years old, had not horned in on the younger couples' game.

TURNS ON GAS TO WIN BACK HUBBY

Quarreling Pair is Reconciled When Woman Tries This Scheme.

FALLS AS IF IN A FAINT

According to the methods of one Omaha wife, a woman can win a husband to her way of thinking by

infant of 6 months. The wife left her home and parents in Denver when she was married in Omaha four years ago. She yearned to return to her Colorado home, but the husband was not inclined that way, not until he discovered his wife in a bedroom which gave evidence of escaping gas Wednesday morning.

Issues Pastoral

Rt. Rev. A. L. Williams, bishop of the Episcopal diocese of Nebraska, has issued the following pastoral to his diocese for Lent:

The husband works at night-time. Shortly after he returned home there was a quarrel. The wife went to her bedroom, turned on the gas, and in a few minutes fell to the floor.
