

Brief City News

Wedding Rings—Edholm, jeweler, has been fitted with the new design. Ben Klone, books, moved to Loyal Hotel Bldg. Checking Revenue Office—For the purpose of checking up the internal revenue office here L. M. Dolde, federal inspector, is here from Washington. The check-up is a periodic routine part of the government's business.

Gilliam Promoted—John J. Gilliam, a resident of the South Side, has been promoted from the rank of inspector to that of agent in the federal income tax department. He is assigned to duty under Revenue Agent John A. McCabe.

Fined for Short Weight—Short weights came high for seven peddlers and grocery men in police court. Ben Slinger, 2613 Hamilton street, a peddler, was fined \$5 and costs for selling a peck of apples that was under the regulation measure, as were also six grocers.

Recruiting Aides—Lieutenant W. W. Waddell of the navy recruiting station has returned from a visit to the station at Sioux Falls. He has just received two more men to assist in the increasing recruiting work. They are F. J. Ross, chief yeoman, and A. Bohne, quartermaster first-class.

Protest Income Law—The Commercial club is making a formal protest in congress against the passage of House Bill No. 29573. This bill calls for an income tax of 8 per cent on all over \$5,000 in net incomes of all corporations and co-partnerships whose profits exceed 3 per cent on the capital actually invested.

More About Water Mains—That the charge for installing water mains should be refunded to the users of the water as soon as the additional revenue produced by said extensions shall be equal to 7 per cent of the cost of the extension, is the belief of the Commercial club. The executive committee has recommended that the statute be revised to incorporate this provision.

Walter Koepfer Buried Today—Funeral services for Walter Koepfer, 17-year-old son of Mr. and Mrs. Fred Koepfer, 2211 Lauritzen, a student of the High School of Commerce, who died following a brief illness of cerebro-spinal meningitis, were held Thursday afternoon at 2 o'clock from the Haynes chapel. The funeral was private. Interment was in Forest Lawn cemetery.

Five Fireplace Goods—Sunderland, Nebraskans Meet To Plan a Bigger Navy for Nation

"Our country is facing a crisis. The fires of patriotism are already burning."

These words preface the call for a meeting which the Nebraska branch of the Navy League of the United States, with headquarters in the Omaha National bank building, issues. The notice, which urges all citizens to assemble, continues: "In many of the larger cities great interest in the navy is manifested. In the opinion of our officers, Nebraskans are ready to take part in the national movement for a large navy. Congress has authorized 25,000 recruits. The Navy League of the United States has volunteered to assist the president in any emergency. We feel that our people would like to hear a discussion of the situation. Therefore we have called a public meeting for Friday evening, February 23 at 8 o'clock at the Fontenelle hotel assembly room. There will be good speakers. Everybody is cordially invited. No admission fee."

Interesting Speaker at Temple Israel Tonight

Mme. Bella Pevsner will occupy the pulpit at Temple Israel Friday evening, speaking on "Glimpses of the Jew in Many Lands." Mme. Pevsner is an interesting character, a woman of great eloquence and personality. She lived for some time in Palestine, which formed the subject for many of her lectures and she has traveled extensively on lecture tours through Europe, the Orient, South Africa and this country. Mme. Pevsner spoke in Omaha some ten or twelve years ago.

"It was Kishineff and the Dreyfuss case that made me a champion of Judaism," Mme. Pevsner states. "These outrages shocked me into a realization of the plight of the Jews. Since then I have lived for the cause." There can never be real assimilation for the Jews in any country, she believes. "The inner spirit of one people in the flower of their traditions and ideals cannot be grafted on another," according to her view. "All that can be adopted are the surface manners and superficial traits." The public is invited to this free lecture.

Omaha Sells Bonds at Better Rate Than One Year Ago

War clouds are said to have deterred some bond houses from bidding for \$59,500 Omaha municipal bonds, which were awarded to Spitzer, Rorick & Co. of Toledo. Only three bids were received. The successful bidders offered a premium of \$14,685, which would reduce the interest from 4 1/2 to 4 1/4 per cent. This premium is fifteen points better than offered the city a year ago on similar bonds. The bonds sold were: Sewer, \$200,000; intersection, \$100,000; par, \$50,000; street improvement, \$209,500. The street improvement bonds run from one to nine years; the others are straight twenty-year bonds.

RHEUMATISM PAIN

The exact cause of rheumatism is unknown, though it is generally believed to be due to an excess of uric acid in the blood. It may be also said with equal truth that no remedy has been found which is a specific in all cases. In fact the literature of rheumatism shows that there are but few drugs which have not been given a trial. In the hands of one observer we find that a certain drug has been used with the utmost satisfaction; others have found the same remedy to be a great disappointment. All physicians however agree that every method of treatment is aided by the administration of some remedy to relieve the pain and quiet the nervous system and Dr. W. B. Schullize expresses the opinion of thousands of practitioners when he says: "The A-K Tablets should be given preference over all other remedies for the relief of the pain in all forms of rheumatism. These tablets can be purchased in any quantity. They also unsurpassed for headaches, neuralgias and all pains. Ask for A-K Tablets."

HAPPENINGS IN THE MAGIC CITY

Foreign-Born Laborers in the Packing Plants Study to Get Second Papers.

SCHOOL IN CUDAHY PLANT

To become citizens of the United States was the central intent of 100 or more foreign laborers at the Cudahy packing plant who met in school session at the plant at Thirty-third and N streets last evening. E. E. Herman, representative of the Young Men's Christian association, who has sponsored the movement from the start, introduced R. M. Switzer, instructor, who will take charge of the class.

Most of the men have already obtained first papers and are preparing for their second papers. The questions answered in this examination are far more difficult and will require considerable drill in school session. Mr. Herman advised Superintendent Patrick Sheehy and General Manager M. R. Murphy of a plan to educate their employees who were about to become full-fledged citizens and the latter immediately sponsored the matter. A meeting of men interested was called a week ago and the large number that turned out surprised the investigators.

It is planned to extend similar teaching classes among all the plants. At the Armour plant there is already in full force a fine rudimentary and graduated school system with a number of Young Men's Christian association teachers instructing. Switzer also has a school while Morris has the plan under consideration.

Meet Central Friday.

After a lapse of three years, high school basketball boys of Central and South High schools will meet on a South Side floor for one of their annual games Friday evening. More than usual interest is manifest in the game here and it is expected that the gymnasium at Twenty-fourth and J streets will be packed to the doors.

New bleachers have been erected in the gym during the last two days. Coach Patton has called practice off these two days to permit this work to progress and to give his team a rest.

Two weeks ago the teams met on the Omaha "Y" floor and the score resulted 20 to 18 in favor of the Central five. Members of the squad are Ray Wilson, Lyman Corr, William

Graham, Wayne Emigh, Jimmie Etter, Art Hedgren and Jack Oswald.

Lamb Record Broken.

The lamb market price record was smashed by a full 10 cents per hundred weight yesterday. Tuesday a record, one of a vast number made this year, was counted up when home-grown Mexicans from western Nebraska sold at \$14.60. Yesterday Clay Robinson company disposed of a lot of 616 fat lambs from the famous Bond and Scott yards at Wood River at the high record of \$14.70.

Market enthusiasts predict a "\$15 lamb," which will in a measure form a good partner for the recent "\$12 hog." The stock yards is perhaps now the central idea of every butcher and housewife in the city of Omaha and leading retail markets of the Missouri valley for it is here that the high cost of living as far as meats are concerned is being urged upward.

Rob Little Girl.

Juvenile Officer Gus Miller took charge of three boys arrested on an incorrigibility charge last evening. Evelyn Flowers, 5-year-old daughter of P. J. Flowers, Thirty-eighth and L streets, reported to her mother and later to the police that three young urchins about 10 years of age each pounced upon her as she was coming from a grocery store at Thirty-third and L streets, where she had been sent by her mother to make some purchases, and took a two-dollar bill away from her. The police arrested Tony Radvickovski, Fortieth and L streets, a 12-year-old boy, and found the bill in his possession. He confessed to the robbery and caused two other smaller boys, one aged 9 and the other aged 12, to be arrested.

Mrs. Abramson Dead.

Mrs. Esther B. Abramson, aged 26 years, wife of A. J. Abramson, the contractor, died at her home of tuberculosis after a long illness. The young couple were only recently married and are prominent in Swedish circles. Mrs. Abramson was the daughter of Mr. and Mrs. J. P. Johnson of the South Side. Several sisters and brothers also survive. The funeral will be held from the residence, Twenty-second and K streets, Sunday morning at 10:30 o'clock, to the Swedish Baptist church. Mr. Arlander, pastor of the church, will officiate. Burial will be in the Graceland Park cemetery.
