DENVER PIN TEAM TO ROLL IN OMAHA

Will Stop Off for Clash With Local Bowlers on Way to A. B. C.

OMAHANS WIN AT ONAWA

The American Greeter team of Denver, Colo., will stop off in Omaha March 4 on their way to Grand Rapids. This strong team of mountaineers will have in its lineup two faces familiar to local bowling enthusiasts who followed the game here a few years ago. G. O. Francisco, former alley man here, and L. O. Gjerde, one of our best rollers when he resided here, are in the squad. The team is making several stops on its way to the eastern meet, and according to the statements of both Gjerde and Francisco, is strong enough to make expenses meeting teams in cities through which they pass.

The Northwest tournament at Onawa, Ia., held the interest of the local bowlers last week. Three fast Omaha fives participated in the matches, and to say that they made a good showing would be putting it somewhat mild, as the local pinpleppers carried away the largest portion of the prize money, against competition with teams from Yankton, Sioux City, Le Mars, Sioux Falls and other northern burghs boasting of strong bowling aggregations. The demonstration of the local rollers has given them confidence which will do much towards their success in the coming American Bowling congress tournament in Grand Rapids, Mich., March 3. Four strong teams are entered from here, their lineup containing the city's best. Secretary A. C. Langtry has scheduled them to shoot on March 25 and 26, the last days of the big event. When the curtain closes this big annual affair, it will not be an unusual sight to see the names of Omaha rollers high up in the standing.

Kearney Normal Basket Ball Team Closes Season

Kearney, Neb., Feb. 25.—(Special.) The Kearney Normal basket ball season closed here Friday night, when the Perm quintet defeated the locals by a score of 34 to 24. The game was a good one from the start, the first half going to the locals with a three-point lead. The visiting five took a spurt in the last half and played a good steady game, which won out for them. The Normals of Kearney failed to make a very good showing this season, landing but one game of their scheduled series, this being the opening contest of the season with Grand Island. On their first trip from home they were badly crippled up. Domicer, the captain, having a bad ankle, and several of the players being handicapped in other manners. The result was four straight defeats, all of them by one-sided scores.

Some Good Advice. "Don't think too much of your own methods. Watch other people's ways and learn from them." This is good advice, especially when bilious or constipated. You will find many people who use Chamberlain's Tablets for these ailments with the best results, and will do well to follow their example.

JOHNNY OVERTON CAPTURES FRESH LAURELS.

Johnny Overton of Yale, intercollegiate cross-country champion, has added new laurels to his record, furnishing the sensation of the sixteenth annual indoor meet of the Second Division Naval militia, New Haven, Conn. Overton captured the mile run and set a new track record for the state armory by coming in first in the 1,000-yard intercollegiate run. Overton's time for the mile was four minutes twenty and one-fifth seconds.

Cornhuskers Get Bulldogs' Pelts By 23 to 13 Score

Des Moines, Ia., Feb. 25.—(Special Telegram.)—The basket ball quintet of the University of Nebraska outplayed the Drake five here tonight in every department of the game and won, 23 to 13.

The Nebraskaans took the lead in the first half and were never headed. The score at the end of the initial period was 11 to 1 in favor of the Cornhuskers. Drake played madly at the start of the second half and succeeded in pulling up a few points closer to the speedy opponents, but their spurt was brief.

Captain Campbell was the star of the game with five baskets. Fiothow was a close second with four. Hawley, the Drake forward succeeded in caging three, while the close guarding of the Nebraskaans and the wildness of the Drake tossers prevented Hawley's teammates from hitting the ring but once. The lineup:

Nebraska Wrestlers Prove Too Speedy for Hawkeyes

Iowa City, Ia., Feb. 25.—(Special Telegram.)—Nebraska wrestlers who invaded Iowa this evening proved too much for the Hawkeyes and won the dual match, 26 to 14. Parrott of Iowa had little trouble in flopping Burgess of Nebraska in the 125-pound class in 6 minutes and 10 seconds and his opponent forfeited the remainder of the match because of a bad ear.

The fastest match was in the heavyweight class, when Harbison, 168 pounds, downed Maloney, 186 pounds twice after a fast exhibition of clever foot work in his first wrestling match. Francis of Iowa fell into the grip of Bryan after the latter had thrown him over his shoulder onto the floor, winning his fall in 5:35.

Heavyweight class: Harbison (Ia.), 168 pounds, threw Maloney (Neb.), 186 pounds, first fall in 5 minutes 34 seconds with further arm hold and leg lock; second fall in 5 minutes 13 seconds with body chancery. Referee: Dr. Clapp of Nebraska.

HAWKEYE BASKET BALL TOURNAMENT

Elimination Contests Will Be Held in Eight Cities on March 9 and 10.

FINALS AT IOWA CITY

Des Moines, Ia., Feb. 25.—Approximately 150 high schools from every county in the state are to compete this year in the annual competition for the state basket ball championship, according to an announcement by W. H. Blakely, secretary of the board of control of the State High School Athletic association.

Following are the entries in the eight tournaments:

Three Floor Frays In Front of Mills' Warriors This Week

The coming week will see the Creighton basket ball squad lined up against three of the fastest teams in the west. Monday the team journeys to University Place to meet Bill Klein's Wesleyan squad, who went down to defeat on the Creightons early in the season. Coach Mills, however, is expecting to encounter some difficulty in downing the Coyotes on their own floor, which is smaller than the regulation court at the local gymnasium. But the Blue and White squad is going better than at any time during the season and if it turns out the brand of basket ball witnessed at the recent Dubuque game, the followers of the team have little doubt about the outcome of the Wesleyan battle.

Drake university, which gave Creighton a toughie on February 22, will be met on the local's floor Wednesday night. Mills' squad was handicapped in the Des Moines game on account of playing in the afternoon and the lighting arrangement bothered them considerably. The Iowans, however, have a team that ranks high in the Valley race and have been displaying a world of speed, but this will only make the Creighton warriors fight harder, as is evident from their past performances.

Sunday May Have Been Some Day, But Just Wait for the Easter Parade

"Sweet Spirits of Nitre" The young traveling man who blew in Saturday for the week-end, after making the up-state trade in canned goods, slammed his hat down on the hotel desk yesterday at one of the downtown inns and paused dramatically, looking the clerk square in the eyes.

"Smatter, j'git y'r pocket picked?" asked the clerk, springing the stock question he uses on all excited individuals. "Or was it wild horses?" "Chickens!" gasped the drummer. "Chickens! Well I'll be g-darned! Them there con-men'll try most anything."

"No! No! No! I ain't been miked! Think a wise drummer like me'd get jipped by a con man? Say, that's my racket! No! What I mean is just 'chickens'—whew!—say, I been makin' this burg every week-end for five years an' I never knew there was so many pretty gals in Omaha until today. Gee, I got callouses on the back of my neck from where I wore out the back of my collar turnin' around so much to look!

Germany Blames Dutch Ship Owners For Loss of Craft

London, Feb. 25.—The German legation at The Hague, says a Reuter dispatch from the Dutch capital, has issued a long explanation of the torpedoing of the seven Dutch steamers, in which it says:

"The date for the safe homecoming of Dutch vessels on English ports, which at first was fixed for February 22, was subsequently, in view of the situation in Holland, postponed to February 9 and February 11. On February 14 Dutch ship owners were informed that their vessels could leave in a group on February 22 or March 17.

"For those vessels leaving on February 22 only relative safety could be guaranteed, but vessels leaving on March 17 could have an absolute guarantee against submarine attacks, as it would be impossible by February 22 to inform with certainty all submarine commanders of the concessions made to Holland."

Dr. W. E. Morgan Proves Himself to Be "Some" Shot

"Dick" Ruppinger, former Creighton athlete, now of Lincoln, but well known here, comes up with a good story which he furnishes with affidavits properly made out.

He says last Thursday in Boone county, the citizens organized a wolf hunt and beat a thirty-mile circle. They got two wolves, and sold the pelts for charity.

"I shot one, and am having him mounted, but that ain't the story," said Ruppinger, when he arrived in Omaha yesterday.

"Dr. W. E. Morgan, who is also a Creighton man, had a little .25-caliber pistol. Pretty soon someone saw an owl in a tree and fired with a shotgun and missed. At least half a dozen other fellows fired, missing too. The bird started to fly and was out of shotgun range, when Morgan pulled the pistol and fired. The bullet entered one of the bird's eyes and came out the other."

Reichstag's Chief Says Approaching Decisive Struggle

Berlin, Thursday, Feb. 22 (By Wireless to Sayville, Feb. 25.—The speech by Dr. Johannes Kaempf, president of the Reichstag, at the opening of the session today is reported by the Overseas News agency as follows:

"We are apparently approaching the decisive struggle in the gigantic war of nations. Magnanimously the German emperor, together with his allies, stretched out the hand of peace to our enemies. They refused this hand with jibes and jeers. In the face of this rebuke Germany seizes the weapon of which it desires to make unrestricted use and which has been forged by its energy and its advanced technique. In the solemn, serious hour in which we live we are sure that we shall not lay down this weapon before we accomplish the aim of this war—the defense of our independence and the freedom of our homes."

"As we enter now upon the greatest struggle we send grateful, admiring greetings to our proud army, to the armies of our allies, to our proud navy, to our unconquerable submarines and their crews, courageous unto death. We send greetings to our experienced leaders who have proved their genius on land and sea. We send greetings to the whole nation, which is working as never before, in spite of all difficulties, for the emperor and the empire, for the freedom and independence of our country and our homes."

CENTRAL TOSSERS TRIM ATCHISON

Omaha Five Comes Back Strong After Defeat at St. Joseph.

PLAY FAST ALL THROUGH

Atchison, Kan., Feb. 25.—(Special Telegram.)—Omaha Central High won from the Atchison High school on the Midland college floor, 45 to 37, tonight.

Omaha showed a great reversal of form from that displayed at St. Joseph last night. Jesse Patty, Omaha captain, led his team in a fast attack upon the locals, who expected something easy from reports of the game the previous night. Following Patty in the scoring were Smith and Maxwell, who held the score of the locals down during the first half, but Allyea and Wolfe, the forward combination for Atchison, got loose in the second half for a total of nine field goals and succeeded in reducing the lead established by Omaha early in the game. The half ended 29 to 16.

Omaha started the second half at the same fast pace, but during the last ten minutes of the game its defense slipped and a rally by Atchison resulted in a fast diminishing lead toward the close. The two Omaha substitutions were made with one and one-half minutes to play.

The lineup:

OMAHA:	ATCHISON:
Smith	Allyea
Patty (c)	Wolfe
Maxwell	Wolfe
Logan	Lane
Konecky	Dunning
Konecky	Ham

Substitutes: Knepper for Patty, Wisler for Konecky. Field goals: Smith (3), Patty (3), Maxwell (1), Logan, Allyea (1), Wolfe (5), Lane (3). Free throws: Patty, 5 out of 11; Allyea, 7 out of 12. Referee: S. Bunnell of Kansas university. Time of halves: 20:00.

Kendrick Vetoes Bill to Raise Governor's Salary

Cheyenne, Wyo., Feb. 25.—(Special.)—Governor John B. Kendrick, who is about to retire from the office of governor to assume that of United States senator, vetoed a bill passed by the legislature which increases the salary of governor from \$4,000 a year to \$6,000 a year. The bill also increases the salaries of the secretary of state, state auditor and state treasurer from \$3,000 a year to \$4,000 a year. The governor gave as the chief reason for his refusal to approve the bill the assertion that the state is not yet financially in a position to increase the salaries of the officers named.
