A most attractive homebuilt to live in,

not to rent; built to last a lifetime; beautifully finished and decorated;

in the very best residence district.

This is one of the best built homes in This is one of the best built homes in Omaha. Stone foundation and basement under the whole house, and solid brick above; full brick cross wall. No veneer. The porch steps, front, back and to the sun parlor, are all stone. The roof is slate. The coal bins and fruit cellar of tile. There is practically no cost for painting or repractically no cost for painting or re-

practically as the second of the library with built-in book cases is solid cherry; the halls and stair case of oak. The dining room is paneled in Venitian oak. All floors upstairs as well as down are hardwood, quarter-sawed beach, except the kitchen, which is maple, and tile under the stove. A large double storm windowed and screened sun porch is connected with both the library and dining room by French doors. The walls of the first floor and upper hall are covered with hand decorated burlap, except the music room. There are three bath rooms. The ample closets all have outside windows and wardall have outside windows and ward-robes and chest of drawers, which will delight any woman. There is a laundry, fruit cellar, furnace room and space which can be finished for aundry, truit ceilar, turnace room and space which can be finished for a billiard room in the basement, which is cemented throughout. Soft water is furnished from a large cistern. The house has a gas hot-water heater for summer use, thermostat, electric outlets, etc.

It is so well built that 15 tons of coal will heat it throughout, and with solid brick walls it is wonderfully cool in summer.

As it is at the very crest of the hill in the summer there is always a breeze there if anywhere. It is con-venient to the car line and in the choicest residence section of Omaha. The price is very reasonable, and terms will be made to suit the buyer's convenience. Owner is leaving
