His condition has improved dur-ing the last twenty-four hours. Likhtford's Survessor Herre-IE. H.

ing the last twenty-four hours. Lightfoot's Successor Here—E. H. Holmes, Sloux City, who succeeds Joe Lightfoot as city passenger and ticket' agent for the Illinois Central Rali-road company here, has arrived and is being checked in. Joe Lightfoot, who has been promoted to the position of traveling passenger agent for the same company, with Iowa, portions of South Dakota, Illinois and Wisconsin, with headquarters in Dubuque, leaves Wednesday for his territory. Leaves Valuables in Clothes—It's

Wednesday for his territory. Leaves Valuables in Clothes—It's an every-day affair in the modern cleaning plants to find a dollar or two in the customers' clothes but when the "before-cleaning" impector walked into the office of the Carey Cleaning company and handed Miss Wahasky, office manager, \$150, it was out of the ordinary run of affairs. The owner, H. D. Frankfurt, archi-tect, with offices in the Bee building, was also surprised when he was asked to identify his property, which was returned to him before he missed it.

of which on a basis of \$4,000,000 was completed in Chicago and New York Portrait of G. W. Wattles for the manufacture of Redden-Truck-Makers.

Makers. The main factory of the enterprise will be located either at Joliet, Ill., Jackson, Mich., or Chicago, where the people interested already have large manufacturing interests Subsi-diary plants will be installed and oper-ated after the plan that has proven successful by the Ford Motor com-pany.

pany. The Redden-Truck-Maker is a device for converting new or used please ure cars into trucks. It is patented by Albert E. Cook. Prominent in the organization of the Redden Truck company are the following:

WOMAN MAKES GOOD Husband Tries to Cremate His Wife AS AUTO SALESMAN And Two Children

Chalmers' Agent in Paris Overcomes War's Obstacles and anced the o ind of Frank Koback, Eleventh and Seward streets, that he tried to set his home on fire early Sunday morning and cremate his wife and two grown children. Koback was Business Booms.

### A FAMOUS AVIATRIX

Mile, Helene Dutrieu of Paris, the first woman to operate an aeroplane, and famous as the holder of many long distance records in aviation, was a recent visitor to the plant of the Chalmers Motor company. Mlle, Dutrieu arrived on the steam-

Arcside and will be taken before the insanity commission. Neighbors say that Koback has worried considerably over the war question recently. He comes from Austria and is said to have a brother and a number of relatives on the Aus-trian side. For the last year, it is said he has er Espagne, which narrowid scaped being torpedoed off the coast of France. For the last year she has had the French sales rights of the Chalmers cars and has enjoyed an For the last year, it is said, he has een incapacitated for work, because f constant worry. Neighbors prevented him from carying out his plan. excellent business, despite war con

Four-Passenger Allen Since the war I have been forced to give up my active work in avia tion," said Mile Dutrieu in Detroit "The French authorities do not per-mit the use of planes save for mil-tary purposes and I have not used my plane since the first time Paris New York and Chicago shows which 'made good" to an unusual degree was threatened by the German army. At that time I reported for scout duty and was on active service for several was the new Allen four-passenger "Classic" roadster. This new model sells for \$875 and bids fair to vie with cars of this st/le selling for \$1,000 and weeks.

#### Doubling Prices.

over. The four-passenger aller. "Classic" is built on the standard Allen classis Doubling Prices. "At present the French govern-ment charges 70 per cent duty on American cars and freight charges are so high that by the time the cars are set down in Paris, they cost 100 per cent more than factory price. In spite of this fact I can sell all the Chalmers 'cars that I can get. Among my re-cent customers was Henti Farman, the biggest builder of aeroplanes in Europe. Mlle. Marthe Chenaille, the reigning actress and beauty of Paris,

the biggest builder of acroplanes in Europe. Mile. Marthe Chenaille, the reigning actress and beauty of Paris, also drives a Chalmers Six." Before leaving Detroit Mile. Du-trieu ordered a big shipment of cars for immediate delivery to her head-quarters in Paris. She intends to sail for home within the next ten days.

#### Lieutenant Tipton Has Been Dismissed from Navy

Thomas M. Tipton, who as a lieu-tenant was in charge of navy recruit-ing in the Omaha district until last July, was dismissed from the navy January 3, according to publication in the last issue of the Navy Register, just received here. Persons familiar with naval procedure say that dismissal from the service only tollows the consideration and judgment of a court martial.

Lieutenant Tipton was well known Lieutenant lipton was well known here and had many friend, and ac-quaintances. Details of his case are lacking. He was last serving tem-porarily on the North Dakota of the Atlantic fleet, with Norfchk as the home yard. Lieutenant W. W. Wad-dell succeeded Tipton herc.

#### **Officials Learn in Texas** To Like Nebraska More

Admitting that the Lone Ltar state boasts of a pretty nice climate, but declaring unanimously that "good old Nebraska is good enough for them." four members of the county board returned to Omaha Monday morning after a week's sojourn in Texas, where they inspected the rebuilt maca-

where they inspected the rebuilt maca-damized and stone roads in the vicin-ity of Dallas and San Antonio with the idea of making similar improve-ments in Douglas county. The "Finley method" is in general use in Texas about the larger cities for rebuilding macadamized and stone highways, according to the commis-sioners. Commissioner Lynch was much impressed with the way the roads are kept up in certain parts of Texas He and Commissioners Mc-Donald, O'Connor and Compton made the trip. Commissioner Bedford re-mained in Omaha.

**Combing Won't Rid** Hair of Dandruff

The only sure way to get rid of fandruff is to dissolve it, then you destroy it entirely. To do this, get about four ounces of ordinary liquid arvon; apply it at night when retir-ing; use enough to moisten the scalp und rub it in gently with the finger ins

and rub it in gently with the finger ips. Do this tonight, and by morning most if not all of your dandruff will be gone, and three or four more ap-plications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have. You will find, too, that all itching and digging of the scalp will stop at once, and your hair will be fuffy, lustrous, glossy, silky and soft, and look and feel a hundred times better. You can get liquid arvon at any drug store. It is inexpensive and never fails to do the work.—Adv.

Hold Extra Session Sure "Charlie" Wooster wants congress to hold an extra session, and to that end he has sent this telegram to Sen-ator Henry Cabot Lodge: "Lincoln, Neb., Feb. 24.—To Hon. Henry Cabot Lodge, United States Senator, Washington, D. C.: Force extra session sure. Patriotic act. Wil-son more dangerous to country than German submarines. This from a democrat and old soldier of the civil war. "CHARLES WOOSTER."

----

If your nostrils are clogged and your head is stuffed and you can't breathe freely because of a cold or catarrh, just get a small bottle of Ely's Cream Balm at any drug store. Etys Cream Baim at any drug store. Apply a little of this fragrant, anti-septic cream into your nostrils and let it penetrate through every air pas-sage of your head, soothing and heal-ing the inflamed, swollen mucous membrane, and you get instant re-lief.

Ah! how good it feels. Your nos-trils are open, your head is clear, no more hawking, snuffling, blowing; no more headache, dryness or struggling for breath. Ely's Cream Balm is just what sufferers from head colds and catarrh need. It's a delight.—Adv.
