

### WHEAT AND CORN STARTLE MARKET

Cash Corn of Last Year's Crop Reaches Record Mark—Hard Wheat High.

#### "WORST IS YET TO COME"

New high grain prices were marked up by the Omaha Grain exchange when cash corn, of last year's crop sold at \$1.03 and No. 2 hard wheat sold at \$1.96 cents per bushel.

Early last fall a carload of prime yellow corn of the 1915 crop sold at \$1.03. But Saturday not only one, but a dozen carloads, sold at \$1.03.

The previous top cash price on No. 2 hard wheat was \$1.95 per bushel. That was last fall and then but one carload reached this mark. Saturday six cars sold at \$1.96 per bushel.

And for the consumer, say the grain men, the worst is yet to come. The

opinion of many of the dealers that \$2 wheat and much higher priced corn will be in evidence before the end of another week.

#### Option Is High

While the cash price attained by corn was starting, the option was staggering. Corn for May delivery sold as high as \$1.07 1/2; July delivery, \$1.07 1/2, and next September, \$1.05 1/2 a bushel.

For a Saturday the Omaha receipts were just fair. There were thirty-seven cars of wheat; forty-four of corn, and twenty-five of oats on the market.

Wheat sold all the way from \$1.90 1/2 up to \$1.96, an advance of 3 to 6 1/2 cents over the prices of Friday.

There were no sales of corn under \$1 per bushel, the ruling prices being \$1.01 at \$1.03. The advance was 3 1/2 to 4 cents a bushel.

Oats topped the market, but the advance was less than on wheat and corn, it being 1 1/2 to 2 cents a bushel. The range in prices was narrow, the sales being made at 58 1/2 to 58 3/4 a bushel.

### STEALS TO FEED STARVING FAMILY

Police Find Only Fifteen Cents in Home of Man Who Turned Burglar.

#### HELD FOR DISTRICT COURT

Because his family of four small children, all under 6 years of age, were starving, it is believed to have prompted John A. Anderson, 600 South Twenty-eighth street, to rob the boarding house managed by Mrs. M. Houston, 2021 California street, Friday evening. When officers called at Anderson's home they found his family destitute and only 15 cents in the place.

Although when caught he had a collection of valuables which he had ransacked from rooms of the boarding house, police believe that his intention was to get food for his family. "Many nights we have had to send our children to sleep without any sup-

per," Mrs. Anderson told detectives. "I urged John to quit stealing and he promised me faithfully. I wanted him to get a job and go to work."

In police court Anderson pleaded guilty to the robbery and was bound over to the district court on \$750 bonds. He also admitted the theft of the blue serge suit which he was wearing at the time of his arrest.

#### Miss Alice Paul Chosen Head of Woman's Party

Washington, March 3.—Miss Alice Paul of Pennsylvania was elected unanimously today as national chairman of the national woman's party formed yesterday by the amalgamation of the Congressional Union for Woman Suffrage with the former woman's party organized in Chicago last June. Miss Mabel Vernon of Nevada was elected secretary and Miss Gertrude Crocker of Illinois, treasurer. An executive committee of ten was appointed.

Officers and delegates of the woman's party unanimously agreed that the suffrage demonstration at the White House Sunday afternoon would take place rain or shine. The grounds are to be surrounded by suffrage sentinels.

#### Hogs Reach Top Price

Of \$13.55 on Omaha Market

With the hog market at 20 cents higher than the previous day, hogs on the South Side market reached \$13.55. The top Friday was \$13.30.

Packers and speculators snapped up the supply early with great avidity, cleaning out the visible run by 9 o'clock, which is very exceptional in the local stock yards.

The bulk of the offering sold at \$3.25 to \$13.45, which was an easy 20 cents above the bulk of Friday, while the top was a quarter above the top of Friday.

#### City Hall Denizens Will Go to Capital Tuesday

A delegation of city hall people will go to Lincoln next Tuesday noon to appear before the house committee on cities and towns in connection with a civil service bill being fostered by city officials. The hearing has been set for 4:30 p. m. in the state house.

### Kidnaps Two Little Girls from Kansas And is Caught Here

Stricken with a mania to run away with neighbor children, Miss Ruth Mohrman of Morrill, Kan., traveled to Omaha with Edith Davis and Ruby Winkler, each 6 years of age and children of neighbors of the Mohrman family.

The actions of Miss Mohrman on a train and at the Carlton hotel aroused the interest of George Townley, who notified the police. The Kansas woman and her two small traveling companions were taken from the Carlton hotel at 2 a. m. by the police.

Miss Mohrman's mind appears to have been affected. She would give the police no intelligent reason for running away with the 6-year-old girls beyond to state that she just wanted to take them for a train ride to Omaha. She said she had heard of Omaha for years and wanted to see this city.

Relatives of the children and Miss Mohrman are on the way from Kansas
