The domand for farm labor in Canada is great. As an inducement to secure the necessary help at once, Canada will give ONE HUNDRED AND SIXTY ACRES OF LAND FREEZ AS A HUMBETEAD and allow the time the farm laborer, who has filed on the land to apply as residence duties the same as if he actually had lived on it. Another special concession is the reduction of one year in the time complete duties. Two years instead of three as heretefore, but only to meaworking on the farms for at least six months in 1917. This appeal for farm help is in no way connected with enlistment for military service, but solely to increase agricultural output. A wonderful opportunity to secure a farm and draw good wages at the same time. Information as to low rallway raise may be had on application to W. V. Bennett. Boom 100 Bee Bidgs, Omaha, Neb.
