

CLOSE DECISION IN  
CITY CHAMPIONSHIPGoal Scored After Time in  
Brandeis-Creighton Basket  
Ball Game.

TIE AT 22 POINTS TILL THEN

After a conference between coaches of the two teams, captains and officials, the decision as to who was winner of the Brandeis-Creighton game last night was left to the basketball national rules committee. The score now stands tied at twenty-two points, according to the ruling of Referee Sam Waugh, and the decision of the rules committee whether a goal thrown by Burkenroad just as time was called, counts or not, will either make the Brandeis a winner or will leave the game as it now stands.

If the goal counts the store team wins and the series is over, but if it doesn't count the game is a tie and another game will be played.

The ball was in the air as the whistle blew, admittedly, a situation which, as decided in recent games, would make Brandeis winner.

At the end of the first half the Brandeis team were leading, 16 to 6. When final time was called the score was tied at twenty points, and an extra five-minute period brought forth a real battle. Shields of the store team had already been disqualified for roughness.

The first half saw the Brandeis squad at their best and Creighton at their poorest. The Brandeis team excelled in team work in this half and displayed great accuracy in shooting baskets. Stryker getting four fields in this half. Team work on the part of Creighton in this half was at a standstill and their shooting was poor.

The second half saw Plat and Lutz sidetracked for Haley and Mulholland, and to this pair of subs a great deal of credit is due. Sheer team work on the part of Mulholland and Parrish, and basket shooting by Haley, brought the score up to a tie before time was called.

Creighton Spurts.

In this half the heavier store team were completely outclassed. Creighton making fourteen points, while Brandeis were annexing four. With the score 20 to 16 with the store team leading, Haley shot two beautiful baskets just before time was called.

The crowd went wild when this same Haley opened the extra five-minute period with another field goal, putting his team in the lead and Stryker, the Brandeis star, tied the score again with another field goal. It was here that Burkenroad, standing in the center of the floor threw the ball in the general direction of the basket just as time was called, the ball passing squarely through the goal after the final whistle had blown. ORDERS SENT TO  
ALL GUARD HEADS

(Continued from Page One.)

the plan outlined would be conducted by the regular army departmental commanders, who would be authorized to designate sites for mobilization camps other than those formerly used, if necessary, and to "make provision for shelter, recruitment and the formation of the recruit training battalions, in the eventuality of war."

No Dual Status.

No units except those designated would be accepted and each unit would be required to have the full maximum authorized or war strength as prescribed for the regular army in the national defense act.

The circular also makes clear that there is to be no dual status for the national guard in the federal service hereafter. No individual will be accepted who has not taken the oath prescribed by the national defense act. At the time of the border mobilization about 40,000 men were held under the old Dick bill provisions, classified as members of the organized militia, not of the national guard.

"Individuals who are members of the organized militia," the circular says, "and who take the prescribed oath, will be accepted and given proper credit for the time served in existing enlistment contract in the organized militia."

Complete Federal Control.

Provision also is made for the taking into the federal service of a certain proportion of the state administrative staff as to recruiting, organization and supply. This was not one at the previous mobilization. Complete control of all federal recruiting and other activities of the state is now contemplated. Division or brigade commanders of the guard and their staff officers will be taken in as was done before.

It is provided, however, that each commander of such higher unit or detached brigade, regiment or company shall report by telegraph to the departmental commander on receipt of the call and await orders. The number of officers and enlisted men in each organization will be telegraphed to department headquarters, accompanied by reports of all government property then in possession of guard regiments.

The plan also provides for the immediate calling out of the national guard reserve, both commission and enlisted, the latter going back at once to their regiments. Reserve officers would be assigned to duty as needed by the departmental commander.

## Lincoln Base Ball Club

## Buys Infielder Helfrich

Lincoln, Neb., March 16.—Manager "Ducky" Holmes of the Lincoln Western league club today announced that he had secured from the St. Louis Americans Emory Helfrich, an infielder. Helfrich played in the old Federal league and last year was with the Lowell club in the Eastern league.

## Wilber Wins Debate From Crete.

Wilber, Neb., March 16.—(Special.)—The debating team from the Wilber High school won its debate with the team from Crete High school Wednesday evening, by a two to one decision of the judges. The question was: "Resolved That the United States should abandon the Monroe Doctrine." The home team had the negative. The Wilber team consisted of Alex Storlan, Victor Sadiok, Rudolph Kunc and Porter Dodson, for affirmative. The debaters from Crete were: John Quirk, Neil Anderson, Ralph Tyler and Frank Davis, alternate.

## Athletic Body Head Removed.

Albany, N. Y., March 16.—Fred A. Wenck, chairman of the State Athletic association, was removed from office by Governor Whitman today. The governor dismissed the charges of an attempted extortion, preferred against Wenck by three boxing promoters, but held that his character and previous associations with others made him unfit to hold office.

## Zach Wheat Accepts Terms.

New York, March 16.—Word reached here today from Hot Springs, Ark., that Zach Wheat, Brooklyn's outfielder, had accepted the terms offered by President Ebbetts and will sign a contract as soon as he arrives at the training camp next Sunday.

## Beatrice Beats Alliance.

Alliance, Neb., March 16.—(Special Telegram.)—In a very close game here tonight Beatrice High school basketball team defeated Alliance, 21 to 20.

## Nebraska Postmasters

## Confirmed by Senate

Washington, March 16.—(Special Telegram.)—The senate before adjournment today confirmed the following Nebraska postmasters: William N. Treat, Bellevue; Anders P. Thomsen, Dannebrog; Laura E. Smith, Doniphan; Gertrude Shepardson, Homer; William A. Naviaux, Jewell; W. J. Ramekers, Lindsay; John T. Bridges, Oconto; M. B. Graves, Palisade; Emil H. Mack, Petersburg; P. Frank Smith, Springfield; W. M. Hunter, Syracuse.

## Department Orders.

Washington, March 16.—(Special Telegram.)—A pension was granted Mary Miller of Omaha at \$12 per month.  
Mrs. Lily Cross has been appointed postmaster at Bellvue, Hooker county, Nebraska, vice Frank Cronan, resigned.

## Overcomes Constipation, Indigestion.

Dr. King's New Life Pills will overcome your constipation, biliousness and indigestion. Take a dose tonight. Only 25c. All druggists.—Advertisement.

BLANKET OF SNOW  
OVER ENTIRE WESTFalls to Depth of Fifteen Inches  
in Some Places—Some  
Trains Are Annulled.

EXTENDS INTO MINNESOTA

Northern and western Nebraska is buried beneath the heaviest fall of snow of the winter. Generally the snow is heavy, but in some localities, especially in the extreme northern part of the state, it is light and the storm has taken on all the characteristics of a real blizzard.

The snowstorm that hit portions of Nebraska Thursday night and still continues, is by no means local. It has swept over northern Iowa, southern Minnesota, most of South Dakota and practically all of Wyoming. Such is the report that comes to the railroad headquarters from station agents out in the storm zone.

From Omaha to Grand Island, along the Union Pacific and over the branches to the north and south of the main line, reports indicate that there was a heavy rain a greater portion of Thursday night, the precipitation ranging from one to three inches. West of Grand Island, all the way through to Ogden, there was a continuous fall of wet snow, it covering the country to a depth of six to twelve inches. Snow is drifting some in Wyoming and snowplows are being run ahead of passenger trains.

## Fifteen Inches of Snow.

Over the Burlington's northern territory there was a heavy snow and rainstorm all Thursday night. At Lyons there was three inches of rain, while across country from Sioux City to O'Neil there was eight to fifteen inches of snow. There was a heavy fall of snow over the entire Wyoming line and snowplows are going ahead of the trains.

The Northwestern found six to fourteen inches of snow all the way from Norfolk into the Black Hills and across Nebraska and as far west as Casper, Wyo. Snowplows are in service on the Wyoming lines.

Trains from the north on the Omaha and the Great Western roads enroute to Omaha were annulled, owing to the heavy snows and the drifts through northern Iowa and Minnesota.

According to the railroad reports in Nebraska all over the South Platte country and far town into Kansas there was a continuous rain a greater portion of the night, continuing in the morning. The precipitation is reported all the way from one to two inches.

## Traffic Stops at Grand Island.

Grand Island, Neb., March 16.—(Special Telegram.)—A blizzard of unusual severity so far as snowfall is concerned was raging for several hours this morning. At times it was impossible to see buildings 100 feet away. Snow in water measurement to the amount of one and eighteen hundredths inches had fallen at 8 o'clock. At 10 o'clock the storm is diminishing. The temperature is mild. All street traffic is abandoned. The strongest autos only could move and small taxis early gave up the ghost.

Kearney, Neb., March 16.—(Special

Telegram.)—Kearney was the center of a snowstorm of unusual severity Thursday night, this morning finding snow to a depth of eighteen inches on the level. Giant drifts were piled up at street corners and numbers of autos were stalled on the main streets. Schools were dismissed today. The snow was preceded by a severe lightning and thunder storm and also by a heavy rain. The rain later turned to sleet and then snow. Railroad traffic is tied up here. No trains are being operated today over the Kearney-Stapleton branch line and over the Burlington branch to Hastings. All freights have been ordered into sidings. The drifts are said to be deep west of Kearney.

Change Asked in Method  
Of Fixing Stock Tariffs

(From a Staff Correspondent.)

Washington, March 16.—(Special Telegram.)—A. F. Stryker, representative of the South Omaha Live Stock exchange and the National Live Stock exchange, with several other representatives of packing houses, is in Washington asking the Interstate Commerce commission to suspend a number of tariffs with reference to the hoof weight method of assessing freight. The commission today granted the representative of the South Omaha exchange a special hearing before the suspension board tomorrow, which is most unusual.

Smith Murder Trial is  
Halted by Juror's Illness

Denver, Colo., March 16.—A jury was chosen today to try Mrs. Stella Newton Moore Smith for the murder of her husband, John Lawrence Smith, at her home here January 13, last. All that will prevent the swearing in of the jury and the beginning of actual testimony this afternoon was the illness of one of the jurors, Joseph H. Silversmith, who may have to be excused.

Nine married men and three unmarried men will try Mrs. Smith, all having sworn that the fact that the defendant is a woman will not deter them from recommending the extreme penalty if the evidence warrants conviction of murder in the first degree.
