I Wish I Had Her Complexion. "Is This Your Wish? You Can Have It, My Dear!" Valaska Suratt, the Self-Made Beauty of the Stage. Whispers Secret Ways of Sure, Quick Beauty.

BY VALESKA SURATT. YER, I can see you all listening silently for the one great secret—the answer to every woman's wonderment—how to make her complexion supremely beautiful. This is a secret which today thousands of women know, to their exquisite happiness. Several weeks from now you will say to yourself, "I never thought such a thing possible!" What I am giving you is a new way and a positive one. It is simple; you make the cream at home yourself in a few moments. Like this: Mix one ounce of stonons and two tablespoonfuls of glycerine in a pint of water. It forms into a cream, ready to apply. As you see, this is far cheaper than any of the prepared creams you buy and which do not produce the results. Now apply this cream freely every day. You will soon notice every muddy spot, blotch, roughness, irregularity of color, vanish, and in its place will appear a beauty and purity which you little realized could come to you. ANSWERS TO QUESTIONS. MISS G. F. E.—I have known many cases where the best has been developed several inches in a month by the use of the following safe formula. No one can promise that development can be accomplished in every case, and surely never by mechanical appliances, which are dangerous. This formula should do it, though, if anything can. Get from your druggist two ounces of roseton, add half a cup of sugar and mix in half a pint of water. Take two teaspoonfuls after each meal and at bedtime. BRITTLE—You know that on every scalp is constantly forming a film of grease and scales which neither soap nor many of the soapy shampoos will remove, even when scrubbing. But dissolve a teaspoonful of eggol in half a cup of water and use as a head-wash, and it will surprise you how it literally dissolves away every bit of these accumulations. Clean scalp is one secret of healthy, luxuriant hair. For twenty-five cents you can get enough eggol to give you over a dozen of these glorious head-washes.
