DO NOT HUT STOCK IN OIL DEVELOPMENT COMPANIES. A few hundred or a few themand shares, bought at 1 cent to 81 per share, gives you such an indescribably small shares, bought at 1 cent to 81 per share, gives you such an indescribably small shares in the hours capitalization of the average company that your profils would amout to little or nothing, even though a guaber is struck. Then there must not be forgotten the old familiar program so dear to the heart of the promoter and so will known to the American public of "freating out" the minority stackholdem before "the meion is cut." Buy the hand, Own It and everything mode it. Profit by the enhancement which surrounding development brings. Dill en it, lease it to a big operating company, build on it, there on it, grow strawberdes, grapes, fruit, vegetables, poultr, Do whatever you please with it, Lat it be yours without any meervations, restrictions or ansements. Oil is seeping out in a dozen places throughout my tract; lead has been found in chunks weighing 18 pounds and pure enough to run into bullets.
