

What Every Woman Should Know

Dr. Ferdinand King, New York physician and medical author, tells physicians that they should prescribe more organic iron—Nuxated Iron—for their patients—Says anaemia—iron deficiency—is the greatest curse to the health, strength, vitality and beauty of the modern American woman.

Watch for large article by Dr. Ferdinand King, soon to appear in this paper, entitled "The Crying Need of the Woman of Today is More Iron in Her Blood."

LAND BANK BONDS EAGERLY BOUGHT

Over \$40,000 Worth Already Subscribed and Campaign Not Yet Commenced.

WILL CALL IN MONEY SOON

When the federal land bank of Omaha gets ready to issue bonds, as provided by law, there will be plenty to buy them, if the subscriptions already filed with the bank here are any indication.

"We have already subscriptions for at least \$40,000 of these bonds," said Secretary Odell. "We have been authorized by Washington to give out the information that the bonds will bear interest at 4 1/2 per cent, and there seem to be plenty of people who want them."

One Firm Takes Half

"Through an underwriting agreement with eastern bond houses it is probable that some of the bonds may be sold at a slight premium, but they will still likely yield a 4 1/4 per cent interest for the first five years, and the full 4 1/2 per cent after that."

"Only yesterday we got a subscription for \$10,000 for these bonds. An Iowa man, who is trustee for a large cemetery over there, was also in recently and subscribed for \$2,500 of the bonds in behalf of the cemetery association."

Delay Loan Feature

The time when loans can actually be made at this bank in Omaha will probably have to be postponed a little beyond the date estimated by the directors when they first came here to organize.

No call has as yet gone out for the money from the stock subscribers, but every day volunteers are dropping into the office and paying up their subscriptions. The formal call will probably be made about April 1.

Alleged Thief Who Worked Before Cop Under Heavy Bond

Ray L. Mathis, whose sworn statement that he saw Officer Askwith of the morals squad in a drinking resort after 8 p. m. caused that policeman's return to the ranks and the reorganization of the morals squad, got a little more satisfaction Tuesday morning, when Oran Trapp of Council Bluffs was held for district under \$750 bonds on the charge of helping to rob Mathis of \$27 Thursday night.

Former Watertown Officials Sued for Missing Funds

Watertown, S. D., March 20.—Civil actions were instituted today against H. A. Wagner, former mayor of Watertown; W. D. Towles and John H. Conley, former city treasurer; and their four bondsmen, and the bondsmen of A. M. Lane, former city auditor, to recover \$12,798.86 of the amount which is alleged to have been embezzled from the municipal funds by Lane. Lane is now serving a term in the state penitentiary as the result of his conviction on a criminal charge growing out of the alleged irregularities.

Sh-h! Kidney-Footed Cop Slick City Hall Snooper

City hall officials are discussing in whispered tones the presence of a mysterious man who is watching the city automobiles which are parked on Eighteenth street. This man is said to be a private detective. He is large and walks as if his feet hurt him. He has been seen observing the cars as they leave the city hall and was taking notes. It is believed he is getting evidence to be used in connection with a suit recently filed against the city commissioners in connection with the use of automobiles.

Constipation and Indigestion

These are twin evils. Persons suffering from indigestion are often troubled with constipation. Mrs. Robert Allison, Mattoon, Ill., writes that when she first moved to Mattoon she was a great sufferer from indigestion and constipation. Food distressed her and there was a feeling like a heavy weight pressing on her stomach and chest. She did not rest well at night, and felt worn out a good part of the time. One bottle of Chamberlain's Tablets corrected this trouble so that she has since felt like a different person.—Advertisement.

Alma Gluck Thinks Russian Czar Will Not Be Off the Throne Long

Alma Gluck, celebrated song-bird, who spent a few hours at the Fontenelle enroute to Sioux City, has no faith in the permanence of the Russian czar's abdication. Her husband, the Russian violinist, Efram Zimbalist, is a favorite of Marie Feodorovna, the czar's mother, by whose personal act Zimbalist is immune from military service.

Alma Gluck

"It is a political move to rouse the people's patriotism and stimulate their waning enthusiasm to continue the war," Miss Gluck believes. "Judging by past experiences—for instance, that of the first Duma—the leaders of the revolution will be thrust into prison or exiled to Siberia the day after the war is ended, and the Romanoff dynasty restored to power," she exclaimed, with an expressive shudder.

"Feodorovna calls my husband 'her little Cossack.' His release from military service is in her writing on his passport. She first heard him play at Windsor palace when she was visiting her sister, Alexandra. At that time she told him she would grant any boon he asked of her, she was so proud he was a Russian."

One Good Crop in Western Nebraska Pays for the Land

That a farm purchased in western Nebraska can be paid for within a few years by the excess of crops produced on the land is a report made by R. A. Lovelace, assistant immigration agent for the Burlington.

Mr. Lovelace recommends western Nebraska as an ideal location for the homeseeker. He points out that hundreds of farms were paid for with a single crop in 1915 and 1916, and even today lands are advertised in this territory for the first crop. "Of course this condition is unusual," says Mr. Lovelace, "but it is a fact that a farm can be paid for within a few years by the excess of crops produced."

Negress Teams With Male Companion in Holdup Work

Beware the Mrs. Raffles of the highway! Monday night a stalwartly-built negress confronted Earl Carey, 2519 Corby street, on Fourteenth street between Capitol avenue and Davenport streets and flashed before him a revolver, held in a hand that did not quiver. While she covered him, her male companion went through his pockets and took \$23.

ICE GOES OUT AND DOES NO DAMAGE

Missouri Clear Below Nebraska City and the Platte Around Ashland.

STILL IS HOLDING ABOVE

The manner in which the ice in the streams hereabouts is performing is relieving railroad operating officials of a lot of anxiety and if it continues in a like manner a few days longer, they assert there will be little possibility of damaging floods this spring.

In the Missouri river above Nebraska City, the ice still holds, but is showing signs of disintegrating. There are quite extensive areas where the ice has bulged up, cracked and is starting to move. All along the stream, the ice on the sides is covered with water to a depth of from a few inches to a foot or more.

Advices to railroad headquarters are that the ice in the Platte has broken in the vicinity of Ashland. Great fields of ice, twenty to thirty inches thick, have moved out of the channel and generally have lodged on sandbars, where it is expected it will remain and melt unless within the next few days high water from the upper river comes along and floats it off into the Missouri.

West Enders Want to Swim in Elmwood Park

Friends of the bath, residing near Elmwood park, petitioned the city council to place a swimming pool in this park. Their argument is that if swimming pools are good for the residents of Riverview, Fontenelle and other districts, then a pool would benefit the Elmwood park community.

Rancher Seeks Bride Who Can and Will Cook

Wanted—A housekeeper who can cook well, willingly and often. Mrs. Rose Ohaus of the Board of Public Welfare received from a widower living on a ranch sixteen miles from North Platte a letter in which he expresses a desire for a housekeeper whose dietic temperaments conform to the specifications outlined.

Newsie Stricken With Appendicitis; Operation

While selling papers in front of the Bee building Monday evening Eddie Bristow, 1152 1/2 North Sixteenth street, newsboy, was taken suddenly sick and fell to the pavement. He was rushed to St. Catherine's hospital, where it was found that he was suffering from a bad case of appendicitis, his sudden collapse being the result of his appendix bursting. He was operated on immediately upon reaching the hospital. Although in a critical condition doctors say he has a good chance to recover.

Aaron Duboff Drops Dead In Front of His Own Store

Aaron Duboff, furniture dealer, fell to the pavement in front of his store at 2104 Cuming street Tuesday morning and died in the store five minutes later. Death was due to heart disease. County Attorney Magney ordered the body to be moved to Bradley & Dorrance undertaking parlors.

Fifty Omaha Ad Men Attend National Meet at St. Louis

Fifty members of the Omaha Ad club are to be sent to St. Louis this summer to represent the Omaha organization at the meeting of the National Association of Ad Clubs, to be held there June 3 to 7. The Ad club had Philo D. Clark, advertising manager of the Thomas D. Murphy company of Red Oak, Ia., for the speaker at this week's meeting. He spoke in general of the value of advertising, declaring that good advertising will always get results.

Three Prominent Collegians Join the Officers' Reserve

Three Omaha young men are taking examinations at Fort Omaha to qualify for membership in the officers' reserve corps, from which army officers will be chosen in case of war.

They are Attorneys Amos Thomas and Anan R. Raymond, graduates of the University of Nebraska and members of the University club, and Mayer L. Cohn, son of Mr. and Mrs. L. M. Cohn, 3871 Farnam street, a graduate of Northwestern Military academy.

Through Captain McKinley of the army recruiting station the three Omahans enrolled in the officers' reserve corps. Tuesday morning they took physical examinations. Wednesday they will take mental examinations in military subjects.

Captain D. H. Bower and Lieutenant L. C. Davidson, U. S. A., and Dr. Paul H. Ellis, lieutenant in the medical reserve corps, comprise the examining board at Fort Omaha.

If the three young men qualify, and war should come, they would be eligible to commissions in the regular or volunteer army. Other Omahans are expected to enroll soon and be examined at Fort Omaha.

Soldier enlistments have been increased by the imminence of war. Fourteen army recruits were sent Monday to Fort Logan for training and eight more recruits were accepted Tuesday morning. Navy recruiting also has been stimulated.

Wireless Enthusiasts Needed by Government

Wanted: Fifty amateur wireless experts, to be army radio men and military censors, in case of war. Lieutenant Waddell of the navy recruiting station has received this information from headquarters in Washington, and will try to enroll Omaha wireless enthusiasts in that branch of the navy reserve.

O. L. Salisbury, Pioneer Barber, Dies at His Home

O. L. Salisbury, 51, manager of the Her Grand barber shop, is dead following a brief illness at his home, 508 South Twentieth street. The funeral will be held Wednesday afternoon at the Cole-McKay parlors, in charge of the Masonic order. Mr. Salisbury has been a resident of Omaha for over thirty years, coming here from Rolling Prairie, Ind. He is survived by his widow and one daughter, Mrs. Frank L. Weiner, 521 South Twenty-first street, and one brother, Frank. Burial will be in Forest Lawn.

Good Old Home-Made Family Cough Remedy

Much Better than the Ready-Made Kind—Easily and Cheaply Prepared.

If you combined the curative properties of every known "ready-made" cough remedy, you would hardly have in them all the curative power that lies in this simple "home-made" cough syrup which takes only a few minutes to prepare.

This Pinex and sugar syrup preparation gets right at the cause of a cough and gives almost immediate relief. It loosens the phlegm, stops the nasty throat tickle and heals the sore, irritated membranes that line the throat, chest and bronchial tubes so gently and easily that it is really astonishing. A day's use will usually overcome the ordinary cough and for bronchitis, croup, whooping cough and bronchitis, asthma, there is nothing better.

Pinex is a most valuable concentrated compound of genuine Norway pine extract, combined with guaiacal and has been used for generations to break up severe coughs.

To avoid disappointment, be sure to ask your druggist for "2 1/2 ounces of Pinex" with full directions, and don't accept anything else. A guarantee of absolute satisfaction or your money promptly refunded, goes with this preparation. The Pinex Co., Ft. Wayne, Ind.

Quick, Sure Results is the reason for the great gain made by Bee Want Ads in 1916.
