REAL ESTATE

Gardenland Sale

On March 22d we will begin the sale of a tract of garden land lying between 56th and 62d and between Q and L streets.

This tract has been owned for years by one of Nebraska's oldest families. They have asked us to offer it for sale at reasonable prices and on very reasonable terms, a small payment down and small weekly or monthly payments. The land has been subdivided into small lots so that the party selecting a garden tract may determine for himself the size necessary to suit his plans. You will find a price list at our office at 56th and Q streets. It will be a pleasure to show you over this large tract of ground. We do not hesitate to recommend its purchase by parties who desire to use it for garden purposes or poultry raising. We prefer not to sell it to out-of-town parties who desire to buy purely for speculative purposes. We are using our best efforts to make it convenient for parties to attend the sale. You may take the street car from any part of the city and transfer to the West Q street car; get off at 43d and Q streets. Our salesmen will meet you there and take you to the sales ground-or you may take the Ralston or Papillion interurban car and get off at 56th and Q steets, the southeast corner of this garden land.
