NO BONUS GIVEN TO SOLDIER BOYS

Democratic House Votes Down Bill to Give Each Guardsman \$75.

NO OTHER RECOGNITION

Lincoln, March 23.—(Special.)—The democratic house went on record this afternoon in entire sympathy with the song, "I Didn't Raise My Boy To Be a Soldier," and voted not only to refuse to release the boys who went to the border from paying a poll tax, but refused to recognize them in any other way.

Hopkins, Shannon and one or two other democrats made a strong fight for recognition of the Guardsmen and when both the amendment and the bill were killed, Hopkins said he thought it was about time to take the flag down from the "insult" to the flag strikers from the records, but Richmond, who was presiding, informed the house that he believed the remarks of his colleague from Douglas should not be taken in that light, but rather that they were intended as a joke and given in a spirit of levity.

Cronin Flings Sarcasm.

"A fine, patriotic bunch, you are gentlemen, I must say," shouted Cronin. Shannon called attention to the fact that hundreds of the members of the National Guard, who had left their civilian clothes in their lockers when they went to the border, had returned to find them ruined and moth eaten. He thought the state ought at least to make good to the boys in some way.

Greenwalt ridiculed the men of the house who were willing to send their sons to the war, but made no pretense of offering to do anything themselves.

"We are on the verge of war," he asserted, "but I don't see anybody here who is willing to die for the flag. We sit here in this chamber clothed in the robes of office and look wise, but talk foolish. Let us show that we appreciate what these boys have done by voting them the small amount proposed."

QUICK RELIEF FROM CONSTIPATION

Get Dr. Edwards' Olive Tablets. That is the joyful cry of thousands since Dr. Edwards produced Olive Tablets, the substitute for calomel. Dr. Edwards, a practicing physician for 17 years and calomel's old-time enemy, discovered the formula for Olive Tablets while treating patients for chronic constipation and torpid livers. Dr. Edwards' Olive Tablets do not contain calomel, but a healing, soothing vegetable laxative. No gripping is the "keynote" of these little sugar-coated, olive-colored tablets. They cause the bowels and liver to act normally. They never force them to unnatural action. If you have a "dark brown mouth" now and then—a bad breath—a dull, red feeling—sick headache—torpid liver and are constipated, you'll find quick, sure and only pleasant results from one or two little Dr. Edwards' Olive Tablets at bedtime. Thousands take one or two every night just to keep right. Try them. 5c and 25c per box. All druggists.

The High Cost of Indigestible Food

falls heavily upon the household where there is no intelligent direction of the food supply. Expensive high proteid foods, such as beef and pork, impose a heavy burden upon the liver and kidneys. They are not as nutritious as cereals and fruits. Two Shredded Wheat Biscuits with milk supply all the nutrient needed for a half day's work at a cost of only four or five cents. Cut out meat and eggs, eat Shredded Wheat Biscuit with green vegetables and fruits, and see how much better you feel. For breakfast with hot milk or cream. Made at Niagara Falls, N. Y.
