

HOUSE OPPOSES PAPER CONTESTS

Bill Advanced to Prohibit Using This Method to Increase Circulation.

FAVOR HAIL INSURANCE

Lincoln, Neb., March 29.—(Special.)—Newspapers of Nebraska will be prevented from holding subscription contests, according to the Ainley bill, which passed the house today by a vote of 65 to 17, if the senate coincides in the idea and the governor looks with favor upon it.

Only two votes were cast against the bill which provides that the state may go into the hail insurance business, Mysenburg and Waite being so recorded.

Soft drinks may be sold in Nebraska under prohibition, containing not to exceed one-half of one per cent alcohol, seventy-three members so deciding while nine opposed.

Not a single vote was recorded against the interurban railroad bill, H. R. No. 501.

Two More Judges. Lancaster county will get an additional district judge and the Tenth district, which comprises Phelps, Kearney, Adams, Harlan, Franklin and Webster, will also receive the same consideration, the bill which passed the senate unanimously some time ago passing the house today with only 18 votes against it.

The appropriation bill, calling for a \$25,000 appropriation for a state water power survey, was killed by the committee.

Another bill which did not see the light of day was the one to do away with compulsory military training at the state university.

The house passed these bills: H. R. No. 19—Validating airline land titles. H. R. No. 497—More land for Norfolk insane hospital; \$12,000 appropriated.

H. R. No. 197—County prisoners committed for wife desertion or child abandonment to work on roads and be housed at county jail. Sheriff subject to removal for violation.

H. R. No. 116—County boards empowered to buy printing and stationery in open market, after rejecting bids.

H. R. No. 441—Railroad crossings in cities and villages to be under railway commission jurisdiction.

H. R. No. 35—Community nurse and 1-mill tax levy, optional.

H. R. No. 10—Division of irrigation districts.

H. R. No. 432—Appropriating proceeds of rural school tax.

H. R. No. 118—Douglas county workhouse mill.

S. F. No. 116—Extra salary of \$1,980 to Douglas county clerk for acting as comptroller.

S. F. No. 123—Amending statute on Omaha police positions.

Two small appropriation bills were advanced to third reading in the house. The bills advanced were those providing \$5,000 to conduct experiments in pump irrigation and \$4,000 for the Bessey memorial fund.

District Convention of The Christian Church

Falls City, Neb., March 29.—(Special.)—A large attendance of delegates for the first district convention of the Christian church met Tuesday afternoon for the first session of the convention, which will be held for three days.

The C. W. B. M. gave a banquet to the delegates and members of the local society in the church dining room at 6:30 Tuesday evening. The banquet was followed with toasts, using as their theme "Woman's Privilege and Duty." Mrs. Deadman of Auburn responded to "To Herself," Mrs. J. W. Sinclair, "To the Home," Mrs. Dan Troxel of Falls City, "To the Home Church," Mrs. F. E. Blanchard of Tecumseh, "To World Womanhood," Mrs. Cora Henry of Lincoln, "To World Evangelism."

A play by the Triangle club, a club of girls in missionary study, entitled "The Slave Girl and the School Girl," was given in the evening.

Speaker Will Demand Quorum Until the End

Lincoln, Neb., March 29.—(Special Telegram.)—Speaker Jackson informed the house that he would not sanction any legislation enacted during the close of the session unless there was a quorum present and warned the members that they must stay to the end or be brought back to finish the job.

have to bear the responsibility for it. The German nation, which feels neither hatred nor hostility against the United States of America, shall also bear and overcome this."

Adopts Emergency Budget. London, March 29.—(Special.)—The Reichstag has adopted all three readings of the emergency budget. Both socialist parties voted against the measure.

"Edward Bernstein, socialist," said the advice, "delivered a speech justifying his opposition to the budget. He said experience had strengthened his distrust in the government. America was converted into an enemy by neutrals filled with displeasure toward Germany. A good and sincere peace must be striven for at the speediest moment."

"Herr Bernstein added that the events in Russia under the leadership of the socialists strengthened the confidence that the social democracy was able to fulfill its old peaceful program."

The socialist, Gustav Noske, said that Russian apprehension that Germany would seek to restore the regime of Emperor Nicholas must be officially dispelled.

Stirred by Revolution. The German government is greatly stirred by the revolution in Russia, especially in regard to its effect on American public opinion, and believes, according to the information at hand, that internal reforms in Germany will do more to soften the animosity of the American people than anything else could.

Therefore, taking their cue from the Russian revolution, they are declared to feel that large promises of internal reform leading toward a more democratic form of government will do more to placate American opinion than any immediate change in submarine plans, which they hardly dared to alter on account of the widespread belief of the German people that the present policy will result in the early termination of the war. Therefore any modifications of the submarine campaign are not expected, it is said, to extend beyond the paper stage, although meanwhile American liars like the St. Louis may expect some measure of immunity.

Nine Men Enlist in Company L, at Kearney

Kearney, Neb., March 29.—(Special.)—Kearneyites are getting stirred up to the tense national situation, which has developed here especially since the State Guard has been called to the colors. A new enlistment station has also been opened and nine recruits have been enrolled in the ranks of the company since Tuesday night. Callaway sent down seven recruits, five of them being accepted.

Will Geist, a prominent and successful grocer, is one of the men enlisted. He has "done his bit" in the army and is not a rooky. Geist, born of German parentage, won't let the hyphen talk apply to him. He enlisted and stated that he was ready to sell out his business or close it down if need be to respond to the call of his country. Three Kearney high school lads also applied for enlistment, but they were turned down because of their ages.

There is one vacancy among the guard officers, Wint Harper, lieutenant and an employee of the post-office, having tendered his resignation.

SENATE BRINGS OUT COMPENSATION BILL

Measure Amending Present Law Given Another Boost Along Way.

INSURANCE BILL AGAIN

Lincoln, Neb., March 29.—(Special.)—Senate committees today reported out H. R. No. 525, former Labor Commissioner Coffey's amended compensation law, coupled with a provision for a compensation commissioner. This bill, approved by joint conferences of labor leaders and the manufacturers' association, combines S. F. No. 213 and S. F. No. 220, which both organization leaders endorsed. The good roads committee also reported out H. R. No. 722, the act to allow the state to take advantage of the federal road appropriation. The third substitute for Senator Howell's anti-discrimination fire insurance bill, S. F. No. 15, made its appearance. It was introduced by Senator Tanner.

The original bill provided for uniform class rates, based on statistical data of risks compiled by the insurance companies themselves. The senate insurance committee amended it to place in the hands of the state insurance board the fixing of these rates and the compilation of the data. Senator Tanner's substitute provides for the filing of maximum rates with the insurance board. His amendment has the endorsement of home companies, who declared the committee amendment too drastic.

Among the bills recommended in committee of the whole by the senate were the following: H. R. No. 181—To appropriate one-fifth of 1 mill tax levy for state and bridge fund.

H. R. No. 307—To appropriate \$15,000 for indemnity for feet and mouth disease.

H. R. No. 308—Appropriates \$10,000 for indemnity for feet and mouth disease.

H. R. No. 411—To consolidate hotel with food commissioner.

H. R. No. 193—To place names of president and vice president instead of presidential electors on ballot.
