

Nebraska MEMBERS OPPOSE PATRIOTIC MEET
Resolution Introduced in House to Throw Cold Water on Plan.

WILL BE OF NO AVAIL

(From a Staff Correspondent.)
Lincoln, Neb., March 30.—(Special.)—Some members of the house appear opposed to patriotic meetings and today introduced a resolution that attempted to throw cold water upon patriotic gatherings which have been advertised to be held in Lincoln and the city auditorium and other places Saturday night.

The resolution bore the names of Hostettler, Anderson of Boyd, Ollis, Nesbit, Fries, Osterman, Craddock, Reiser and Dafeo. They were afraid any demonstration of patriotism might be construed by the president to mean that they were in favor of a declaration of war and thought it better to keep cool heads and wait until after war was declared before such meetings were held.

Notes From Beatrice And Gage County

Beatrice, Neb., March 30.—(Special.)—Lieutenant Harry Austin last evening received a message from Adjutant General Hall to commence recruiting Company C of this city immediately for war strength and be in readiness for field service enlistment. Lieutenant Austin wired Captain Lawrence Jones, who is at Council Bluffs, the contents of the message, and he is expected here at once to take charge of the company, which at present numbers fifty men. A recruiting station has been opened in the armory, and the company needs 100 more men.

J. W. Campbell, E. A. Miller, Loree Claussen, A. H. Voortman, W. C. Brooks and R. A. Nickell went to Omaha today to meet with the M. E. Smith company, which proposes to establish a shirt factory in Beatrice. The necessary funds for the establishment of the concern in Beatrice have been raised.

The will of the late T. R. Spencer, who committed suicide in this city last week, will be contested unless the widow and sister of the deceased, Mrs. Eather McCray of Topeka, Kan., can agree. The deceased willed all of his property to his sister, and Mrs. Spencer yesterday filed a petition in the county court asking that the will be refused probate and that she be appointed administrator of the estate.

Farmer and Family Barely Escape From Building

Fremont, Neb., March 30.—(Special Telegram.)—Awakened by smoke that filled the rooms of their home near Jamestown, members of the family of Thomas Krueger, escaped in their night clothes from the burning building. The home with the household goods was destroyed. Mr. Krueger owns the place and carried insurance on the building, but none on the furniture. It is believed the fire started from a defective chimney.

Will Locate in Omaha.

Nebraska City, March 30.—(Special.)—W. B. Mordock, who recently sold his general store in Wyoming precinct, left for Omaha today. Mr. Mordock has leased a building at Thirty-ninth and Leavenworth streets and will engage in the general merchandise business in Omaha.

Many Hall County Wheat Fields Will Be Reseeded

Grand Island, Neb., March 30.—(Special.)—Herman Stegemeyer and C. C. Springer of Giltner were in the city yesterday. Both are wheat growers. Mr. Springer has seventy-two acres in wheat and declares that there are not three acres in all worth saving. He had expected to build a house this spring and summer, but is compelled to abandon the project owing to the additional work required to plow under the wheat and plant another crop. Mr. Stegemeyer reported almost as serious a condition and losses, with the exception that he has some land on a southern slope which was spared from the severe cold while the earth was not covered with snow. "You can tear out the wheat by the roots without the least effort," said Mr. Springer, "it all being rotted off dead at the crown." Farmers universally report not enough of it left to save what remains.

High Schools' Declamation Contest Held at Wayne

Wayne, Neb., March 30.—(Special Telegram.)—The annual north Nebraska high school declamation contest, which was held in Wayne Thursday afternoon and evening, resulted in the following decisions: Dramatic class, Joe Cryan, Newcastle, first; Merle Malchow, West Point, second; Louise Williamson, Albion, third. Humorous, Gladys Debeer, Creighton, first; Clara Michaelson, Plainview, second; Ophelia Wingett, Orchard, third. The judges were Mabel E. Brown, Morningside college; Newton W. Gaines, Fremont college, and Charles H. Bright, Wayne Normal school.

More than 500 teachers, guests of the Northeast Nebraska Teachers' association convention, which convened here Friday and Saturday, and an even larger number of school patrons packed the college auditorium to hear the contestants.

Body of Guy Wagner Taken To Kansas for Burial

Grand Island, Neb., March 30.—(Special.)—Michael Wagner, a brother of the unfortunate young man who was kicked in the head by a mule a few days ago while at work at the Josh Greenwood farm and who died as a result of his injuries, arrived in the city this morning from Beloit, Kan., accompanied by a brother-in-law, they having made the trip by auto. The body of Guy Wagner, deceased, will be taken to his former home at Beloit at 9:45 this evening and will be accompanied by Mike O'Malley, for whom the deceased had formerly worked. It has been definitely learned that the deceased young man was single and leaves an aged mother, four sisters and three brothers.

Fremont Signal Corps To Report at Lincoln

Fremont, Neb., March 30.—(Special Telegram.)—The Fremont signal corps and the sanitary detachment of the Fourth regiment have received their orders to report for duty at Lincoln. Captain Henry A. Jess of the signal corps is assembling the men and says he will be ready to depart for the state capital Sunday morning. The company has a membership of seventy-three men and three officers. The sanitary detachment, Major Birkner of Lincoln, commanding, has a membership of twenty-four, all Fremont boys. The Fremont signal corps will take its horses and equipment of wagons.

Grisel's Case Dismissed.

Aurora, Neb., March 30.—(Special Telegram.)—Judge Cameron yesterday in district court dismissed the petition of John Grisel, who asked for a writ of mandamus to get his name on the citizens' party ticket in the city election as a candidate for councilman from the Second ward.

SHUMWAY RAPS GOVERNOR'S BILL

Land Commissioner Opposes Clearance of Title to Saline Lands.

SOMEBODY GETTING BILKED

(From a Staff Correspondent.)
Lincoln, Neb., March 30.—(Special.)—Land Commissioner Shumway is not in accord with the bill introduced by the governor to perfect the title of the saline lands of the state, which have been in the hands of purchasers for the past thirty years, and today said:

"I don't claim to know more than the governor, attorney general, or the members of the house, who seek to cure saline land titles, but had they investigated as I have done, they would not have sought to put a stamp of approval on all this matter." "The senate committee and the farmers' union looked into it briefly, but enough to satisfy them of a bad condition." "The land commissioner called attention to the matter because he was satisfied that the state had been separated from about \$2,000,000 worth of property, part of it by collusion and fraud, partly by just taking possession, partly without constitutional right, and all without legal authority."

Four Hundred Teachers At Fremont Meeting

Fremont, Neb., March 30.—(Special Telegram.)—Over 400 teachers from all sections of the eastern part of the state are registered for the twelfth annual session of the East Central Nebraska Teachers' association.

Judge Ben B. Lindsay of Denver will speak Saturday forenoon. Mrs. Mary C. C. Bradford, state superintendent of public instruction of Colorado; Colonel W. C. Allen of Crete, Dean Charles Fordyce of Lincoln, are among the prominent speakers on the program.

Burial of G. A. R. Veteran.

My Name in Your Hat

Means a dollar in your pocket. My "rep" for producing real hats at \$2 forms an important part in the commercial development of Omaha in recent years. It has largely revolutionized the hat business in this city. Only a few years ago it was thought impossible to produce a good hat at \$2. I have demonstrated for the past six years that my methods are right—my hats are admired and worn by the thousands.
