Bellevue Boys Get War Fever; Three Join Navy

If patriotism and war enthusiasm extends any further among senior boys of Bellevue college academy, that class will consist almost entirely of girls.

Wallace Mitchell, 18, joined the navy recently and left his studies in the class. Two more of the senior boys joined the navy Saturday, Norris Cushing, 18, of Bellevue, and Owen Smith, 18, of Avery. Earl Kintner, 18, and Harry Fowler, 15, both of Bellevue, now desire to enlist for sea fighting, although the latter is too young.

There are only three or four other boys in the Bellevue senior academy class.

In this connection Lieutenant Waddell says that such young men, of high school or higher education, have excellent chances to attain navy commissions, eventually, through the provision for examination and appointment to Annapolis.

Does your complexion stand the test of bright lights? Creme Tokalon ROSEATED 'Banishes every complexion blemish in three nights' in many instances. When YOU Look in the Mirror does YOUR Face Look Mottled, Discolored and Wrinkled or Clear, Fair and Lovely? How a wrinkled, coarse, sallow skin can be made fresh, youthful and beautiful through simple osmosis of the skin produced by warm water and roseated cream. By Mlle. Simone Mareis, France's Great Prize Beauty "She seemed beautiful until I saw her under the bright lights--then all the imperfections of her skin and complexion stood out so that she looked positively ugly; that is why she and so many other women fall into the hold admiration." I heard a man make this remark about the mouth. You can easily see whether enlarged pores, blackheads and other complexion blemishes are keeping you in the ranks of the unattractive. Then if you feel you want to look younger and more beautiful, simply give your skin an opportunity to act freely and renew its youth. Many a hollow-cheeked, wrinkled, aged-looking woman has "come back" and made herself look most beautiful, youthful and charming in from two to three weeks' time, after she had given up all hope of ever regaining her fresh attractiveness by means of this wonderful simple method. Merely wash your face in warm water at night and rub in a teaspoonful or two of Creme Tokalon Roseated, which you can obtain from the drug-gest, in the morning wash the face with cold water and rub in more cream. Day by day watch how the old, hardened, coarse, rough skin becomes new, fresh, soft and youthful-looking, all due to simple osmosis of the skin, produced by warm water and roseated cream. If you have wrinkles, get a box of Japanese Ice Pencils from your drug-gest, which you can obtain from the drug-gest, and you can get quick action on a deepest wrinkles, no matter of how long standing. There is no reason why any woman aged, which you can obtain from the drug-gest, in the morning wash the face with cold water and rub in more cream.
