

## EVERY WOMAN EVERY MOTHER EVERY DAUGHTER NEEDS IRON AT TIMES

To put strength into her nerves and color into her cheeks.

There can be no beautiful, healthy, rosy-cheeked woman without iron. The trouble in the past has been that when women needed iron they generally took ordinary metallic iron, which often corroded the stomach and did more harm than good. Today doctors prescribe organic iron—Nuxated Iron. This particular form of iron is easily assimilated, does not blacken nor injure the teeth nor upset the stomach. It will increase the strength and endurance of weak, nervous, irritable, careworn, haggard-looking women 100 per cent in two weeks' time in many instances. I have used it in my own practice with most surprising results. —Ferdinand King, M.D.

### Removes Hairy Growths Without Pain or Bother

(Modes of Today)  
It is not necessary to use a painful process to remove hairy growths, for with a little delatone handy you can keep the skin entirely free from these hairy destroyers. To remove hair, make a stiff paste with a little powdered delatone and water. Spread this on the hairy surface and in about 2 minutes rub off, wash the skin and the hairs are gone. To guard against disappointment, be careful to get real delatone.—Advertisement.

### Combing Won't Rid Hair of Dandruff

The only sure way to get rid of dandruff is to dissolve it, then you destroy it entirely. To do this, get about four ounces of ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips. Do this tonight, and by morning, most, if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have. You will find, too, that all itching and digging of the scalp will stop at once, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better. You can get liquid arvon at any drug store. It is inexpensive and never fails to do the work.—Adv.

### Sick Headache!

Dr. J. J. Caldwell says that this exceedingly distressing disease does not shorten life, but does not appear to be curable. Sufferers from this affliction are condemned to undergo the periodical attacks every few weeks until they are forty years of age, after which the attacks are less frequent and finally disappear entirely. Palliative measures during the attack are all that is possible to suggest, while care in the diet is the best preventive measure. An attack may be best prevented by taking two anti-kamnia tablets when the first symptoms appear, and one anti-kamnia tablet every two hours during the attack shortens it, eases the pain and brings rest and quiet.

Anti-kamnia tablets may be obtained at all drug stores. Ask for A-K Tablets. They quickly relieve all pain.

### HOWARD THROWS BOLT IN MACHINE

Lieutenant Governor Forces  
Senate Secretary to Read  
Bill in Full.

#### VALIDITY OF ALL AFFECTED

(From a Staff Correspondent.)  
Lincoln, April 12.—(Special.)—Lieutenant Governor Howard today in the senate in announcing he was about to sign House Bill No. 423, the bill for the reorganization of the National Guard along the lines laid down in the federal law, announced "House Bill No. 423 having been read in part on three separate days," etc., etc.

Immediately the question was raised that the announcement of the lieutenant governor that the bill had been read "in part" was directly against the provisions of the constitution, which says that the bill should be read "at large on three separate days," and would, therefore, make its passage unconstitutional.

The constitution says all bills shall be read at large on three separate days in each house; this has never been done and many times when a bill has been thoroughly discussed in committee of the whole and it is a bill which covers many pages it has been customary for the reading clerk to skip the unimportant parts and get through with it as soon as possible.

This is the first time that a presiding officer has refused to follow out the custom and insist that the bill in order to be signed must be read in full.

The result of the action of the lieutenant governor was to cause a reconsideration of the vote to be taken and the clerk then proceeded to read the bill "at large." It contained twelve pages.

The bill had already passed by practically a unanimous vote and at the conclusion of the reading was again passed by unanimous vote.

The question now arises whether the lieutenant governor can sign the bill, the same objection which he had on it on third reading being applicable to the bill on the other two readings.

According to the lieutenant governor's ruling on this bill, not a bill has been passed by the Nebraska legislature legally for twenty-five years at least.

Nebraska Woman to Use  
Sleds On Honeymoon Trip  
(Correspondence of the Associated Press.)  
Cheyenne, Wyo., April 12.—The romance of the wild will find full expression in the honeymoon trip upon which Miss Alicia Hanson of Horace, Neb., will embark April 15. As the bride of a northern trader she will begin a tour at Seattle, which will end at the mouth of the Mackenzie river, in a region that it is said never before was visited by a white woman.

Miss Hanson has been prospecting with her brother in western Alaska for four years and is used to the hardships of the north. She is now visiting her parents after having left Tanana, Alaska, February 22, from where she traveled by dog sled over the Fairbanks trail, 540 miles to Cordova.

"It is the life I love," she says, "but it is not the life I would advise other women to follow."

At her Alaska home she said the temperature frequently reached 60 and 70 degrees below zero. She had to dress in men's clothes, with heavy fur overcoat and leggings.

Following the young woman's marriage in Seattle, she and her husband will go to Edmonton, Canada, and as soon as the ice begins to break they will embark in boats on the Mackenzie river for a journey of nearly a thousand miles.

### Special Institute to Be Held for Young Teachers

Red Cloud, Neb., April 12.—(Special.)—An innovation in the manner of holding the annual county teachers' institute is being planned for this year's session by County Superintendent Miss Gertrude Coon. A short session will be held in August, which only teachers who have had less than two years' experience will be required to attend. The instruction will be of such a character as to assist the beginners in organizing their schools.

Another session for all teachers will be held late in September, when the problems encountered so far in the year's work will be discussed and the usual work of the institute will be done. So far as is known here, no county in Nebraska has tried this plan.

### York Mayor Shakes Plum Tree

York, Neb., April 12.—(Special.)—Mayor T. W. Smith took the reins of city government Tuesday night and appointed the following officers: Chief of police, Lee B. Carey; fire chief, Ray E. Davis; J. D. Brishin and Rollin Fountain, night watchmen; city attorney, Charles F. Stroman; E. I. Pittman, street commissioner. William Overstreet was elected president of the council. A committee was appointed to advertise for an auto fire truck.

### Soldiers' Home Notes

Grand Island, Neb., April 12.—(Special.)—Mrs. J. P. Walsh and son, Ernest, have returned to Burkett, after attending the wedding of Mr. Patrick K. Walsh to Miss Mary Josephine Dougherty at Omaha. Commandant Walsh went from Omaha to Lincoln, where he is inspecting after business matters connected with the Burkett institution.

Jack Thompson, an old resident of Hall county, yesterday morning was reported dying at the West hospital.

Mrs. Cummings and Mrs. Huntington went to Omaha this morning for a short visit. John Bunn, who was reported quite sick recently is convalescing.

Mrs. Miller, in cottage No. 8, is confined to her room with asthma.

### Two Men Admit Robbing Aged Woman at Arnold

Broken Bow, Neb., April 11.—(Special.)—Robert Draper and Arthur Clark, young men about 20 years of age, are in jail here charged with highway robbery of Mrs. Ellen Robinson, an aged woman of 80 years residing near Arnold. The two went to the home of Mrs. Arnold, who lives alone, near midnight, and entering the house began searching it. Mrs. Robinson awakened and the young men went outside and watched her through the window while she concealed money about her person to the amount of \$120. The aged woman then started for a neighbor's, about a mile distant. On the way there she was held up by Draper and Clark and robbed of the money. She then proceeded to the neighbors and told what had happened. Marshal Elmer Draper of Arnold suspected Draper and Clark at once and placed them under arrest, whereupon they made a full confession. Deputy Sheriff Thompson brought them to Broken Bow and they later made a confession to County Attorney Kelly and pleaded guilty when taken before County Judge Ford for preliminary hearing. They were bound over to district court in the sum of \$2,000.

### Twenty-Six Young Men Enlist at Valentine

Valentine, Neb., April 12.—(Special.)—There has not been an army recruiting officer here to secure enlistments and none is necessary, for Valentine has already contributed its share and more. Twenty-six of the young men here have gone to the colors and a half dozen more are going as soon as they can make arrangements to leave. Eighteen of them left some time ago and the balance left Tuesday morning. They went to Gordon and there joined Company I of the Fourth Nebraska. Part of them are now on duty guarding a tunnel and the rest are at Fort Robinson in training.

The young men who responded to the call are the cream of that class here, the clean, straight-back, head-up kind. They all had positions, professions or school work. Many of them have been active in athletics. There have been no patriotic meetings, no rallies, no bands to stir their patriotic fervor. They heard the call and simply said, "I'll go."

### Doctor Tells How To Strengthen Eyesight 50 per cent In One Week's Time in Many Instances

A Free Prescription You Can Have  
Filled and Use at Home

Physician. Do you wear glasses? Are you a victim of eye strain or other eye weakness? If so, you will be glad to know that according to Dr. Lewis there is real hope for you. Many whose eyes were failing say they have had their eyes restored through the principle of this wonderful free prescription. One man says: "After trying it, I was almost blind; could not see to read at all. Now I can read everything without any glasses and my eyes do not water any more. At night they would pain dreadfully; now they feel fine all the time. It was like a miracle to me." A lady who used it says: "The atmosphere seemed hazy with or without glasses, but after using this prescription for fifteen days everything seems clear. I can even read two print without glasses." It is believed that thousands who wear glasses can now discard them in a reasonable time and multitudes more will be able to strengthen their eyes so as to be spared the trouble and expense of ever getting glasses. Eye troubles of many descriptions may be wonderfully benefited by following the simple rules. Here is the prescription: To any active drug store and get a bottle of Bon-Opto tablets. Drop one Bon-Opto tablet in a fourth of a glass of water and allow it to dissolve. With this liquid bathe the eyes two to four times daily. You should notice your eyes clear up perceptibly right from the start and inflammation will quickly disappear. If your eyes are bothering you, even a little, take steps to save them now before it is too late. Many hopelessly blind might have been saved if they had cared for their eyes in time.

Note: Another prominent Physician to whom the above article was submitted, said: "Bon-Opto is a very remarkable remedy. Its constituent ingredients are well known to eminent eye specialists and widely prescribed by them. The manufacturers guarantee it to strengthen eyesight 50 per cent in one week's time in many instances or refund the money. It can be obtained from any good druggist and is one of the very few preparations I feel should be kept on hand for regular use in almost every family." It is sold in this city by Sherman & McConnell, C. A. Melcher and others.—Adv.

### Veteran Justice of the Peace at Seward is Dead

Seward, Neb., April 12.—(Special.)—The funeral of Judge J. W. Gladish was held yesterday and all of the business houses closed for an hour during the service. The flag on the court house was at half staff, for this old veteran who, for twenty-nine years held the office of police judge, with headquarters on the third floor of the court house. He was almost 89 years of age. His death was from grip.

Many Seward county farmers are holding large quantities of wheat, waiting for \$3 a bushel.

C. F. Eberspacher paid \$20,150 for the Freitag eighty-acre farm.

Raymond Hougland and Fern Bistrop of Uca were married here by Rev. B. L. Storey Wednesday.

Kay D. Fenderson, Mildred, and Miss Lottie C. Deland of Osceola, were married last Thursday by County Judge Harry L. Nowal.

"The Spirit of the Sisterhood," a pageant, will be presented at the Young Men's Christian association Friday evening by the girls of Seward High school.

### Sholes Farmer Kills Himself With Strychnine

Wayne, Neb., April 12.—(Special Telegram.)—Emil Swanson, aged 52, committed suicide Wednesday afternoon by swallowing strychnine in the powdered form. Swanson was in the field with his son repairing the fence on his farm, three miles west of Sholes, when he was taken violently ill. He was rushed to the house and a physician from Randolph was summoned. In moments of consciousness, between convulsions, Swanson told the doctor and two other men that he had swallowed strychnine. He offered no explanation for the deed. He leaves a wife and ten children. The Swansons had lived in the vicinity of Sholes for several years.

### Webster County Hogs Sell for Sixteen-Twenty

Red Cloud, Neb., April 11.—(Special.)—What is believed to be a record price for a carload of hogs shipped from this county was received by W. H. Norris of Inavale for a load of fancy hogs sold in Kansas City this week. The sixty-nine head averaged 330 pounds each and sold for \$16.10 per hundred, making the total nearly \$3,700.
