

Nebraska PARTIAL SUFFRAGE FOR WOMEN OF STATE

Senate Agrees to Bill and Soon Will Pass It.

VOTE TWENTY TO THIRTEEN

Lincoln, Neb., April 19.—Partial suffrage for the women of Nebraska was practically assured late this afternoon when the committee of the whole in the senate passed the measure, 20 to 13. There is apparently no doubt but the bill will easily get through the third reading in the senate. The house has already passed the measure.

This is the same bill that was defeated some time ago, but was lifted by the sifting committee by general consent.

The bill extends the vote to women of all offices not specifically provided in the state constitution, thereby allowing suffrage without constitutional amendment.

West Point Election Tie Is Submitted to Court

West Point, Neb., April 19.—(Special.)—The clerkship of the city of West Point will be filled for the present by the former clerk, August Hanft, who will hold office until his successor is declared duly elected. The two candidates at the last election, Peter Poellett and Karl Kerl, tied, each receiving an equal number of votes. It was found that the old-fashioned method of drawing straws did not apply to cities of the size of West Point. Accordingly a friendly suit was filed by Mr. Kerl before County Judge Dewald and the case is set for hearing on May 7. A recount of the ballots will then be had and a decision forthcoming, upon the result of the recount, should any difference be found.

The funeral of Mrs. Gertrude Kahler occurred yesterday from the Grace Lutheran church at West Point. Mrs. Kahler's death took place at the home of her daughter, Mrs. Martin Ehlers of the north side. She was a native of Germany and was 80 years of age at her death. She is survived by one stepson, her daughter, thirteen grandchildren and seventeen great-grandchildren.

A mass meeting of the citizens of Cumming county is called to meet at West Point, Saturday afternoon, for the organization of a County Fair association.

The marriage of Henry Stalling and Miss Lydia K. Schmidt was solemnized at the German Lutheran church on the north side by Rev. J. H. Tegeler, pastor, yesterday.

Notes From Beatrice And Gage County

Beatrice, Neb., April 19.—(Special.)—The city council of Wymore held a meeting last evening, when Mayor Endleman announced these appointments: Chief of police, Arthur Gillespie; street commissioner, N. F. Jenkins; park commissioners, Phil Moser and W. M. Fulton; A. D. McCandless was recently appointed city attorney, and Sam Lee water and light superintendent.

Fred Thomas, proprietor of a restaurant at Pickrell, was brought before Judge Ellis yesterday on a charge of discrimination filed by Charles Wellington. The complainant alleges that he was refused service by the proprietor.

Gregory E. O'Brien and Miss Kathryn McNulty, both of Wymore, were married at the Catholic church at Wymore Tuesday. They will make their home on a farm west of Blue Springs.

Company F of Wymore held a meeting and elected Mike Hofacre lieutenant to succeed Leslie Finley, resigned. His brother, Harry, was appointed sergeant by Captain Frank Crawford.

Frank Lebers, a resident of the Cortland vicinity, filed a suit for \$2,999 damages against the Union Pacific company for injuries received when his automobile was struck by northbound Union Pacific motor near Cortland on February 6. He alleges that he sustained permanent injuries.

Mayfield Visits State Hospital at Kearney

Kearney, Neb., April 19.—(Special.)—Chairman E. O. Mayfield of the state board of control spent Wednesday in Kearney on an inspection tour of the state buildings and grounds here. He was favorably impressed with the findings, but realized after a trip through the state hospital for tuberculosis patients that many improvements there would not come amiss and that some of them were an immediate need. The installation of sun porches, one for the men's and one for the women's ward rooms, is advocated by the board chairman, these being needed to give the patients some fresh air and sunshine which are so essential to their recovery. The quarters for the hospital help were also found to be inadequate and alterations as needed will be made here. The upper floor of the administration building will be remodeled to meet the needs of the help or a cottage adjoining the state grounds will be purchased for their use.

New York, April 19.—The New York Federal Reserve bank announced today that the secretary of the treasury had authorized an issue of \$200,000,000 2 1/2 per cent government certificates of indebtedness, maturing July 1, 1917. More Anti-German Riots In Brazil and Argentine

Washington, April 19.—Reports of anti-German riots in Argentina, wholesale dismissal of nationals of the central powers from government works, hospitals and arsenals and the order to German residents to evacuate a certain suburban zone of Buenos Aires are construed here as indicative of the difficulty the Argentine government will have in preventing itself being forced by its own people into an open break with Germany.

Rio Janeiro, April 19.—The fires started during the attacks on German property in Porto Alegre, have caused conflagrations which have spread to buildings owned by Brazilians. The minister of war today telegraphed to the commander of the federal troops in the state of Rio Grande do Sul, in which Porto Alegre is situated, to place at the disposal of the governor all his forces, amounting to 7,400 men.

Collect Old Papers to Get Money for Red Cross Work

Save old papers and magazines for war relief!

Mrs. J. C. Wrath and women of the Turner Park Red Cross auxiliary will collect the old paper Saturday, April 28, and sell it to raise funds for materials for Red Cross work. Harrison & Morton have offered a vacant room at 2429 Farnam street to store the paper that day.

Miss Elizabeth Allan, Miss Florence Lighton, Miss Jessie Biles and Mrs. A. E. Griffin will assist in the work.

Enough money to pay for Red Cross instruction in evening classes for three business girls was raised by two card parties given last week, one at Mrs. Wrath's home and one at the Kellogg hotel.

To plan details for the old paper campaign there will be a meeting at the home of Mrs. Wrath Wednesday afternoon.
