Lawn Mowers and Garden Tools at Jas. Morton & Son Co. General von Bissing, "Tyrant" Governor of Belgium, Is Dead

London, April 19.—Reuter's Amsterdam correspondent says that according to a Brussels dispatch, General von Bissing, German governor-general in Belgium, died Wednesday evening.

General Baron Moritz Ferdinand von Bissing was appointed governor general of Belgium in November, 1914, in succession to General von der Goltz. He was born in 1844. During his rule in Belgium General Bissing has come into prominence many times, notably in connection with the execution of Miss Edith Cavell, the English nurse; frequent clashes with Cardinal Mercier, primate of Belgium, and the deportation of Belgians.

It was reported in 1915 that he had ordered the round up of spies and persons suspected of working against the Germans in Belgium and that scores of executions followed the carrying out of this order. He had been ill for more than a year.

BANISTER SCORED BY W. C. T. U. WOMEN

Declare Retired Army Officer Referred to Petticoat as Badge of Cowardice.

DR. CALFAS DEFENDS HIM

Mrs. George W. Covell, Woman's Christian Temperance union worker, considered insulting some remarks made by Colonel J. M. Banister in his talk to the temperance women of the city Wednesday afternoon, when he said:

"Anyone who opposes the president in this time of great crisis is a traitor and should be treated as such. The moral influence of women in time of war cannot be minimized. Women of today should follow the example of noble women of the past in support of their soldiers. I have never heard anything so vile, contemptible and pusillanimous as the song sung in Omaha, 'I Didn't Raise My Boy to Be a Soldier.' If we did not raise our boys to be men, we had better put dresses on them and send them into the bakeries. If Germany had invaded this country as it did Belgium and had found our young men smelling roses, with lace collars around their necks, instead of being ready to protect you at any cost, you might have been deported as soldiers as Belgian women have been. A slacker should be ignored and looked upon with contempt by every woman."

"I resent Colonel Banister's attitude," said Mrs. Covell. "I have to wear lace collars, but that is no disgrace. I am insulted that he used the petticoat as a badge of cowardice. Men may have physical bravery, but women have moral bravery. He and I have something in common and he is moved by the old southern spirit of chivalry, but he needs to get his views changed in regard to war."

Dr. Jennie Calfas interrupted with a protest, "I love Mrs. Covell as much as can be, but I must protest against this talking about Colonel Banister when he came here to give us suggestions from his practical experience about our work." Mrs. Covell subsided.

Mrs. Mamie M. Clafin, state president of the Woman's Christian Temperance union, said: "I didn't raise my boy to be a soldier. My views are diametrically opposed to those of Colonel Banister. He is a war-loving soldier and I am a peace-loving woman, but we are not here to argue now, we must do everything we can to help our soldiers and uphold our president. I have a vision of supplying hospitals with electric fans and Victrolas, and of furnishing the many comforts which we are able to provide. While we are making this effort we must make it in the spirit of bitter enmity to the open saloon, which is doing such deadly things for our young men."

Miss Rankin Given Place On Public Lands Committee Washington, April 19.—In the list of republican committee assignments approved today by the house Miss Rankin of Montana was given last place on public lands.

Doctor Tells How To Strengthen Eyesight 50 per cent In One Week's Time in Many Instances

A Free Prescription You Can Have Filled and Use at Home. Philadelphia, Pa. Do you wear glasses? Are you a victim of eye strain or other eye weaknesses? If so you will be glad to know that according to Dr. Lewis there is real hope for you. Many whose eyes were failing say they have had their eyes restored through the principle of this wonderful free prescription. One man says, after trying it: "I was almost blind; could not see to read at all. Now I can read everything without any glasses and my eyes do not water any more. At night they would pain dreadfully; now they feel fine all the time. It was like a miracle to me."

A lady who used it says: "The atmosphere seemed hazy with or without glasses, but after using this prescription for fifteen days everything seems clear. I can even read fine print without glasses." It is believed that thousands who wear glasses can now discard them in a reasonable time and multitude more will be able to strengthen their eyes so as to be spared the trouble and expense of ever getting glasses. Eye troubles of many descriptions may be wonderfully benefited by following

the simple rules. Here is the prescription: Go to any active drug store and get a bottle of Bon-Opto tablets. Drop one Bon-Opto tablet in a fourth of a glass of water and allow to dissolve. With this liquid bathe the eye two to four times daily. You should notice your eyes clear up perceptibly right from the start and inflammation will quickly disappear. If your eyes are bothering you ever, insist upon seeing to save them now before it is too late. Many hopelessly blind might have been saved if they had cared for their eyes in time.

Note: Another prominent physician to whom the above article was submitted, said: "Bon-Opto is a very remarkable remedy. Its constituent ingredients are well known to eminent eye specialists and widely prescribed by them. The manufacturers guarantee it to strengthen existing eyes and in one week's time it can be obtained for refund the money. It can be instilled from any good drug store and in one of the very few preparations I feel should be kept on hand for regular use in almost every family." It is sold in this city by Sherman & McConnell, C. A. Melcher and others.—Advertisement.

Thrills Feature Annual Dinner of Commercial Club

Grand opera, military drills, moral squad activities, membership hustling exhibitions, were crowded into the program of the annual good fellowship dinner of the Commercial club Wednesday. Some 200 members in red caps, white caps, blue caps and green caps enjoyed the dinner.

O. T. Eastman of the entertainment committee and Hugh Wallace divided honors in handling the megaphone and announcing events from time to time.

A squad of guardsmen from Company A, Fourth Nebraska, were put through the drill in the manual of arms, firing and bayonet exercises by Sergeant Williams.

Sections of a burlesque were staged with Frank Latenser as stage carpenter, Vincent Hascall as Oscar Hammerstein and Carl Siebert, pupil of Mrs. Millie Ryan, featured in the singing of Camio's Lament from "Pallaci."

Fred Cusaden led in a moral squad consisting of himself, George Johnson, Bob Manley, L. C. Erskine, G. D. Whitcomb and Hugh Wallace. This squad wound up by singing songs and doing a fling, but no arrests were made.

A squad from the membership committee under H. O. Wilhelm, attacked a prospective member and after arguing with him for ten minutes, got his name on the dotted line, and thus demonstrated to the crowd how memberships are obtained.

Frank Latenser sang his hit "My Name is Samuel Hall, Samuel Hall, Samuel Hall."

Loses Ear in Battle and Arrested for Hurling Brick H. J. Sneez, 603 California street, lost his left ear in an altercation with the bartender at the California bar, Sixteenth and California streets, on Wednesday afternoon. Sneez is said to have hurled a brick through the saloon plate glass window following his ejection. After his ear had been sewed on by Police Surgeon Nigro, he was arrested, charged with malicious destruction of property.

This prescription for the removal of freckles was written by a prominent physician and is usually so successful in removing freckles and giving a clear, beautiful complexion that it is sold by any druggist under guarantee to refund the money if it fails.

Don't hide your freckles under a veil; get an ounce of othine and remove them. Even the first few applications should show a wonderful improvement, some of the lighter freckles vanishing entirely.

Dr. Ferdinand King, a New York City Physician and Author, says: "There can be no strong, vigorous, iron men nor beautiful, healthy, rosy-cheeked women without iron—Nuxated iron taken three times per day after meals will increase the strength and endurance of weak, nervous, run-down folks 100 per cent in two weeks' time in many instances. Avoid the old forms of metallic iron which may injure the teeth, corrode the stomach, and thereby do more harm than good. Take only organic iron—Nuxated Iron." It is dispensed in this city by Sherman & McConnell Drug Co., and all good druggists.
