

MILITARY NOTE AT MENOMA'S CONCERT

Annual Event Gives Thrill of Patriotic Fervor to Audience.

CHORUS SHOWS ADVANCE

By HENRIETTA M. REES The second annual concert by the Menoma Chorus, under James Edward Carnal, conductor, took place Thursday at the Brandeis theater and brought many interesting features with it.

This body of singers shows much improvement in its work over that of last year. Its quality is much prettier and there is a greater assurance and smoothness in everything that it does.

Flag Tableau Entuses Audience

The stage was decorated with bunting and flags, with two immense flags forming a background behind the chorus. During the singing young girls appeared in all the boxes, waving American flags, and the two flags at the back parted, revealing a large picture of President Wilson.

Other Military Features. Many unusual features were introduced by the "Bugle Song," by Buck. Miss Midge West, concert master of the orchestra aided the piano accompaniment materially with the satisfying tones of her violin, and a bugle off stage effectively answered the chorus in various portions of the song.

Mrs. Wylie's Share. Mrs. Wylie, as usual, charmed by her luscious quality of voice, and the artistry of her singing. She presented two groups of solos in a most finished manner, and was quite overwhelmed with flowers and appreciation.

The Omaha Chamber Music society, under Mr. Cox, besides accompanying the chorus in two numbers, played a group of compositions for string orchestra.

Accompanists a Factor. The accompaniments of Mr. Duffield for Miss Wylie, and of Miss Nora Neal for the chorus, were essential factors of the evening's pleasure.

PRESIDENT GENERAL OF THE D. A. R.

Mrs. George Thatcher Guernsey

Washington, April 20.—Mrs. George Thatcher Guernsey of Kansas was elected president-general of the Daughters of the American Revolution for the next three years last night over three opponents on the first ballot.

In a vigorously contested fight the entire ticket, headed by Mrs. Guernsey, defeated at the last election by Mrs. William Cumming Story, was swept into office.

Mrs. C. B. Letton of Nebraska was elected vice president general for the unexpired term.

Mrs. Guernsey is a sister of Mrs. Charles H. Aull of Omaha, retiring state regent of the Nebraska Daughters. She is well known here, having visited her sister many times.

Mrs. Aull went to Washington early last week to help in her sister's campaign. Mrs. Guernsey's platform was an element of strength in her campaign. She advocated one term of three years for the president-general, rather than a two-year term with re-election; and that traveling expenses of the president-general should be paid by the officer herself.
