HOGS LOWER FOR WEEK

Table with 2 columns: Receipts and Market prices for various livestock types.

Receipts were: Cattle, Hogs, Sheep... Market prices for various livestock types.

Cattle—There were no fresh cattle of any importance in sight this morning.

Hogs—There were no fresh hogs of any importance in sight this morning.

Sheep—There were no fresh sheep of any importance in sight this morning.

GRAIN AND PRODUCE

Cash Wheat Reflects Dull Condition of Futures Market - Sales Increase.

PREMIUM FOR WHITE CORN

Omaha, April 21, 1917. The cash wheat market reflected the dull condition of the future market.

The demand for wheat was rather indifferent, but there was, however, very little disposition on the part of the sellers.

Corn and oats receipts were pretty good and there was a pretty active inquiry for these cereals at somewhat lower prices.

The sales of corn were made up generally of the commercial grades.

Oats—There was a quiet market for these cereals at somewhat lower prices.

Flour—There was a quiet market for these cereals at somewhat lower prices.

Butter—There was a quiet market for these cereals at somewhat lower prices.

Eggs—There was a quiet market for these cereals at somewhat lower prices.
