Railroads to File Tariffs to Cover Increase in Rates

Washington, April 25.—The Interstate Commerce commission today prescribed the method of procedure in the 15 per cent rate advance cases by permitting the railroads to file supplemental tariffs covering the increase.

The new tariff will be subject to protest, suspension, complaint, investigation and correction.

Indications are that the commission will soon set dates for hearings at which the merits of the increases will be considered.

The effective date of the order, should it be finally approved, is changed from June 1 to July 1.

Receipts light on both prairie and alfalfa. Market firm and higher on the better grades of alfalfa.

Big Elevator and 200,000 Bushels of Wheat Destroyed

Eric, Pa., April 25.—More than 200,000 bushels of wheat and a large wooden grain elevator known as "Elevator A" of the Western Transportation company, owned by the Great Lakes Transit corporation, were destroyed by fire here tonight with a loss estimated at \$600,000.

The grain, it is said, was consigned to the allies. Officials of the company assert that the fire started from an overheated pulley in a tower on the lake side of the elevator.

The elevator was the remaining one of three elevators, built by the corporation, the other two having been destroyed by fire some time ago.

Shipments of New Potatoes Increasing. Washington, April 25.—Shortage of the 1916 potato crop may be relieved by rapidly increasing shipments of new potatoes from Florida during the last week of the federal bureau of markets reported today.

Between April 1 and 20, 5,072 cars of the old and new crop moved and the daily shipments of the new potatoes have jumped from the usual fifteen or twenty cars to fifty-three cars April 18, seventy-three on the 19th and ninety-six on the 20th.

Exports of Sugar From America Are Suspended. New York, April 25.—Hoarding of sugar by American consumers has led to suspension of export business to meet an abnormal domestic demand for the staple.

Earl D. Babst, president of the American Sugar Refining company, said today in a statement approving the plan suggested by Herbert C. Hoover, national food commissioner, for co-operation between the United States and the entente in handling food problems.
