Soldiers Prevent Demonstration Before American Embassy in Petrograd.

HEADED BY NIKOLAI LENIG

Petrograd, April 23.—(Via London, April 25.)—An effort by a small group of ultra radicals to make an unfriendly demonstration before the American embassy today was frustrated by militiamen as the radicals marched down the Nevsky Prospect on their way to the embassy. The demonstration was headed by Nikolai Lenig, the radical socialist leader, who recently arrived here through Germany from Switzerland with a safe conduct from the German authorities. The demonstration is said to have been due to the alleged killing in America of an anarchist named Mooney, who was under sentence in San Francisco. A guard was sent by the authorities to protect the embassy.

The Mooney referred to in the foregoing probably is Thomas J. Mooney, who is under sentence of death for connection with the bomb explosion in July, 1916, in which seven persons were killed.

Red Blood and Courage!

(By Dr. W. C. Lucas.)

What drives the men right up to the trenches in this war is courage, and it's red blood that "puts the heart" in the man. Did any one ever see a puny, thin-blooded man ever rush into the fight with any chance of winning out? With rich, pure blood you can face any hardship, reach any goal. But you are handicapped in the race of life without it. Every tissue, bone, muscle, should take from the blood certain materials and return to it certain others. This process insures perfect health. When the poisons accumulate in the blood, perhaps the face breaks out in pimples, or boils appear on the neck, and we feel languid, tired, our vitality is at a low ebb, and we easily catch cold.

It's time to take an alternative extract and blood-purifier taken from Nature's forests. Such a one is made up of Golden Seal, Blood and Stone root, Oregon Grape and Queen's root—extracted with glycerine and made into sugar-coated tablets or liquid, and this has been sold by druggists for the past fifty years as Dr. Pierce's Golden Medical Discovery. It's always efficacious in the spring when the blood is run down and you need a wholesome tonic. Try this old-fashioned but reliable remedy, without alcohol!

If you are occasionally troubled with rheumatic pains or lumbago, pain in the back, toes or muscles of the body, this is due to uric acid stored in the system. The liver and kidneys do not act properly. For such a person, I advise taking Anuric (double strength) three times daily for a week or two. This Anuric throws out the uric acid which accumulates, and if taken occasionally will prevent or cure rheumatism and gout. There is no difficulty in obtaining Anuric at any drug store.—Advertisement.

IT'S YOUR KIDNEYS

You have swollen feet and hands! Stiff, aching joints! Sharp-shooting rheumatic pains torture you. You have aching back, pain in the lower abdomen, difficulty when urinating! Look out! These are danger signals. Trouble is with your kidneys. Uric acid poisoning, in one form or another, has set in. It may lead to dropsy or fatal Bright's disease if not checked. Get some GOLD MEDAL Heazium Oil Capsules immediately. They are an old preparation, used all over the world for centuries, combining natural healing oil and herbs with the most powerful and used by thousands in their daily practice. The Capsules are not an experimental, make shift "patent medicine," or "snake" whose effect is only temporary. They are a standard remedy, and act naturally, gently and quickly. But when you go to the druggist, insist on getting the pure, original Heazium Oil in Capsules. Be sure the name GOLD MEDAL is on the box, and thus protect yourself against counterfeit.—Advertisement.

The Stomach and Health

It is far better to have an empty purse, a good stomach and be hungry, than to have wealth, no appetite and indigestion. There is wealth and health in a well, strong and hungry stomach. Then think what Duffy's Pure Malt Whiskey does to promote digestion. In tablespoonful doses before meals, it stimulates the mucous surfaces and little glands of the stomach to healthy action, assisting digestion and assimilation work so that the food you eat gives the body the greatest amount of fuel and tissue-building supplies. The mild and tonic effect of Duffy's Pure Malt Whiskey is specially adapted to the use of persons with diseased or delicate stomachs, for it invigorates the nervous mechanism of that organ, which is the supreme test of its virtues. Thus with a firm grip on digestion and assimilation, you get back the proper balance of their functions and you will know the pleasure of eating whatever the palate selects. Because it has afforded relief to thousands of sufferers from indigestion and the kindred ills of digestion, the advice to "Get Duffy's and Keep Well" should prompt all stomach sufferers to like action. Sold by most druggists, grocers and dealers, \$1.00. If they can't supply you, write us. Send for useful household booklet free. The Duffy Malt Whiskey Co., Rochester, N. Y.

London, April 25.—A dispatch to the Exchange Telegraph from Amsterdam says: "It is announced that the German foreign office invited all the neutral journalists now in Berlin to a secret conference to hear a statement by Alfred Zimmermann, the foreign minister, and William von Sturm, under secretary for foreign affairs, on Germany's war aims. The German press protests that neutrals have been thus favored, while the German newspapers are hardly allowed to express an opinion on the subject."

RASH ON HANDS ITCHING INTENSE

Also on Arms. Scratched Almost Night and Day. Turned to Crusts and Disfigured. Tremendous Burning. Cuticura Healed. Cost \$2.00.

"A little rash of pimples came on my hands and arms, and later spread to my shoulders and face. Itched and burned intensely which caused me to scratch almost night and day. The pimples then turned to yellow crusts causing great pain when I washed. I was disgusted for the time and could not possibly put my hands in water. At night I barely shut my eyes on account of the terrible itching and tremendous burning. I sent for a free sample of Cuticura Soap and Ointment. I noticed a great improvement so I purchased more, and when I used two boxes of Cuticura Soap I was healed completely." (Signed) Miss Hattie W. Selke, 6024 Justine St., Chicago, Ill., Sept. 2, 1916.
